On November 14, 2006, Applicant filed a trademark application for SOUTHERN ILLINOIS MINERS & Design in International Classes 16, 25 and 41 (Serial No. 77043344). UT timely filed Opposition No. 91183698 on April 23, 2008.

During an email exchange between Louis T. Pirkey, counsel for UT, and Patricia S. Thompson, counsel for Applicant, Applicant agreed the consolidation of these proceedings and stipulated to the filing of this motion.

The parties further agreed to extend Applicant's deadline to file and serve its answer to the consolidated opposition proceeding until June 2, 2008.

Based on the foregoing, UT and Applicant request that the Board: (1) consolidate the opposition proceedings captioned above, and (2) reset Applicant's deadline to file its answer to the consolidated oppositions until June 2, 2008.

Respectfully submitted,

Date: May 5, 2008
