**NOTICE OF OPPOSITION**

Eden Foods, Inc., a Michigan corporation, with principal offices located at 701 Tecumseh Road, Clinton, Michigan 49236 (hereinafter "Opposer"), hereby opposes registration of application Ser. No. 77/215,401 – EDEN GARDEN SEEDS for "packet flower seeds, packet garden seeds, packet vegetable seeds and packet herb seeds," in International Class 31, filed June 26, 2007, by LVS Trading, Inc. ("Applicant"), and published for purposes of opposition in the Official Gazette dated December 4, 2007.

Opposer will be damaged by the registration of the subject application and puts forth the following grounds for opposition:

1. Opposer is a leading producer of natural and organic food and beverage products sold under a variety of trademarks consisting in whole or part of the brand name EDEN.
2. Opposer adopted and commenced use of the EDEN name as a trademark in connection with food and beverage products over thirty years ago and has used the EDEN name as a trademark continuously and without interruption to the present day.

3. Opposer uses the EDEN name in connection with dietary supplements and through its licensee, Eden Bioscience Corporation, in connection with various agricultural products and services.

4. Opposer also renders services to growers, including consulting services regarding seed planting; provides growers with seed stocks for beans and other plants; and analyzes seed germination on behalf of growers.

5. Opposer's EDEN brand products are sold throughout the United States through virtually all types of merchandising outlets, including, but not limited to, national and regional supermarket chains, local grocery stores, food cooperatives, health food stores, convenience stores and department stores. Opposer's products also are available through mail order outlets and via the Internet.

6. Opposer's EDEN brand products are sold to local, regional and national distributors for resale to retail outlets; to institutional purchasers; directly to retail outlets for resale to consumers; and directly to consumers through Opposer's website at <[www.edenfoods.com](http://www.edenfoods.com)>.

7. Over the years, Opposer has developed a family of EDEN marks, including, EDEN, EDEN FOODS, EDENEWS, EDEN SPRINGS and EDEN RANCH (collectively the "Eden Marks").

8. Based on Opposer's extensive, exclusive and continuous use of the EDEN Marks in connection with the foregoing, the EDEN Marks have come to be widely recognized among the consuming public as designators of origin with respect to Opposer's goods and services.

9. The strength of Opposer's EDEN Marks has been expressly recognized by the Trademark Trial and Appeal Board in the following two decisions:

(a) In *Eden Foods, Inc. v. Ficel Marketing Corp.*, Opposition No. 107,487 (June 28, 2000), Opposer successfully challenged registration of the designation EDAN VALLEY for a variety of food and beverage products. The Board found EDEN strong in its field.

(b) In *Eden Foods, Inc. v. Thomas Brenkwitz, d/b/a Brenkwitz Farms*, Opposition No. 91151474 (June 16, 2005), Opposer successfully opposed registration of the designation EDEN GARDEN & Design for "fresh fruits." In upholding the opposition, the Board recognized Opposer's family of EDEN marks and again found EDEN strong and entitled to a broad scope of protection.

10. Opposer is the owner of all right, title and interest in and to the following federal registrations, which presently are valid and subsisting in law (photocopies are attached as Exhibit

11. Those of the above-listed registrations which are more than five years old have become incontestable as to all goods listed therein and are conclusive evidence of the validity of the registered mark, Opposer's ownership thereof and of Opposer's exclusive right to use the mark in commerce on or in connection with the goods identified in the registration, as provided by Section 33(b) of the Lanham Act, 15 U.S.C. § 1115(b).

12. Opposer has invested substantial sums advertising and promoting the sale of its goods under its family of EDEN Marks. Based on Opposer's extensive, exclusive and continuous use of its EDEN Marks, the relevant consuming public has come to recognize the EDEN Marks as being used by Opposer and to associate and identify the EDEN Marks with Opposer. Opposer has obtained and enjoys an exceedingly valuable reputation and goodwill symbolized by the EDEN Marks.

13. Opposer's adoption and first use of EDEN precede both the applicant's identified dates of first use of the EDEN GARDEN SEED designation and the filing date of the opposed application by a significant period of time.

14. On information and belief, Applicant has adopted and commenced use of the designation EDEN GARDEN SEEDS in connection with the goods identified in the opposed application.

15. The goods identified in the opposed application are at least closely related to Opposer's goods and services provided under Opposer's EDEN Marks and are not restricted as to types of customers or channels of trade.

16. The designation EDEN GARDEN SEEDS so resembles Opposer's EDEN marks as to be likely, when applied to Applicant's goods, to cause confusion, mistake and to deceive.

17. Any defect, objection or fault found with any product sold under the designation EDEN GARDEN SEEDS would injure the exceedingly valuable reputation and goodwill that Opposer has established for its products and services sold under its family of EDEN Marks.

18. Applicant's proposed designation EDEN GARDEN SEEDS is confusingly similar to Opposer's EDEN Marks, so that its registration by Applicant would be inconsistent with and damaging to Opposer's prior and exclusive rights in its EDEN Marks in connection with the goods and services with which they are used.

19. Opposer will be damaged by the registration of EDEN GARDEN SEEDS.

WHEREFORE, Opposer prays that its opposition be sustained and that Application Ser. No. 77/215,401 be denied registration.

This opposition is being filed by the undersigned attorneys at law, duly authorized to represent Opposer in this proceeding, pursuant to Trademark Rule 2.101(b).

Respectfully submitted,

EDEN FOODS, INC.
