v.

RCI TM CORP.

In an order dated December 21, 2007, the Board abandoned applicant's application Serial No. 78865211 without prejudice and dismissed the opposition without prejudice. It has come to the Board's attention, however, that application Serial No. 78968692 was also subject to the opposition and that applicant's withdrawal filed on December 18, 2007 also sought abandonment of said application without prejudice.

In view thereof, the Board's December 21, 2007 order is modified to the extent that application Serial Nos. 78865211 and 78968692 both stand abandoned without prejudice, and the opposition is dismissed without prejudice. See Trademark Rule 2.135.
