conclusion of the suspension period, proceedings shall resume without further notice or order from the Board, upon the schedule set out in opposer's motion.

In each instance, a copy of the transcript of testimony together with copies of documentary exhibits, must be served on the adverse party within thirty days after completion of the taking of testimony. Trademark Rule 2.125.

Briefs shall be filed in accordance with Trademark Rule 2.128(a) and (b). An oral hearing will be set only upon request filed as provided by Trademark Rule 2.129.

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.

Additionally, the parties are reminded that all further requests for extension or suspension of time must be accompanied by a report on the progress of the parties' settlement talks to establish good cause for any continued extension or suspension.

This report should include: a recitation of issues that have been resolved; issues that remain to be resolved; and a firm timetable for resolution. Absent such a report, the Board will look with disfavor on any future motions to extend or suspend, even those stipulated to by the parties.
