On August 28, 2007, the Board entered judgment for opposer in this proceeding based on applicant's abandonment of the opposed application without opposer's consent.

On September 5, 2007, the parties submitted a stipulation to set aside judgment, with opposer's written consent to abandonment of application Serial No. 78845279 (originally filed on August 15, 2007).

Accordingly, the Board's August 28, 2007 order is hereby set aside.

Pursuant to the parties' settlement agreement, this opposition is dismissed without prejudice.
