**OPPOSER'S CONSENTED MOTION TO SUSPEND FOR SETTLEMENT**

Opposer, LOTTO SPORT ITALIA S.P.A. ("Opposer"), with the consent of Applicant, FLIR SYSTEMS, INC. ("Applicant"), by and through their counsel, hereby move the Trademark Trial and Appeal Board ("Board") to suspend this proceeding for one month pursuant to Trademark Rule 2.117(c) and TBMP §510.03(a)(2d Ed. rev. 2004) to allow the parties to complete settlement negotiations.

The parties have been engaged in settlement negotiations and need the requested time to complete those discussions. Applicant's counsel, Daniel P. Larsen, consented to this motion on April 23, 2008. The parties request that the case be suspended and that Applicant's time to respond to Opposer's first set of discovery requests also remain suspended.

  
**04-23-2008**

If the Opposition is not settled, after the expiration of this short suspension period, the parties agree that Applicant's time to respond to Opposer's first set of discovery requests, as well as testimony dates will be reset by the Board. The parties further understand that if the settlement is not achieved, Applicant will most likely file a Motion to Reopen Discovery.

Opposer respectfully requests that the Board grant Opposer's Consented Motion to Suspend.

Respectfully submitted,

LOTTO SPORT ITALIA S.P.A.
