Opposition No. 91/176,744

OPPOSER'S DECLARATION OF CAROL G. PINKUS

I, Carol G. Pinkus, hereby declare as follows:

1. I am currently the Director Intellectual Property, Marvel Entertainment, Inc. ("Marvel"), the parent company of Marvel Comics and Marvel Characters, Inc., which is headquartered at 417 Fifth Avenue, New York, New York 10016.

2. The facts stated herein are based on my personal knowledge.

3. Marvel owns a vast network of over 5,000 character properties built over more than sixty years of comic book publishing, including such internationally-famous characters as SPIDER-MAN, X-MEN, and FANTASTIC FOUR.

4. Marvel publishes comic books featuring its character properties and trademarks.

5. A substantial part of Marvel's business originates from licensing its marks and characters for use in connection with a variety of goods and services, including clothing, toys, foods, motion pictures, television programs, home videos, computer games, cosmetics, and toiletries.

6. Marvel's merchandise licensing programs are among the largest and most successful in the world, involving approximately 376 different licensees, and generating royalty income of over $127.2 million in 2006.

7. Beginning as early as 1966, Marvel, jointly with DC Comics ("DC Comics") (including our and DC Comics' predecessor-in-interest), have exploited its SUPER HERO and SUPER HEROES trademarks in connection with comic books, toys and masquerade costumes.

8. Typically, Marvel's merchandise license agreements bundle groups of characters. For example, Marvel has licensed X-MEN along with STORM, WOLVERINE, and other related characters, in addition to SPIDER-MAN and other related characters. Such agreements generally include a license to use the trademarks SUPER HERO and SUPER HEROES.

9. Marvel has a long history of exploiting its trademarks in connection with personal care products.

10. For example, consumers can find WOLVERINE toothpaste along with SPIDER-MAN bandages, toothbrushes, and vitamins at their local drug stores. Additionally, over the years, Marvel has sold (through licensees) the following products under its trademarks: toothbrushes, toothbrush holders, toothpaste, electric toothbrushes, water jet oral care systems, bath and shower gel, anti-bacterial wipes, foaming body soap, bath fizzles, bubble bath, wash mittens, bath towels, bath mats, bath activity packages, and eau du toilette sprays.

11. A true and correct copy of a photograph of a toothbrush bearing the SPIDER-MAN mark is attached as Exhibit A.

12. A true and correct copy of a photograph of a toothbrush holder bearing the SPIDER-MAN mark is attached as Exhibit B.

13. A true and correct copy of a photograph of the packaging of toothpaste bearing the X-MEN mark is attached as Exhibit C.

14. A true and correct copy of a photograph of a battery operated electric toothbrush bearing the SPIDER-MAN mark is attached as Exhibit D.

15. A true and correct copy of a photograph of a combination toothbrush plus water jet oral care system bearing the SPIDER-MAN mark is attached as Exhibit E.

16. A true and correct copy of a photograph of a combination wash mitten and bath and body gel bearing the MARVEL HEROES mark is attached as Exhibit F.

17. A true and correct copy of a photograph of a package of anti-bacterial wipes bearing the SPIDER-MAN mark is attached as Exhibit G.

18. A true and correct copy of a photograph of a package of a three-pack of foaming body soap bearing either the SPIDER-MAN or FANTASTIC FOUR marks is attached as Exhibit H.

19. A true and correct copy of a photograph of a bath color lab set, including bubble bath, bearing the FANTASTIC FOUR mark is attached as Exhibit I.

20. A true and correct copy of a photograph of a wash mitten bearing an image of SPIDER-MAN and the SPIDER-MAN mark is attached as Exhibit J.

21. A true and correct copy of a photograph of a bath towel bearing an image of SPIDER-MAN is attached as Exhibit K.

22. A true and correct copy of a photograph of a bath mat bearing an image of SPIDER-MAN and the SPIDER-MAN mark is attached as Exhibit L.

23. A true and correct copy of a photograph of a bath activity set, including wash based crayons, bearing the SPIDER-MAN mark is attached as Exhibit M.

24. A true and correct copy of three photographs of eau du toilette spray bearing, respectively, the X-MEN, STORM, and WOLVERINE marks is attached as Exhibit N.

25. A true and correct copy of a photograph of a zip-lock bag bearing an image of Marvel characters is attached as Exhibit O.

26. A true and correct copy of an Internet page from Drugstore.com showing an electric toothbrush bearing the SPIDER-MAN mark is attached as Exhibit P.

28. A true and correct copy of an Internet page from Drugstore.com showing multiple vitamin bearing the SPIDER-MAN mark is attached as Exhibit R.

29. Marvel's exploitation of its trademarks on toiletries and cosmetics reflects a popular trend in consumer merchandising. At present, WINNIE THE POOH, TINKER BELL, LITTLE MERMAID, and NEMO are currently used on suntan lotions.

30. A true and correct copy of an Internet page from Drugstore.com showing suntan lotion bearing the TINKER BELL mark is attached as Exhibit S.

41. A true and correct copy of an Internet page from Drugstore.com showing bandages bearing a Sesame Street character mark is attached as Exhibit CC.

42. Comic books, toy figures, masquerade costumes (especially during the Halloween season), and suntan lotions can all be found at local drug stores, retail supermarket stores, big box stores like Wal Mart and Best Buy, and online.

I declare that the foregoing is true and accurate to the best of my knowledge under penalty of perjury of the laws of the United States.
