**MOTION ON CONSENT TO SUSPEND PROCEEDINGS  
AND TO EXTEND DISCOVERY PERIOD IF OPPOSITION IS RESUMED**

Opposer, by and through counsel, hereby moves for an order suspending the proceedings in this matter for a period of 90 days, up to and including **November 15, 2007**. Applicant consented to this motion, which is requested to allow the parties to engage in settlement discussions.

Since the last suspension request, Opposer’s counsel and Applicant’s counsel have had further discussions regarding settlement terms. The additional time is sought so that Applicant and Opposer can continue to discuss settlement.

In the event that the Board denies this motion, Opposer consents to an extension of time for Applicant to file an answer or otherwise respond to the Notice of Opposition until sixty (60) days after such denial.

If the Board grants this motion, in the event that the matter is taken out of suspense, Opposer consents to an extension of time for Applicant to answer or otherwise respond to the Notice of Opposition until sixty (60) days after the proceedings resume. Additionally, the parties request that six months of discovery be allowed and that the discovery cutoff be reset to six (6) months after the proceedings resume so that the parties will have the full period of discovery in the event that the matter is not able to be resolved. The trial periods should be reset accordingly.
