Sterling Bank

v.

Sterling Bank and Trust, FSB

Cheryl Goodman, Interlocutory Attorney:

Applicant's consented motion (filed December 18, 2006) to suspend proceedings is noted.

However, inasmuch as the Board suspended proceedings and remanded the application to the trademark examining attorney of record for review of the proposed amendment, the above-mentioned motion is moot.<sup>1</sup> Accordingly, proceedings remain suspended and the time for filing of applicant's answer and the discovery and trial dates will be reset upon resumption of these proceedings.
