Tiffany (NJ) Inc.

v.

Tiffany C. Koury

Frances S. Wolfson, Interlocutory Attorney:

The parties' stipulated motion (filed February 14, 2008) to amend applicant's answer is granted. Applicant's amended answer is accepted and entered into the record.

The Board notes that the parties specifically indicate that "deadlines or schedules" have not been affected by the filing of applicant's answer. Accordingly, and because the motion to amend applicant's answer was filed after the opening of the discovery period, disclosure, discovery and trial dates remain as set.
