American Deli Plus, Inc.

v.

Clean Pass of Atlanta

Angela Campbell, Paralegal Specialist:

Applicant's motion for extension of time to answer the notice of opposition filed January 11, 2008 was not consented to by counsel for opposer, nor does it include proof of service as required by Trademark Rule 2.119(a) on Counsel for opposer.

Accordingly, applicant has thirty days from the mailing date of this order in which to provide the Board with proof of service of the motion upon opposer of its January 11, 2008 motion, failing which the motion will receive no consideration.

Trial dates, including conferencing and disclosure dates, remain as set in the Board's institution order.
