This is a notice of appeal to the United States Patent and Trademark Office against LFP IP LLC of application 78-922622. We received a notice to oppose our patent and or trademark of the name Hustlers On A Roll, we use it as HOAR. We are in the off road and desert vehicle industry where we should be able to sell clothing and other items with our idea of Hustlers On A Roll. We will not be using Hustler alone at any time or without HOAR accompanying it. With that said there will be no confusion, mistake or deception that people with believe they are buying their products or goods. Due to the fact that HOAR is otherwise associated with it's own ideas and logo, this will not reflect on the opposers items negatively at any time. Please review and respond as soon as possible. If you have any questions feel free to contact James John Edrerer, CEO of TTS Works Inc.

Thank You, TTS WORKS INC.
