MAILING/E-MAILING DATE INFORMATION: If the mailing or e-mailing date of this Office action does not appear above, this information can be obtained by visiting the USPTO website at <http://tarr.uspto.gov/>, inserting the application serial number, and viewing the prosecution history for the mailing date of the most recently issued Office communication.

Serial Number 78/866376

The assigned examining attorney has reviewed the referenced application and determined the following.

Search Results

The Office records have been searched and no similar registered or pending mark has been found that would bar registration under Trademark Act Section 2(d), 15 U.S.C. §1052(d). TMEP §704.02.

However, before the mark can be published for opposition, the applicant must address the following informalities.

Recitation of Services in International Class 36

The wording "management of commercial and residential properties" in the recitation of services is unacceptable as indefinite. The applicant may amend this wording to "real estate management services, namely, management of commercial and residential properties," if accurate. TMEP §1402.11.

The applicant must clarify the recitation of services by the specific type of property be brokered. TMEP §1402.11.

The wording "finance" in the recitation of services is unacceptable as indefinite. The applicant must identify the services by common commercial name. The applicant may amend this wording to "business finance procurement services," if accurate. TMEP §1402.11.

The applicant may adopt the following recitation of services in International Class 36, if accurate: Real estate brokerage; rental of real estate; **real estate management services, namely,** management of commercial and residential properties; real estate investment; **residential and commercial** property and insurance brokerage; mortgage brokerage; and **business finance procurement services.**

General Guidelines

Please note that, while the identification of services may be amended to clarify or limit the services, adding to the services or broadening the scope of the services is not

permitted. 37 C.F.R. §2.71(a); TMEP §1402.06. Therefore, applicant may not amend the identification to include services that are not within the scope of the services set forth in the present identification.

If applicant prosecutes this application as a combined, or multiple-class application, then applicant must comply with each of the requirements below for those goods and/or services based on actual use in commerce under Trademark Act Section 1(a):

(1) Applicant must list the goods/services by international class with the classes listed in ascending numerical order;

(2) Applicant must submit a filing fee for each international class of goods and/or services not covered by the fee already paid (current fee information should be confirmed at <http://www.uspto.gov>); and

(3) For each additional class of goods and/or services, applicant must submit:

(a) dates of first use of the mark anywhere and dates of first use of the mark in commerce, or a statement that the dates of use in the initial application apply to that class; the dates of use, both anywhere and in commerce, must be at least as early as the filing date of the application;

(b) one specimen showing use of the mark for each class of goods and/or services; the specimen must have been in use in commerce at least as early as the filing date of the application;

(c) a statement that “the specimen was in use in commerce on or in connection with the goods and/or services listed in the application at least as early as the filing date of the application;” and

(d) verification of the statements in 3(a) and 3(c) in an affidavit or a signed declaration under 37 C.F.R. §2.20. (NOTE: Verification is *not* required where (1) the dates of use for the added class are stated to be the same as the dates of use specified in the initial application, or (2) the original specimens are acceptable for the added class.)

37 C.F.R. §§2.6, 2.34(a), 2.59, 2.71(c), and 2.86(a); TMEP §§810, 904.09, 1403.01 and 1403.02(c).

For assistance with identifying and classifying goods and/or services in trademark applications, please see the online searchable *Manual of Acceptable Identifications of Goods and Services* at <http://tess2.uspto.gov/netathtml/tidm.html>.

Specimen of Use Omitted

This application does not include a specimen for the identified class of services. A specimen showing use of the mark in commerce for each class of services is required for an application based on use of the mark in commerce under Trademark Act Section 1(a), 15 U.S.C. §1051(a). TMEP §904.

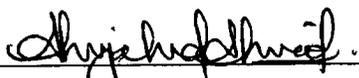

Applicant must submit (1) a specimen (i.e., an example of how applicant actually uses its mark in the sale or advertising of its services) for each class of services showing the mark

as it is used in commerce, and, (2) a statement that "the specimen was in use in commerce at least as early as the filing date of the application," verified with an affidavit or signed declaration under 37 C.F.R. §2.20. 37 C.F.R. §2.56(a); TMEP §§904.01 *et seq* 904.09.

Examples of acceptable specimens for services are signs, photographs, brochures, website printouts or advertisements that show the mark used in the sale or advertising of the services. TMEP §§1301.04 *et seq*.

The following is a sample declaration under 37 C.F.R. §2.20 with a supporting statement for a specimen:

The undersigned being warned that willful false statements and the like are punishable by fine or imprisonment, or both, under 18 U.S.C. §1001, and that such willful false statements and the like may jeopardize the validity of the application or document or any registration resulting there from, declares *that the specimen was in use in commerce at least as early as the filing date of the application*; all statements made of his/her own knowledge are true; and all statements made on information and belief are believed to be true.

RESPONSE TIME LIMIT: TO AVOID ABANDONMENT, THE OFFICE MUST RECEIVE A PROPER RESPONSE TO THIS OFFICE ACTION WITHIN 6 MONTHS OF THE MAILING OR E-MAILING DATE.

MAILING/E-MAILING DATE INFORMATION: If the mailing or e-mailing date of this Office action does not appear above, this information can be obtained by visiting the USPTO website at <http://tarr.uspto.gov/>, inserting the application serial number, and viewing the prosecution history for the mailing date of the most recently issued Office communication.

Serial Number 78/872148

The assigned examining attorney has reviewed the referenced application and determined the following.

Search Results

Information regarding pending Application Serial No. 78/866376, is enclosed. The filing date of the referenced application precedes applicant's filing date. There may be a likelihood of confusion between the two marks under Trademark Act Section 2(d), 15 U.S.C. §1052(d). If the referenced application registers, registration may be refused in this case under Section 2(d). 37 C.F.R. §2.83; TMEP §§1208 *et seq.* Therefore, upon entry of a response to this Office action, action on this case may be suspended pending final disposition of the earlier-filed application.

If applicant believes there is no potential conflict between this application and the earlier-filed application, then applicant may present arguments relevant to the issue in a response to this Office action. The election not to submit arguments at this time in no way limits applicant's right to address this issue at a later point.

The Office records have been searched and no similar *registered* mark has been found that would bar registration under Trademark Act Section 2(d), 15 U.S.C. §1052(d). TMEP §704.02. However, please be advised that the above noted potentially conflicting mark in a prior-filed pending application may present a bar to registration.

Recitation of Services

The recitation of services is unacceptable as indefinite. The applicant may adopt the following recitation, if accurate: Mortgage lending services. TMEP §1402.11.

Please note that, while an application may be amended to clarify or limit the identification, additions to the identification are not permitted. 37 C.F.R. §2.71(a); TMEP §1402.06. Therefore, the applicant may not amend to include any services that are not within the scope of the services recited in the present identification.

Disclaimers

The applicant must disclaim the descriptive wording "Mortgage" apart from the mark as shown. Trademark Act Section 6, 15 U.S.C. §1056; TMEP §§1213 and 1213.03(a). The wording is merely descriptive because mortgages are the subject matter of the services.

The computerized printing format for the *Trademark Official Gazette* requires a standard form for a disclaimer. TMEP §1213.08(a)(i). A properly worded disclaimer should read as follows:

No claim is made to the exclusive right to use Mortgage, apart from the mark as shown.

See In re Owatonna Tool Co., 231 USPQ 493 (Comm'r Pats. 1983).

A disclaimer does *not* remove the disclaimed matter from the mark. It is simply a statement that the applicant does not claim exclusive rights in the disclaimed wording or design apart from the mark as shown in the drawing.

Signed Declaration Required

The application was not signed and verified, which are application requirements. 15 U.S.C. §§1051(a)-(b), 1126(d)-(e), 1141f(a); 37 C.F.R. §§2.33-2.34. Therefore, applicant must verify, in an affidavit or signed declaration under 37 C.F.R. §2.20, the facts set forth in the application.

The application was not signed and verified, which are application requirements. 15 U.S.C. §§1051(a)-(b), 1126(d)-(e), 1141f(a); 37 C.F.R. §§2.33-2.34. Therefore, applicant must verify, in a signed affidavit or declaration under 37 C.F.R. §2.20, the following statement: **“Applicant has had a bona fide intention to use the mark in commerce on or in connection with the goods and/or services listed in the application as of the filing date, and the facts set forth in the application are true and correct.”** 37 C.F.R. §2.193(c)(1)(iii); TMEP §804.02.

OFFICE ACTION

RESPONSE TIME LIMIT: TO AVOID ABANDONMENT, THE OFFICE MUST RECEIVE A PROPER RESPONSE TO THIS OFFICE ACTION WITHIN 6 MONTHS OF THE MAILING OR E-MAILING DATE.

MAILING/E-MAILING DATE INFORMATION: If the mailing or e-mailing date of this Office action does not appear above, this information can be obtained by visiting the USPTO website at <http://tarr.uspto.gov/>, inserting the application serial number, and viewing the prosecution history for the mailing date of the most recently issued Office communication.

Serial Number 78/871883

The assigned examining attorney has reviewed the referenced application and determined the following.

Search Results

Information regarding pending Application Serial No. 78/866376, is enclosed. The filing date of the referenced application precedes applicant's filing date. There may be a likelihood of confusion between the two marks under Trademark Act Section 2(d), 15 U.S.C. §1052(d). If the referenced application registers, registration may be refused in this case under Section 2(d). 37 C.F.R. §2.83; TMEP §§1208 *et seq.* Therefore, upon entry of a response to this Office action, action on this case may be suspended pending final disposition of the earlier-filed application.

If applicant believes there is no potential conflict between this application and the earlier-filed application, then applicant may present arguments relevant to the issue in a response to this Office action. The election not to submit arguments at this time in no way limits applicant's right to address this issue at a later point.

The Office records have been searched and no similar *registered* mark has been found that would bar registration under Trademark Act Section 2(d), 15 U.S.C. §1052(d). TMEP §704.02. However, please be advised that the above noted potentially conflicting mark in a prior-filed pending application may present a bar to registration.

Recitation of Services

The recitation of services is unacceptable as indefinite. The applicant may adopt the following recitation, if accurate: Mortgage lending services. TMEP §1402.11.

Please note that, while an application may be amended to clarify or limit the identification, additions to the identification are not permitted. 37 C.F.R. §2.71(a); TMEP §1402.06. Therefore, the applicant may not amend to include any services that are not within the scope of the services recited in the present identification.

Disclaimers

The applicant must disclaim the descriptive wording "Mortgage" apart from the mark as shown. Trademark Act Section 6, 15 U.S.C. §1056; TMEP §§1213 and 1213.03(a). The wording is merely descriptive because mortgages are the subject matter of the services.

The computerized printing format for the *Trademark Official Gazette* requires a standard form for a disclaimer. TMEP §1213.08(a)(i). A properly worded disclaimer should read as follows:

No claim is made to the exclusive right to use Mortgage, apart from the mark as shown.

See In re Owatonna Tool Co., 231 USPQ 493 (Comm'r Pats. 1983).

A disclaimer does *not* remove the disclaimed matter from the mark. It is simply a statement that the applicant does not claim exclusive rights in the disclaimed wording or design apart from the mark as shown in the drawing.

Signed Declaration Required

The application was not signed and verified, which are application requirements. 15 U.S.C. §§1051(a)-(b), 1126(d)-(e), 1141f(a); 37 C.F.R. §§2.33-2.34. Therefore, applicant must verify, in an affidavit or signed declaration under 37 C.F.R. §2.20, the facts set forth in the application.

The application was not signed and verified, which are application requirements. 15 U.S.C. §§1051(a)-(b), 1126(d)-(e), 1141f(a); 37 C.F.R. §§2.33-2.34. Therefore, applicant must verify, in a signed affidavit or declaration under 37 C.F.R. §2.20, the following statement: **“Applicant has had a bona fide intention to use the mark in commerce on or in connection with the goods and/or services listed in the application as of the filing date, and the facts set forth in the application are true and correct.”** 37 C.F.R. §2.193(c)(1)(iii); TMEP §804.02.

If applicant responds to this Office action via TEAS, applicant may satisfy this requirement by adding the required statement (specified immediately above) to the TEAS response form, checking the box for a “signed declaration,” and properly signing the form by either (1) choosing an electronic signature consisting of any combination of letters, numbers, spaces and/or punctuation marks, preceded and followed by the forward slash (/) symbol (e.g., /johndoe/), and entering this in the signature block on the response form, or (2) attaching a JPG or PDF image of a declaration under 37 C.F.R. §2.20 (see declaration paragraph below) together with a pen-and-ink signature. TMEP §804.05.

If applicant responds to this Office action on paper, via regular mail, applicant may satisfy this requirement by providing the following declaration at the end of the response, properly signed and dated:

The undersigned, being hereby warned that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001, and that such willful false statements and the like may jeopardize the validity of the application or any resulting registration, declares that he/she is properly authorized to execute this application on behalf of the applicant; he/she believes the applicant to be entitled to use such mark in commerce; that *applicant has had a bona fide intention to use the mark in commerce on or in connection with the goods and/or services listed in the application as of the filing date; that the facts set forth in the application are true and correct*; that to the best of his/her knowledge and belief no other person, firm, corporation, or association has the right to use the mark in commerce, either in the identical form thereof or in such near resemblance thereto as to be likely, when used on or in connection with the goods/services of such other person, to cause confusion, or to cause mistake, or to deceive; and that all statements made of his/her own knowledge are true and all statements made on information and belief are believed to be true.

NOTICE OF SUSPENSION

ISSUE/MAILING DATE: 3/5/2008

SUSPENSION PROCEDURE: This suspension notice serves to suspend action on the application for the reason(s) specified below. No response is needed. However, if you wish to respond to this notice, you should use the "Response to Letter of Suspension" form found at <http://teasroa.uspto.gov/rsi/rsi>. The Office will conduct periodic status checks to determine if suspension remains appropriate.

The examining attorney has searched the Office records and has found no similar registered mark that would bar registration under Trademark Act Section 2(d), 15 U.S.C. §1052(d). TMEP §704.02.

Action on this application is suspended pending the disposition of:

- Application Serial No(s). **78871883 and 78872148**

Since applicant's effective filing date is subsequent to the effective filing date of the above-identified application(s), the latter, if and when it registers, may be cited against this application in a refusal to register under Section 2(d) of the Trademark Act, 15 U.S.C. §1052(d). See 37 C.F.R. §2.83; TMEP §§1208 et seq. A copy of information relevant to this pending application(s) **was sent previously**.

Applicant may submit a request to remove the application from suspension to present arguments related to the potential conflict between the relevant application(s) or other arguments related to the ground for suspension. TMEP §716.03. Applicant's election not to present arguments during suspension will not affect the applicant's right to present arguments later should a refusal in fact issue. If a refusal does issue, applicant will be afforded 6 months from the mailing or e-mailing date of the Office action to submit a response. 15 U.S.C. §1062(b); 37 C.F.R. §2.62.

The following refusal(s)/requirement(s) is/are continued and maintained: Applicant must indicate what is the basis for registration of **financial consultancy, real estate management and advisory services relating thereto**. The filing basis of the application is unclear for those services. 37 C.F.R. §2.32(a)(5); TMEP §806.

OFFICE ACTION

TO AVOID ABANDONMENT, THE OFFICE MUST RECEIVE A PROPER RESPONSE TO THIS OFFICE ACTION WITHIN 6 MONTHS OF THE ISSUE/MAILING DATE.

ISSUE/MAILING DATE: 9-12-2007

The assigned trademark examining attorney has reviewed the referenced application and has determined the following:

PRIOR MARKS

Information regarding pending Application Serial Nos. 78/871883 and 78/872148 is enclosed. The filing dates of the referenced applications precede applicant's filing date. There may be a likelihood of confusion under Trademark Act Section 2(d) between applicant's mark and the referenced marks. If one or more of the referenced applications registers, registration may be refused in this case under Section 2(d). 37 C.F.R. §2.83; TMEP §§1208 *et seq.* Therefore, upon entry of a response to this Office action, action on this case may be suspended pending final disposition of the earlier-filed applications.

If applicant believes that there is no potential conflict between this application and the earlier-filed applications, then applicant may present arguments relevant to the issue in a response to this Office action. The election not to submit arguments at this time in no way limits applicant's right to address this issue at a later point.

DATES OF FIRST USE

Applicant has provided a statement that all of the services have not been in use in commerce. An applicant may not claim a §1(a) basis unless the mark was in use in commerce on or in connection with all the services covered by the §1(a) basis as of the application filing date. 37 C.F.R. §2.34(a)(1)(i). *Cf. E.I. du Pont de Nemours & Co. v. Sunlyra International, Inc.*, 35 USPQ2d 1787, 1791 (TTAB 1995).

Applicant must indicate what is the basis for registration of **financial consultancy, real estate management and advisory services relating thereto**. The filing basis of the application is unclear for those services. 37 C.F.R. §2.32(a)(5); TMEP §806. An application may be filed based on any of the following:

- (1) **Use of the mark in commerce** under Trademark Act Section 1(a), 15 U.S.C. §1051(a) (TMEP §806.01(a));
- (2) **A bona fide intention to use the mark in commerce** under Trademark Act Section 1(b), 15 U.S.C. §1051(b) (TMEP §806.01(b));
- (3) A claim of **priority**, based on a **foreign application** filed within six months of the U.S. application, under Trademark Act Section 44(d), 15 U.S.C. §1126(d) (TMEP §806.01(c)); and/or
- (4) A **foreign registration** of a mark in the applicant's country of origin under Trademark Act Section 44(e), 15 U.S.C. §1126(e) (TMEP §806.01(d)).

Therefore, applicant must (1) amend the application to clearly specify filing basis for financial consultancy, real estate management and advisory services relating thereto, and (2) satisfy all the requirements for the basis or bases asserted. TMEP §806.

Depending on the circumstances, applicant may be entitled to assert more than one basis for filing. In

such a case, applicant must: (1) satisfy all requirements for each basis claimed; (2) clearly indicate that it is claiming more than one basis, and (3) separately list each basis, followed by the services to which that basis applies. *See* 37 C.F.R. §2.34. TMEP §§806.02 *et seq.*

Although multi-basis applications are permitted, applicant may not assert both use in commerce and intent to use for the same goods or services. 37 C.F.R. §2.34(b)(1); TMEP §806.02(b).

SEARCH

The Office records have been searched and no similar *registered* mark has been found that would bar registration under Trademark Act Section 2(d), 15 U.S.C. §1052(d). TMEP §704.02. However, please be advised that potentially conflicting marks in prior-filed pending applications may present a bar to registration.

Further action awaits response by the applicant to the above.

Subject: Notice of Pseudo Mark for Serial Number: 77195561

ATTORNEY REFERENCE NUMBER: 16455.0001

The USPTO may assign pseudo marks, as appropriate, to new applications to assist in searching the USPTO database for conflicting marks. They have no legal significance and will not appear on the registration certificate. A PSEUDO MARK may be assigned to marks that include words, numbers, compound words, symbols, or acronyms that can have alternative spellings or meanings. For example, if the mark comprises the words 'YOU ARE' surrounded by a design of a box, the pseudo mark field in the USPTO database would display the mark as 'YOU ARE SQUARE'. A mark filed as 'URGR8' would receive a pseudo mark of 'YOU ARE GREAT'. You are not required to respond to this notice. However, if you would like to suggest additions or changes to the pseudo mark assigned to your mark, please send an email to TMDesignCodeComments@USPTO.GOV or call 1-800-786-9199 to speak to a Customer Service representative. No fee is necessary. (Please include the serial number of your application on ALL correspondence with the USPTO.) The USPTO will review your request and update the record if appropriate. The USPTO will not send any further response to your e-mail. Check TESS in approximately two weeks to see if the requested changes have been entered. Requests deemed unnecessary or inappropriate will not be entered. **Pseudo marks assigned to the referenced serial number are listed below.**
