Opposition No. 91181975

Joanna Villeneuve and  
Melanie Villeneuve

v.

Goldstar Holdings Corp

**Robert H. Coggins,  
Interlocutory Attorney:**

Opposers' motion to suspend (filed December 15, 2010) is granted as conceded and as well-taken.<sup>1</sup> Trademark Rules 2.117(c) and 2.127(a). Because the parties are finalizing settlement of this case, proceedings herein are suspended retroactively until six months from the filing date of opposer's motion, subject to the right of either party to request resumption at any time.

---

<sup>1</sup> Applicant's change of correspondence address (filed June 27, 2010) is noted and entered. Applicant is advised that it may file changes of correspondence address using the "change of address" form wizard in ESTTA. By selecting the "change of address" form in the "type of filing" drop-down box, a party may automatically enter its updated address into the TTABVUE system.

Opposers' motion includes a certificate of service using applicant's former address. However, the Board notes that applicant failed to indicate both the date and manner in which service of its change of correspondence was made upon opposers, as required by Trademark Rule 2.119(a). In view thereof, the Board does not accept applicant's statement as prima facie proof of service. Opposers may view a copy of applicant's filing at: <http://ttabvueint.uspto.gov/ttabvue/v?pno=91181975&pty=OPP&eno=31>

In the event that there is no word from either party concerning the progress of their negotiations, proceedings will resume on the following schedule without further notice from the Board.

Proceedings Resume	6/15/2011
Plaintiff's Pretrial Disclosures	6/30/2011
Plaintiff's 30-day Trial Period Ends	8/14/2011
Defendant's Pretrial Disclosures	8/29/2011
Defendant's 30-day Trial Period Ends	10/13/2011
Plaintiff's Rebuttal Disclosures	10/28/2011
Plaintiff's 15-day Rebuttal Period Ends	11/27/2011

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.

The parties are reminded of the continuing requirement to support any future motion to extend or suspend with a detailed progress report on the parties' settlement.
