v.

Novanitek, Inc.

Cheryl Butler, Attorney, Trademark Trial and Appeal Board:

On February 2, 2008, applicant filed a proposed amendment to its application Serial No. 78709886, with opposer's consent. In accordance with settlement, applicant informs the Board that opposer will file a withdrawal with prejudice of the opposition, contingent upon entry of the amendment.

By the proposed amendment applicant seeks to change the identification of goods in International Class 7

from:

"Gears and enclosed drives for industrial machinery"

to the following:

"Gears and enclosed drives for industrial machinery, namely oilfield pumping units."

Inasmuch as the amendment is clearly limiting in nature as required by Trademark Rule 2.71(b), and because opposer consents thereto, it is approved and entered. See Trademark Rule 2.133(a).

Opposition No. 91177296

If this resolves the dispute herein, opposer is allowed until **THIRTY DAYS** from the mailing date of this order to file a withdrawal of the opposition, failing which the opposition will be dismissed with prejudice, in accordance with the settlement terms recited by applicant.
