Alpha 6 Distributions LLC

v.

David H. Brown, d/b/a
Alliance Skateboards

Applicant's consented "motion to dismiss without prejudice," filed March 23, 2012, is noted. Therein, the parties seek to dismiss the opposition, without prejudice and with applicant's consent, as well as the counterclaims, without prejudice and with opposer's consent. However, applicant failed to serve the filing in violation of Trademark Rule 2.119, and, accordingly, a copy thereof is included with opposer's mailed copy of this order. In any event, the opposition and counterclaims are both hereby dismissed without prejudice, pursuant to the parties' agreement.
