Dear Ms. Byrne:

This will confirm our telephone conversation of October 24, 2007, wherein you graciously granted Sawgrass Technologies, Inc. a one month extension until November 24, 2007, to file a responsive pleading. After looking at the calendar, it appears that November 24, 2007, is on a Saturday, and if I may, I will assume that the responsive pleading is due on Monday, November 26, 2007, which is the Monday after Thanksgiving.

We will submit a proposal to settle and resolve this matter with an amendment to the goods identification restricting the goods to digital printing, since our client's goods are restricted to this market. I will discuss the issue that you raised regarding tradeshows with my Client after it returns from the tradeshow that it is attending in Orlando this week.

With kind regards, I am,

Very truly yours,

B. Craig Killough
