APPLICANT'S SUBMISSION OF EVIDENCE TO BE REFERENCED IN FINAL PLEADING

Bryan Broehm, Applicant, would like to have the following images entered as evidence to be referenced in Applicant's final pleading. The images in Exhibit 'A' were collected from the Internet website, http://www.kerruso.com., on or before August 26, 2008. This evidence is relevant to the Applicant's case in that it provides examples of other Christian clothing designs that have utilized other prior registered trademarks as inspiration for their designs.

The images in Exhibit 'B' are the applicant's other designs which the Applicant desires to market under the 'Holy-DivineSon' mark.

The images in Exhibit 'C' were collected from various sources (Internet addresses listed) on various times and dates prior to August 26, 2008, and from personal photographs taken by the Applicant. This evidence is relevant in that it shows other designs that very closely and/or exactly copy the Opposer's bar and shield logo.
