JOINT MOTION FOR EXTENSION OF DISCOVERY AND TRIAL DATES

AmCoat Industries, Inc. and Rhino Linings USA, Inc. have stipulated to an enlargement of discovery period in this matter, and hereby jointly move the Trademark Trial and Appeal Board to extend the Period for Discovery and reset the Trial Date in this matter by sixty (60) days. This request for an extension made by the parties is for good cause including continued cooperation between the parties to conduct discovery, schedule depositions and explore settlement possibilities. Therefore, the parties hereby jointly request the discovery cut-off date and trial dates be reset as follows:

|   |                  |
|---|------------------|
| Discovery period to close   | October 15, 2007 |
| Thirty day testimony period for party in position of plaintiff to close | January 11, 2008 |
| Thirty day testimony period for party in position of defendant to close | March 11, 2008   |
| Fifteen day rebuttal testimony period for plaintiff to close            | April 25, 2008   |

The undersigned attorneys hereby certify that they have discussed this Motion and have agreed that the extension is warranted.

Respectfully submitted on July 31, 2007.
