Opposition No. 91180535

WiMAX Forum

v.

AirTegrity Wireless, Inc.

Frances S. Wolfson, Interlocutory Attorney:

On February 13, 2008, the Board directed applicant to provide signed copies of (1) its answer and (2) its response to the notice of default.

A signed copy of the answer was filed. However, the signatory, Gregory W. Phillips, is not identified as being an officer of applicant corporation. Applicant must confirm that Mr. Phillips is an officer of the corporation or otherwise prove that he is an authorized representative pursuant to the Trademark Rules of Practice. See Trademark Rules 2.119(e) and 10.14(e); and TBMP § 106.02 (2d ed. rev. 2004).

A signed copy of applicant's response to the notice of default was *not* filed. An unsigned copy, submitted by Greg Felton, applicant's Chief Operating Officer, was filed. Applicant must submit a copy of Mr. Felton's response, bearing Mr. Felton's signature.

Applicant is allowed until TWENTY DAYS from the mailing date of this order to provide the requested information and document, failing which the Board may enter judgment against applicant for its failure to comply with the Board's orders. Applicant is advised that the Board does not accept facsimile transmissions (unless specifically authorized in advance by the Board, which has not occurred in this case).

Proceedings are otherwise herein suspended. When proceedings are resumed, the Board may reset conferencing, disclosure, discovery and trial dates.
