Opposition No. 91176859

Grupo P.I. Mabe, S.A. de  
C.V.

v.

Televisa, S.A. de C.V.

On April 4, 2008, the parties filed applicant's proposed amendment to Class 16 of application Serial No. 78957659, with opposer's consent, and opposer's withdrawal without prejudice of the opposition, contingent upon entry of the amendment.

By the proposed amendment applicant seeks to change the identification of goods **from** "Disposable diapers; magazines in the field of child care" **to** "magazines in the field of child care."

Inasmuch as the amendment is clearly limiting in nature as required by Trademark Rule 2.71(b), and because opposer consents thereto, it is approved and entered. See Trademark Rule 2.133(a).

The contingency in opposer's withdrawal having now been met, the opposition is dismissed without prejudice.
