Motion for an Extension of Discovery or Trial Periods With Consent

The Close of Discovery is currently set to close on 10/14/2007. Givaudan SA requests that such date be extended for 30 days, or until 11/13/2007, and that all subsequent dates be reset accordingly.

Discovery Period to Close : 11/13/2007
Thirty-day testimony period for party in position of plaintiff to close : 02/11/2008
Thirty-day testimony period for party in position of defendant to close : 04/11/2008
Fifteen-day rebuttal testimony period to close : 05/26/2008

The grounds for this request are as follows:

- *The parties need additional time to evaluate the relevance of the Decision issued by OHIM against Defendants' co-pending Community Trademark Application No. 004397022 for the mark KOSMO, and the appeal filed by Defendants against that Decision. The parties are evaluating and coordinating their U.S. and European trademark rights and attempting to reach a broad resolution thereof.*

Givaudan SA has secured the express consent of all other parties to this proceeding for the extension requested herein.

Givaudan SA has provided an e-mail address herewith for itself and for the opposing party so that any order on this motion may be issued electronically by the Board.
