Re: Express Abandonment of Application
Application #: 78305642
Opposition#: 91175018

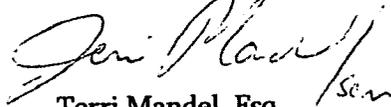

Dear Sir or Madam:

Please accept this letter as our client's official request for Express Abandonment of her trademark application. Her trademark application (Hugger - #78305642) was opposed by Arizant Healthcare Inc. and a mutually acceptable resolution was unattainable. In lieu of spending the funds necessary to oppose said opposition, our client has elected to request an Express abandonment of her application and no longer pursue trademark protection for her mark. We trust this will conclude all proceedings with respect to this mark. Please advise us if this is not the case and if any other filings are necessary to conclude this matter.

Thank you very much for your assistance.

Yours truly,

The Law Office of Terri Mandel, P.C.
