Opposition No. 91182278

General Cable Technologies  
Corporation  
v.

Hitachi Cable, Ltd.

On March 5, 2008, applicant filed its proposed amendment to its application Serial No. 77042735, with opposer's consent, and opposer's withdrawal of the opposition with prejudice, contingent upon entry of the amendment.

By the proposed amendment applicant seeks to delete all of the goods in International Class 9, which are the only goods opposed in this proceeding. In an opposition to an application having multiple classes, if the applicant files a request to amend the application to delete an opposed class, the request for amendment is, in effect, an abandonment of the application with respect to that class, and is governed by Trademark Rule 2.135. Under Trademark Rule 2.135, the application stands abandoned as to Class 9 only and the opposition is dismissed with prejudice.

Application Serial No. 77042734 will proceed to registration in International Classes 1, 6 and 17.
