MERCHANDISING GUIDELINES

NORDIC SPORT

9.15

Nordic 9/15: Apres-ski at it's finest, Nordic's color story centers on black and flame red. Hits of colors are featured in unexpected places such as zipper pulls and pocket flaps. Nordic offers beautifully detailed sweaters, a variety of printed and textured wovens and great outerwear with functional details. This updated collection incorporates comfortable dressy elements, as well as casual styles to fit every need.

SPORTSWEAR KEY ITEM

9.15, 10/15

Key Item 9/15: Always "essential Nautica," key items can enhance a fashion delivery or stand alone as another lifestyle presentation. Woven offerings are in updated fabrics, plaids and now feature new collar treatments. Sweaters include a cotton milano stitch, stretch lambswool, and cotton with wool inset-stripe. New knits incorporate stretch fabrics. Pants incorporate fashion denim in various weights and washes, distressed corduroy, active silhouettes and dressier wool bottoms. Outerwear options finish the story with both vests and a reversible model.

COMPETITION - GYM

9.15

Competition Gym 9/15: Gym lifestyle is actual workout wear and the additional components that the Nautica man wears to and from the gym. Mix and match elements in this group, with core colors of red, white and blue. Active knits create many lifestyle options. Outerwear features active styling in both bomber lengths and in a stadium length down jacket.
