Opposer,

v.

ROBERT VICTOR MARCON,

Applicant.

Opposition No. 91184456

ORAL ARGUMENT REQUESTED

OPPOSER'S NOTICE OF RELIANCE

(Part 1)

Pursuant to Trademark Trial and Appeal Board Manual of Procedure ("TBMP") § 704.02 and 37 CFR §§ 2.120 and 2.122, L'Oréal S.A. and L'Oréal USA Creative, Inc. (collectively, "L'Oréal" or "Opposer") hereby offers into evidence and intends to rely on the following:

1. Pursuant to 37 C.F.R. § 2.123(b), the parties have stipulated that testimony may be received in the form of declarations. The parties' stipulation is attached hereto as **Opposer's Exhibit A.**

2. Pursuant to 37 C.F.R. § 2.123(b), the parties have stipulated that all documents printed from the USPTO Web site relating to federal trademark applications owned by Robert Victor Marcon ("Applicant") may be made of record and relied on as evidence by submitting such

records through a notice of reliance. The parties' stipulation is attached hereto as **Opposer's Exhibit B.**

3. Documents regarding Applicant's federal applications, printed from the USPTO Web site on June 6, 2010, which are attached hereto as Opposer's Exhibit C.

- a. **Opposer's Exhibit C-1:** Search results from the USPTO TESS system for federal applications filed by Applicant.
- b. **Opposer's Exhibit C-2:** A copy of Applicant's Application Serial No. 78/288,366 for HEINEKEN for "water, still water, mineral water spring water, aerated water carbonated water sparkling water, ice water, iceberg water, ice, crushed ice, juices, flavored drinks (except beverages based on coffee, tea, or cocoa and milk beverages), nutrient drinks, non-alcoholic beverages, preparations for making beverages, syrups" in International Class 32, as originally filed on August 17, 2003 under § 1(b) and § 44(d); the initial Office action that issued with respect to that application; and a printout of the TARR status for such application, as amended, for "meat juices" in International Class 29.
- c. **Opposer's Exhibit C-3:** A copy of Applicant's Application Serial No. 78/288,368 for SOUTHERN COMFORT for "beer, water, still water, mineral water, spring water, aerated water, carbonated water, sparkling water, ice water, iceberg water, ice, crushed ice, juices, flavored drinks (except beverages based on coffee, tea, or cocoa and milk beverages), nutrient drinks, non-alcoholic beverages, preparations for making beverages, syrups" in International Class 32, as originally filed on August 17, 2003 under § 1(b) and § 44(d); the initial Office

action that issued with respect to that application; and a printout of the TARR status for such application.

d. **Opposer's Exhibit C-4:** A copy of Applicant's Application Serial No.

78/288,367 for ABSOLUT for "beer, water, still water, mineral water, spring water, aerated water, carbonated water, sparkling water, ice water, iceberg water, ice, crushed ice, juices, flavored drinks (except beverages based on coffee, tea, or cocoa and milk beverages), nutrient drinks, non-alcoholic beverages, preparations for making beverages, syrups" in International Class 32, as originally filed on August 17, 2003 under § 1(b) and § 44(d); the initial Office action that issued with respect to that application; and a printout of the TARR status for such application.

e. **Opposer's Exhibit C-5:** A copy of Applicant's Application Serial No.

78/288,365 for FINLANDIA for "water, still water, mineral water spring water, aerated water carbonated water sparkling water, ice water, iceberg water, ice, crushed ice, juices, flavored drinks (except beverages based on coffee, tea, or cocoa and milk beverages), nutrient drinks, non-alcoholic beverages, preparations for making beverages, syrups" in International Class 32, as originally filed on August 17, 2003 under § 1(b) and § 44(d); the initial Office action that issued with respect to that application; and a printout of the TARR status for such application.

f. **Opposer's Exhibit C-6:** A copy of Applicant's Application Serial No.

78/288,364 for COORS for "water, still water, mineral water spring water, aerated water carbonated water sparkling water, ice water, iceberg water, ice, crushed ice, juices, flavored drinks (except beverages based on coffee, tea, or

cocoa and milk beverages), nutrient drinks, non-alcoholic beverages, preparations for making beverages, syrups” in International Class 32, as originally filed on August 17, 2003 under § 1(b) and § 44(d); the initial Office action that issued with respect to that application; and a printout of the TARR status for such application, as amended, for “meat juices, and meat juice concentrates” in International Class 29.

g. **Opposer’s Exhibit C-7:** A copy of Applicant’s Application Serial No.

78/288,361 for BUDWEISER for “water, still water, mineral water, spring water, aerated water, carbonated water, sparkling water, ice water, iceberg water, ice, crushed ice, juices, flavored drinks (except beverages based on coffee, tea, or cocoa and milk beverages), nutrient drinks, non-alcoholic beverages, preparations for making beverages, syrups” in International Class 32, as originally filed on August 17, 2003 under § 1(b) and § 44(d); the initial Office action that issued with respect to that application; and a printout of the TARR status for such application.

h. **Opposer’s Exhibit C-8:** A copy of Applicant’s Application Serial No.

78/288,359 for JACK DANIEL’S for “beer, water, still water, mineral water, spring water, aerated water, carbonated water, sparkling water, ice water, iceberg water, ice, crushed ice, juices, flavored drinks (except beverages based on coffee, tea, or cocoa and milk beverages), nutrient drinks, non-alcoholic beverages, preparations for making beverages, syrups” in International Class 32, as originally filed on August 17, 2003 under § 1(b) and § 44(d); the initial Office action that issued with respect to that application; and a printout of the TARR status for such application, as amended, for “meat juices, and broth comprising meat

juices; preparations for making bouillon, and bouillon cubes” in International Class 29 and for “beer, water, still water, mineral water, spring water, aerated water, carbonated water, sparkling water, ice water, iceberg water, ice, crushed ice, juices, flavored drinks (except beverages based on coffee, tea, or cocoa and milk beverages), nutrient drinks, non-alcoholic beverages, preparations for making beverages, syrups” in International Class 32.

- i. **Opposer’s Exhibit C-9:** A copy of Applicant’s Application Serial No. 78/288,358 for DOM PERIGNON for “beer, water, still water, mineral water, spring water, aerated water, carbonated water, sparkling water, ice water, iceberg water, ice, crushed ice, juices, flavored drinks (except beverages based on coffee, tea, or cocoa and milk beverages), nutrient drinks, non-alcoholic beverages, preparations for making beverages, syrups” in International Class 32, as originally filed on August 17, 2003 under § 1(b) and § 44(d); the initial Office action that issued with respect to that application; and a printout of the TARR status for such application, as amended, for “meat juices, and broth comprising meat juices” in International Class 29.
- j. **Opposer’s Exhibit C-10:** A copy of Applicant’s Application Serial No. 78/230,510 for ABSOLUT WATER for “aerated water, mineral water, spring water, bottled water, aerated water, mineral water, spring water, bottled water, aerated water, mineral water, spring water, bottled water” (sic) in International Class 32, as originally filed on March 26, 2003 under § 1(b), § 44(d), and § 44(e); the initial Office action that issued with respect to that application; and a printout of the TARR status for such application.

- k. **Opposer's Exhibit C-11:** A copy of Applicant's Application Serial No. 76/596,736 for L'OREAL PARIS for "(a) perfumes and fragrances; (b) vitamin, mineral, and herbal supplements, and combinations thereof; (c) aloe vera drinks; (d) shaving balms, lotions, creams, and soaps; and (e) topical skin balms, namely; sunscreens, tanning balms, lotions, creams, combinations thereof; (f) candles, both plain and scented; and (g) shaving implements" in International Class 5, as originally filed on June 9, 2004 under § 1(b) and § 44(d); the initial Office action that issued with respect to that application; and a printout of the TARR status for such application, as amended, for "aloe vera drinks" in International Class 32.
- l. **Opposer's Exhibit C-12:** A copy of Applicant's Application Serial No. 76/596,737 for BAYER for "(a) Vitamin, mineral, and herbal supplements, and combinations thereof; (b) Dental products, namely; toothbrushes, toothpaste, dental floss, floss wands, mouthwash, dental whitening strips and pastes, dental desensitizing strips and pastes, and aerosol breath fresheners; (c) Bandages; (d) Cosmetics; (e) Topical skin balms namely; sunscreens, tanning balms, lotions, creams, and combinations thereof; and (f) Lozenges and throat sprays" in International Class 3, as originally filed on June 9, 2004 under § 1(b) and § 44(d); the initial Office action that issued with respect to that application; and a printout of the TARR status for such application, as amended, for "non-medicated breath fresheners delivered via aerosol spray; non-medicated mouthwash and gargle" in International Class 3.
- m. **Opposer's Exhibit C-13:** A copy of Applicant's Application Serial No. 76/596,738 for NESTLÉ for "(a) Vitamin, mineral, and herbal supplements, and combinations thereof; (b) Over the counter medications, namely; analgesics,

sleep aids and preparations for making the same, cold and flu medications; (c) Beer; (d) Ale; (e) Non-alcoholic malt beverages; (f) Non-alcoholic coolers and spritzers; (g) Alcoholic coolers and spritzers, namely, malt based, wine based and distilled spirit based; (h) Distilled spirits; (i) Liqueurs; (j) Cordials; (k) Edible nuts and legumes, edible oils; and (l) Cheese” in International Class 32, as originally filed on June 9, 2004 under § 1(b) and § 44(d); the initial Office action that issued with respect to that application; and a printout of the TARR status for such application, as amended, for “over the counter medications, namely, Analgesics; Sleep aids; Cold and flu medications” in International Class 3.

- n. **Opposer’s Exhibit C-14:** A copy of Applicant’s Application Serial No. 76/596,735 for NESCAFÉ for “Distilled spirits; Liqueurs; Cordials; and Alcoholic coolers, namely; distilled spirit based and malt based” in International Class 33, as originally filed on June 9, 2004 under § 1(b) and § 44(d); the initial Office action that issued with respect to that application; and a printout of the TARR status for such application.
- o. **Opposer’s Exhibit C-15:** A copy of Applicant’s Application Serial No. 76/596,734 for JACK DANIEL’S for “(a) Salsa; (b) Barbecue sauce; (c) Cigars; (d) Cigarettes; (e) Chewing tobacco; and (f) Steak sauce” in International Class 34, as originally filed on June 9, 2004 under § 1(b) and § 44(d); the initial Office action that issued with respect to that application; and a printout of the TARR status for such application, as amended, for “cigars, cigarettes, and chewing tobacco” in International Class 34.
- p. **Opposer’s Exhibit C-16:** A copy of Applicant’s Application Serial No. 76/596,733 for CHANEL for “(a) candles, both plain and scented; (b) shaving

implements; (c) topical skin balms, namely: sunscreens, tanning balms, lotions, creams, and combinations thereof; (d) vitamins, mineral, and herbal supplements, and combinations thereof; (e) hair coloring; (f) pre-moistened towelettes; (g) breath fresheners; and (h) scented stationary and greeting cards” in International Class 4, as originally filed on June 9, 2004 under § 1(b) and § 44(d); the initial Office action that issued with respect to that application; and a printout of the TARR status for such application, as amended, for “scented stationary and greeting cards” in International Class 16.

q. **Opposer’s Exhibit C-17:** A copy of Applicant’s Application Serial No. 76/577,011 for EVIAN for “distilled spirits, namely vodka, gin, and tequila, ice cream, sherbert, frozen confections” in International Class 33, as originally filed on February 18, 2004 under § 1(b) and § 44(d); the initial Office action that issued with respect to that application; and a printout of the TARR status for such application, as amended, for “ice cream; sherbert; and frozen confections” in International Class 33.

r. **Opposer’s Exhibit C-18:** A copy of Applicant’s Application Serial No. 76/577,010 for TIM HORTONS for “alcoholic beverages, ice cream, sherbert, sorbet, frozen yogurt, frozen confections, and edible nuts” in International Class 33, as originally filed on February 18, 2004 under § 1(b) and § 44(d); the initial Office action that issued with respect to that application; and a printout of the TARR status for such application, as amended, for “alcoholic beverages, namely, vodka, rum whiskey, bourbon, brandy, cognac, gin, and tequila, bitters, wine, sparkling wine, sherry; port, vermouth, liqueurs, cordials, schnapps, coolers, sprinters, and hard cider” in International Class 33.

4. Applicant's responses and amended responses to Opposer's discovery requests, which are attached hereto as Opposer's Exhibit D.

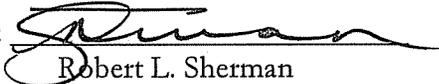

- a. **Opposer's Exhibit D-1:** Opposer's first set of discovery requests, including Opposer's First Set of Requests for Admissions, Opposer's First Set of Interrogatories, and Opposer's First Set of Document Requests, all dated September 29, 2008.
- b. **Opposer's Exhibit D-2:** Applicant's "Response to Opposers' Request," dated October 30, 2008.
- c. **Opposer's Exhibit D-3:** Applicant's "Response to Opposers' Request (Supplementary)," dated February 7, 2009.
- d. **Opposer's Exhibit D-4:** Applicant's "Response to Opposers' Request (Supplementary)," dated March 9, 2009.

Trademark/Service Mark Application, Principal Register, with Declaration

Serial Number: 78288366

Filing Date: 08/17/2003

To the Commissioner for Trademarks:

MARK: HEINEKEN

The applicant, ROBERT, VICTORMARCON, a citizen of CANADA, residing at 3471 SINNICKS

AVENUE, NIAGARA FALLS, ONTARIO Canada L2J2G6, requests registration of the trademark/service mark shown on the drawing page in the United States Patent and Trademark Office on the Principal Register established by the Act of July 5, 1946 (15 U.S.C. Section 1051 et seq.), as amended.

Intent to Use: The applicant has a bona fide intention to use or use through the applicant's related company or licensee the mark in commerce on or in connection with the identified goods and/or services. (15 U.S.C. Section 1051(b)).

International Class 032: WATER, STILL WATER, MINERAL WATER SPRING WATER, AERATED WATER CARBONATED WATER SPARKLING WATER, ICE WATER, ICEBERG WATER, ICE, CRUSHED ICE, JUICES, FLAVORED DRINKS (EXCEPT BEVERAGES BASED ON COFFEE, TEA, OR COCOA AND MILK BEVERAGES), NUTRIENT DRINKS, NON-ALCOHOLIC BEVERAGES, PREPARATIONS FOR MAKING BEVERAGES, SYRUPS

Priority based on foreign filing: Applicant has a bona fide intention to use the mark in commerce on or in connection with the identified goods and/or services and asserts a claim of priority based upon a foreign application. 15 U.S.C. Section 1126(d), as amended.

Based on Canada application number 1168025, filed 02/18/2003:

International Class 032: WATER, STILL WATER, MINERAL WATER SPRING WATER, AERATED WATER CARBONATED WATER SPARKLING WATER, ICE WATER, ICEBERG WATER, ICE, CRUSHED ICE, JUICES, FLAVORED DRINKS (EXCEPT BEVERAGES BASED ON COFFEE, TEA, OR COCOA AND MILK BEVERAGES), NUTRIENT DRINKS, NON-ALCOHOLIC BEVERAGES, PREPARATIONS FOR MAKING BEVERAGES, SYRUPS

A fee payment in the amount of \$335 will be submitted with the application, representing payment for 1 class(es).

Declaration

The undersigned, being hereby warned that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. Section 1001, and that such willful false statements, and the like, may jeopardize the validity of the application or any resulting registration, declares that he/she is properly authorized to execute this application on behalf of the applicant; he/she believes the applicant to be the owner of the trademark/service mark sought to be registered, or, if the application is being filed under 15 U.S.C. Section 1051(b), he/she believes applicant to be entitled to use such mark in commerce; to the best of his/her knowledge and belief no other person, firm, corporation, or association has the right to use the mark in commerce, either in the identical form thereof or in such near resemblance thereto as to be likely, when used on or in connection with the goods/services of such other person, to cause confusion, or to cause mistake, or to deceive; and that all statements made of his/her own knowledge are true; and that all statements made on information and belief are believed to be true.

Serial Number 78/288366

The assigned examining attorney has reviewed the referenced application and determined the following.

Likelihood of Confusion

Registration of the proposed mark is refused because of a likelihood of confusion with the mark in U.S. Registration Nos. 0767954, 0823033, 0823034, 0823035, 0956608, 1504209, 2019060, 2285509, 2781138. Trademark Act Section 2(d), 15 U.S.C. §1052(d); TMEP §§1207.01 *et seq.* See the enclosed registrations.

When determining whether there is a likelihood of confusion, all circumstances surrounding the sale of the goods and/or services are considered. *Industrial Nucleonics Corp. v. Hinde*, 475 F.2d 1197, 177 USPQ 386 (C.C.P.A. 1973). These circumstances include the marketing channels, the identity of the prospective purchasers and the degree of similarity between the marks and between the goods and/or services. In comparing the marks, similarity in any one of the elements of sound, appearance or meaning is sufficient to find a likelihood of confusion. In comparing the goods and/or services, it is necessary to show that they are related in some manner. *In re Mack*, 197 USPQ 755, 757 (TTAB 1977); TMEP §§1207.01 *et seq.*

Applicant proposes the mark HEINEKEN for use in connection with "beer, water, still water, mineral water, spring water, aerated water, carbonated water, sparkling water, ice water, iceberg water, ice, crushed ice, juices, flavored drinks (except beverages based on coffee, tea, or cocoa and milk beverages), nutrient drinks, non-alcoholic beverages, preparations for making beverages, syrups.

Registrant in 0767954 provides "beer" in connection with the mark HEINEKEN and design.

Registrant in 0823033 provides "beer" in connection with the mark HEINEKEN SPECIAL DARK BEER

BREWED IN HOLLAND HORS CONCOURS MEMBRE DU JURY PARIS 1900 TRADE MARK GRAND PRIX PARIS 1889 DIPLOME D'HONNEUR AMSTERDAM 1883 MEDAILLE D'OR PARIS 1875.

Registrant in 0823034 provides "beer" in connection with the mark HEINEKEN LAGER BEER BREWED IN HOLLAND HORS CONSOURS MEMBRE DU JURY PARIS 1900 TRADE MARK GRAND PRIX PARIS 1889 DIPLOME D'HONNEUR AMSTERDAM 1883 MEDAILLE D'OR PARIS 1875.

Registrant in 0823035 provides "beer" in connection with the mark HEINEKEN HORS CONCOURS MEMBRE DU JURY PARIS 1900 GRAND PRIX 1889 DIPLOME D'HONNEUR AMSTERDAM 1883 MEDAILLE D'OR PARIS 1875.

Registrant in 0956608 provides "beer and malt beverages" in connection with the mark HEINEKEN.

Registrant in 1504209 provides "beer" in connection with the mark HEINEKEN and configuration of a bottle.

Registrant in 2019060 provides "beer" in connection with the mark HEINEKEN and design.

Registrant in 2285509 provides "beer" in connection with the mark HEINEKEN EN VIVO.

Registrant in 2781138 provides "beer" in connection with the mark HEINEKEN and design.

The same registrant owns 0767954, 0823033, 0823034, 0823035, 0956608, 1504209, 2019060, 2285509, 2781138.

When applicant's mark is compared to a registered mark, "the points of similarity are of greater importance than the points of difference." *Esso Standard Oil Co. v. Sun Oil Co.*, 229 F.2d 37, 108 USPQ 161 (D.C. Cir.), *cert. denied*, 351 U.S. 973, 109 USPQ 517 (1956); TMEP §1207.01(b).

With respect to the marks in Registration Nos. 0767954 and 0956608, the examining attorney finds that the applicant's mark HEINEKEN is identical to the registrant's mark HEINEKEN. In the second step of the analysis, the examining attorney finds that the registrant's goods and the applicant's goods are commercially related. Both the applicant and the registrant provide beverages. Nevertheless, if the marks of the respective parties are identical, the relationship between the goods or services of the respective parties need not be as close to support a finding of likelihood of confusion as might apply where differences exist between the marks. *Ancor, Inc. v. Ancor Industries, Inc.*, 210 USPQ 70 (TTAB 1981); TMEP §1207.01(a).

With respect to the marks in Registration Nos. 0823033, 0823034, 0823035, 1504209, 2019060, 2285509, 2781138, the examining attorney finds that the applicant's mark shares the identical leading term HEINEKEN with each of the cited registrations.

While the examining attorney cannot ignore a disclaimed portion of a mark and must view marks in their entireties, one feature of a mark may be more significant in creating a commercial impression. *Tektronix, Inc. v. Daktronics, Inc.*, 534 F.2d 915, 189 USPQ 693 (CCPA 1976); *In re El Torito Restaurants Inc.*, 9

USPQ2d 2002 (TTAB 1988); *In re Equitable Bancorporation*, 229 USPQ 709 (TTAB 1986). Disclaimed matter is typically less significant or less dominant. Thus not only is ABSOLUT more significant than the disclaimed portions of the respective registrations but also, consumers will call for the goods by their name rather than by the design portions. *In re Appetito Provisions Co.*, 3 USPQ2d 1553 (TTAB 1987); *In re Drug Research Reports, Inc.*, 200 USPQ 554 (TTAB 1978).

Finally, the mere addition of a term to a registered mark is not sufficient to overcome a likelihood of confusion under Section 2(d). *Coca-Cola Bottling Co. v. Joseph E. Seagram & Sons, Inc.*, 526 F.2d 556, 188 USPQ 105 (CCPA 1975) ("BENGAL" and "BENGAL LANCER"); *Lilly Pulitzer, Inc. v. Lilli Ann Corp.*, 376 F.2d 324, 153 USPQ 406 (CCPA 1967) ("THE LILLY" and "LILLI ANN"); *In re El Torito Restaurants Inc.*, 9 USPQ2d 2002 (TTAB 1988) ("MACHO" and "MACHO COMBOS"); *In re United States Shoe Corp.*, 229 USPQ 707 (TTAB 1985) ("CAREER IMAGE" and "CREST CAREER IMAGES"); *In re Corning Glass Works*, 229 USPQ 65 (TTAB 1985) ("CONFIRM" and "CONFIRMCELLS"); *In re Riddle*, 225 USPQ 630 (TTAB 1985) ("ACCUTUNE" and "RICHARD PETTY'S ACCU TUNE"); *In re Cosvetic Laboratories, Inc.*, 202 USPQ 842 (TTAB 1979) ("HEAD START" and "HEAD START COSVETIC"). Thus the addition of other terms or a design to the dominant term HEINEKEN in the registrant's marks does not obviate the likelihood of confusion.

For these reasons, the marks are overall confusingly similar and impart a similar commercial impression.

In the second step of the analysis, the examining attorney finds that the applicant's goods are similar to the Registrants' goods because both provide alcoholic beverages. If the goods or services of the respective parties are closely related, the degree of similarity between marks required to support a finding of likelihood of confusion is not as great as would apply with diverse goods or services. *Century 21 Real Estate Corp. v. Century Life of America*, 23 USPQ2d 1698 (Fed. Cir. 1992); *In re J.M. Originals Inc.*, 6 USPQ2d 1393 (TTAB 1987); *ECI Division of E-Systems, Inc. v. Environmental Communications Inc.*, 207 USPQ 443 (TTAB 1980); TMEP §1207.01(b).

For these reasons, it is likely that the purchasing public would confuse the goods as originating from the same source. Therefore, the examining attorney refuses registration of the applicant's mark under Trademark Act Section 2(d), 15 U.S.C. Section 1052(d).

The applicant should also note the following additional ground for refusal.

False Association

Registration is refused because the proposed mark consists of or comprises matter which may falsely suggest a connection with HEINEKEN for beer. HEINEKEN is so famous that consumers would presume a connection with applicant. Trademark Act Section 2(a), 15 U.S.C. §1052(a); TMEP §§1203.03, 1203.03(e) and 1203.03(f); *See generally University of Notre Dame du Lac v. J.C. Gourmet Food Imports Co.*, 703 F.2d 1372, 217 USPQ 505 (Fed. Cir. 1983); *University of Alabama v. BAMA-Werke Curt Baumann*, 231 USPQ 408 (TTAB 1986); *In re Cotter & Co.*, 228 USPQ 202 (TTAB 1985); *Buffett v. Chi-Chi's, Inc.*, 226 USPQ 428 (TTAB 1985).

The following is required for a showing of false connection under Section 2(a):

- the mark sought to be registered is the same as or a close approximation of the name or

identity of a person or institution;

- the mark would be recognized as such;
- the person or institution identified in the mark is not connected with the goods sold or services performed by applicant under the mark; and
- the fame or reputation of the named person or institution is of such a nature that a connection with such person or institution would be presumed when applicant's mark is used on its goods or services.

In re Cotter & Co., 228 USPQ 202, 204 (TTAB 1985); *See Buffett v. Chi?Chi's, Inc.*, 226 USPQ 428, 429 (TTAB 1985).

If applicant's goods or services are of a type that the named person or institution sells or uses, and the named party is sufficiently famous, then it may be inferred that purchasers of the goods or services would be misled into making a false connection of sponsorship, approval, support or the like with the named party. *In re Cotter & Co.*, 228 USPQ 202 (TTAB 1985); *In re National Intelligence Academy*, 190 USPQ 570 (TTAB 1976).

The fact that purchasers would realize, at some point after purchase, that no connection exists between the listed goods or services and the person or institution falsely connected, is not relevant. The focus is on "the initial reaction or impact of the mark when viewed in conjunction with the applicable goods or services." *In re Bicentennial Society*, 197 USPQ 905, 906 (TTAB 1978).

For these reasons the examining attorney refuses registration of the mark under Section 2(a) of the Trademark Act for false association with a famous mark.

Applicant May Respond

Although the examining attorney has refused registration, the applicant may respond to the refusal to register by submitting evidence and arguments in support of registration.

If the applicant chooses to respond to the refusal to register, the applicant must also respond to the following informalities.

Identification of Goods

The wording in the identification of goods needs clarification because it is too broad and could include goods classified in other international classes. Applicant may substitute the following wording, if accurate: TMEP §§1402.01 and 1402.03.

Nutritional drink mixes for use as a meal replacement. *International Class 5.*

Ice, crushed ice. *International Class 30.*

Beer, water, still water, mineral water, spring water, aerated water, carbonated water, sparkling water, ice water, iceberg water; juices, fruit flavored drinks, soft drinks; preparations for making fruit drinks; syrups for use in making soft drinks. *International Class 32.*

Classification

Applicant must correct the classification of the goods in the application and amend the application to classify them in International Classes 5, 30 and 32. 37 C.F.R. §§2.32(a)(7) and 2.85; TMEP §§1401.02(a) and 1401.03(b).

Combined Application

If applicant prosecutes this application as a combined, or multiple-class application, then applicant must comply with each of the following for those goods and/or services based on an intent to use the mark in commerce under Trademark Act Section 1(b):

- (1) Applicant must list the goods and/or services by international class with the classes listed in ascending numerical order. TMEP § 1403.01; and
- (2) Applicant must submit a filing fee for each international class of goods and/or services not covered by the fee already paid. 37 C.F.R. §2.86(a)(2); TMEP §§810.01 and 1403.01.

Current fees are sufficient for one class only.

Dual Filing Bases §§1(b) and 44(d)

If applicant wishes to proceed relying on the applicant's intent to use the mark in commerce under Trademark Act Section 1(b) as the sole basis for registration, with the claim of priority under Section 44(d), then applicant should so advise the trademark examining attorney. TMEP §§806.02(f) and 806.04(b). If applicant chooses to do so, this Office will approve the mark for publication without waiting for applicant to submit a copy of the foreign registration, once all other outstanding issues are resolved. Moreover, while the application may be approved for publication, the mark will not register until after an acceptable allegation of use has been filed.

If applicant does not indicate otherwise, this Office will presume that applicant wishes to rely on the foreign registration as an additional basis for registration and will require applicant to submit the copy of the foreign registration and, if appropriate, an English translation signed by the translator. TMEP §§1004.01 and 1004.01(b).

Designation of Domestic Representative

Applicant may designate a domestic representative upon whom notices or process may be served. Trademark Act Section 1(e), 15 U.S.C. §1051(e); 37 C.F.R. §2.24; TMEP §§604, 811 and 1013. If applicant does not designate a domestic representative, notices or process in proceedings affecting the mark may be served on the Director of the USPTO. Trademark Act Section 1(e), 15 U.S.C. §1051(e).

DESIGNATION OF DOMESTIC REPRESENTATIVE

Trademark/Service Mark Application, Principal Register, with Declaration

Serial Number: 78288368

Filing Date: 08/17/2003

To the Commissioner for Trademarks:

MARK: SOUTHERN COMFORT

The applicant, ROBERT, VICTORMARCON, a citizen of CANADA, residing at 3471 SINNICKS

AVENUE, NIAGARA FALLS, ONTARIO Canada L2J2G6, requests registration of the trademark/service mark shown on the drawing page in the United States Patent and Trademark Office on the Principal Register established by the Act of July 5, 1946 (15 U.S.C. Section 1051 et seq.), as amended.

Intent to Use: The applicant has a bona fide intention to use or use through the applicant's related company or licensee the mark in commerce on or in connection with the identified goods and/or services. (15 U.S.C. Section 1051(b)).

International Class 032: BEER, WATER, STILL WATER, MINERAL WATER, SPRING WATER, AERATED WATER, CARBONATED WATER, SPARKLING WATER, ICE WATER, ICEBERG WATER, ICE, CRUSHED ICE, JUICES, FLAVORED DRINKS (EXCEPT BEVERAGES BASED ON COFFEE, TEA, OR COCOA AND MILK BEVERAGES), NUTRIENT DRINKS, NON-ALCOHOLIC BEVERAGES, PREPARATIONS FOR MAKING BEVERAGES, SYRUPS

Priority based on foreign filing: Applicant has a bona fide intention to use the mark in commerce on or in connection with the identified goods and/or services and asserts a claim of priority based upon a foreign application. 15 U.S.C. Section 1126(d), as amended.

Based on Canada application number 1168272, filed 02/24/2003:

International Class 032: BEER, WATER, STILL WATER, MINERAL WATER, SPRING WATER, AERATED WATER, CARBONATED WATER, SPARKLING WATER, ICE WATER, ICEBERG WATER, ICE, CRUSHED ICE, JUICES, FLAVORED DRINKS (EXCEPT BEVERAGES BASED ON COFFEE, TEA, OR COCOA AND MILK BEVERAGES), NUTRIENT DRINKS, NON-ALCOHOLIC BEVERAGES, PREPARATIONS FOR MAKING BEVERAGES, SYRUPS

A fee payment in the amount of \$335 will be submitted with the application, representing payment for 1 class(es).

Declaration

The undersigned, being hereby warned that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. Section 1001, and that such willful false statements, and the like, may jeopardize the validity of the application or any resulting registration, declares that he/she is properly authorized to execute this application on behalf of the applicant; he/she believes the applicant to be the owner of the trademark/service mark sought to be registered, or, if the application is being filed under 15 U.S.C. Section 1051(b), he/she believes applicant to be entitled to use such mark in commerce; to the best of his/her knowledge and belief no other person, firm, corporation, or association has the right to use the mark in commerce, either in the identical form thereof or in such near resemblance thereto as to be likely, when used on or in connection with the goods/services of such other person, to cause confusion, or to cause mistake, or to deceive; and that all statements made of his/her own knowledge are true; and that all statements made on information and belief are believed to be true.

OFFICE ACTION

TO AVOID ABANDONMENT, WE MUST RECEIVE A PROPER RESPONSE TO THIS OFFICE ACTION WITHIN 6 MONTHS OF OUR MAILING OR E-MAILING DATE.

Serial Number 78/288368

The assigned examining attorney has reviewed the referenced application and determined the following.

Prior Pending Applications

Information regarding pending Application Serial Nos. 76-237949 and 76-530332 are enclosed. The filing dates of the referenced applications precede applicant's filing dates. There may be a likelihood of confusion under Trademark Act Section 2(d) between applicant's mark and the referenced mark. If the referenced applications register, registration may be refused in this case under Section 2(d). 37 C.F.R. §2.83; TMEP §1208.01.

Likelihood of Confusion

Registration of the proposed mark is refused because of a likelihood of confusion with the mark in U.S. Registration Nos. 0317529, 0423955, 0513317, 1522030, 1897081, 2172514, 2589521, 2650502, 2650503, 2797121 and 2780811. Trademark Act Section 2(d), 15 U.S.C. §1052(d); TMEP §§1207.01 *et seq.* See the enclosed registrations.

When determining whether there is a likelihood of confusion, all circumstances surrounding the sale of the

goods and/or services are considered. *Industrial Nucleonics Corp. v. Hinde*, 475 F.2d 1197, 177 USPQ 386 (C.C.P.A. 1973). These circumstances include the marketing channels, the identity of the prospective purchasers and the degree of similarity between the marks and between the goods and/or services. In comparing the marks, similarity in any one of the elements of sound, appearance or meaning is sufficient to find a likelihood of confusion. In comparing the goods and/or services, it is necessary to show that they are related in some manner. *In re Mack*, 197 USPQ 755, 757 (TTAB 1977); TMEP §§1207.01 *et seq.*

Applicant proposes the mark SOUTHERN COMFORT for use in connection with “beer, water, still water, mineral water, spring water, aerated water, carbonated water, sparkling water, ice water, iceberg water, ice, crushed ice, juices, flavored drinks (except beverages based on coffee, tea, or cocoa and milk beverages), nutrient drinks, non-alcoholic beverages, preparations for making beverages, syrups.

Registrant in 0317529 provides “cordial” in connection with the mark SOUTHERN COMFORT.

Registrant in 0423955 provides “liqueur” in connection with the mark SOUTHERN COMFORT THE GRAND OLD DRINK OF THE SOUTH ORIGINATED ON THE BANKS OF THE MISSISSIPPI IN NEW ORLEANS, LOUISIANA, U.S.A. BY SOUTHERN COMFORT COMPANY.

Registrant in 0513317 provides “liqueur” in connection with the mark SOUTHERN COMFORT and design.

Registrant in 1522030 provides “liqueur” in connection with the mark SOUTHERN COMFORT.

Registrant in 1897081 provides “cordials and liqueurs” in connection with the mark SOUTHERN COMFORT RESERVE.

Registrant in 2172514 provides “pre-mixed alcoholic cocktails” in connection with the mark SHOOTERS ON TAP SOUTHERN COMFORT and design.

Registrant in 2589521 provides “restaurant and bar services” in connection with the mark SOUTHERN COMFORT.

Registrant in 2650502 provides “alcoholic beverages; namely, distilled spirits” in connection with the mark SOUTHERN COMFORT ESTABLISHED 1874 and design.

Registrant in 2650503 provides “alcoholic beverages; namely distilled spirits” in connection with the mark SOUTHERN COMFORT.

Registrant in 2797121 provides “alcoholic beverages; namely, distilled spirits” in connection with the mark SOUTHERN COMFORT ESTABLISHED 1874 M. W. HERON MW HERON PERFECTED THIS GREAT AMERICAN ORIGINAL IN NEW ORLEANS, LOUISIANA, U.S.A.

Registrant in 2780811 provides “alcoholic beverages; namely, distilled spirits” in connection with the mark SOUTHERN COMFORT, BETWEEN FRIENDS.

The same registrant owns 0317529, 0423955, 0513317, 1522030, 1897081, 2172514, 2589521, 2650502,

2650503, 2797121 and 2780811.

When applicant's mark is compared to a registered mark, "the points of similarity are of greater importance than the points of difference." *Esso Standard Oil Co. v. Sun Oil Co.*, 229 F.2d 37, 108 USPQ 161 (D.C. Cir.), *cert. denied*, 351 U.S. 973, 109 USPQ 517 (1956); TMEP §1207.01(b).

With respect to the marks in Registration Nos. 2589521, 1522030, 0317529 and 2650503, the examining attorney finds that the applicant's mark is identical to the registrant's mark. In the second step of the analysis, the examining attorney finds that the registrant's goods and the applicant's goods are commercially related. Both the applicant and the registrant provide alcoholic beverages. Nevertheless, if the marks of the respective parties are identical, the relationship between the goods or services of the respective parties need not be as close to support a finding of likelihood of confusion as might apply where differences exist between the marks. *Amcor, Inc. v. Amcor Industries, Inc.*, 210 USPQ 70 (TTAB 1981); TMEP §1207.01(a).

With respect to the marks in Registration Nos. 0423955, 0513317, 1897081, 2172514, 2650502, 2797121 and 2780811, the examining attorney finds that the applicant's mark shares the identical leading terms SOUTHERN COMFORT with each of the cited registrations.

While the examining attorney cannot ignore a disclaimed portion of a mark and must view marks in their entirety, one feature of a mark may be more significant in creating a commercial impression. *Tektronix, Inc. v. Daktronics, Inc.*, 534 F.2d 915, 189 USPQ 693 (CCPA 1976); *In re El Torito Restaurants Inc.*, 9 USPQ2d 2002 (TTAB 1988); *In re Equitable Bancorporation*, 229 USPQ 709 (TTAB 1986). Disclaimed matter is typically less significant or less dominant. Thus not only is SOUTHERN COMFORT more significant than the disclaimed portions of the respective registrations but also, consumers will call for the goods by their name rather than by the design portions. *In re Appetito Provisions Co.*, 3 USPQ2d 1553 (TTAB 1987); *In re Drug Research Reports, Inc.*, 200 USPQ 554 (TTAB 1978).

Finally, the mere addition of a term to a registered mark is not sufficient to overcome a likelihood of confusion under Section 2(d). *Coca-Cola Bottling Co. v. Joseph E. Seagram & Sons, Inc.*, 526 F.2d 556, 188 USPQ 105 (CCPA 1975) ("BENGAL" and "BENGAL LANCER"); *Lilly Pulitzer, Inc. v. Lilli Ann Corp.*, 376 F.2d 324, 153 USPQ 406 (CCPA 1967) ("THE LILLY" and "LILLI ANN"); *In re El Torito Restaurants Inc.*, 9 USPQ2d 2002 (TTAB 1988) ("MACHO" and "MACHO COMBOS"); *In re United States Shoe Corp.*, 229 USPQ 707 (TTAB 1985) ("CAREER IMAGE" and "CREST CAREER IMAGES"); *In re Corning Glass Works*, 229 USPQ 65 (TTAB 1985) ("CONFIRM" and "CONFIRMCELLS"); *In re Riddle*, 225 USPQ 630 (TTAB 1985) ("ACCUTUNE" and "RICHARD PETTY'S ACCU TUNE"); *In re Cosvetic Laboratories, Inc.*, 202 USPQ 842 (TTAB 1979) ("HEAD START" and "HEAD START COSVETIC"). Thus the addition of other terms to the dominant terms SOUTHERN COMFORT in the registrant's marks does not obviate the likelihood of confusion.

For these reasons, the marks are overall confusingly similar and impart a similar commercial impression.

In the second step of the analysis, the examining attorney finds that the applicant's goods are similar to the Registrants' goods because both provide alcoholic beverages. If the goods or services of the respective parties are closely related, the degree of similarity between marks required to support a finding of likelihood of confusion is not as great as would apply with diverse goods or services. *Century 21 Real Estate Corp. v. Century Life of America*, 23 USPQ2d 1698 (Fed. Cir. 1992); *In re J.M. Originals Inc.*, 6

USPQ2d 1393 (TTAB 1987); *ECI Division of E-Systems, Inc. v. Environmental Communications Inc.*, 207 USPQ 443 (TTAB 1980); TMEP §1207.01(b).

For these reasons, it is likely that the purchasing public would confuse the goods as originating from the same source. Therefore, the examining attorney refuses registration of the applicant's mark under Trademark Act Section 2(d), 15 U.S.C. Section 1052(d).

The applicant should also note the following additional ground for refusal.

False Association

Registration is refused because the proposed mark consists of or comprises matter which may falsely suggest a connection with SOUTHERN COMFORT for liqueur or "alcoholic beverages". SOUTHERN COMFORT is so famous that consumers would presume a connection with applicant. Trademark Act Section 2(a), 15 U.S.C. §1052(a); TMEP §§1203.03, 1203.03(e) and 1203.03(f); *See generally University of Notre Dame du Lac v. J.C. Gourmet Food Imports Co.*, 703 F.2d 1372, 217 USPQ 505 (Fed. Cir. 1983); *University of Alabama v. BAMA-Werke Curt Baumann*, 231 USPQ 408 (TTAB 1986); *In re Cotter & Co.*, 228 USPQ 202 (TTAB 1985); *Buffett v. Chi?Chi's, Inc.*, 226 USPQ 428 (TTAB 1985).

The following is required for a showing of false connection under Section 2(a):

- the mark sought to be registered is the same as or a close approximation of the name or identity of a person or institution;
- the mark would be recognized as such;
- the person or institution identified in the mark is not connected with the goods sold or services performed by applicant under the mark; and
- the fame or reputation of the named person or institution is of such a nature that a connection with such person or institution would be presumed when applicant's mark is used on its goods or services.

In re Cotter & Co., 228 USPQ 202, 204 (TTAB 1985); *See Buffett v. Chi?Chi's, Inc.*, 226 USPQ 428, 429 (TTAB 1985).

If applicant's goods or services are of a type that the named person or institution sells or uses, and the named party is sufficiently famous, then it may be inferred that purchasers of the goods or services would be misled into making a false connection of sponsorship, approval, support or the like with the named party. *In re Cotter & Co.*, 228 USPQ 202 (TTAB 1985); *In re National Intelligence Academy*, 190 USPQ 570 (TTAB 1976).

The fact that purchasers would realize, at some point after purchase, that no connection exists between the listed goods or services and the person or institution falsely connected, is not relevant. The focus is on "the initial reaction or impact of the mark when viewed in conjunction with the applicable goods or services." *In re Bicentennial Society*, 197 USPQ 905, 906 (TTAB 1978).

For these reasons the examining attorney refuses registration of the mark under Section 2(a) of the Trademark Act for false association with a famous mark.

Applicant May Respond

Although the examining attorney has refused registration, the applicant may respond to the refusal to register by submitting evidence and arguments in support of registration.

If the applicant chooses to respond to the refusal to register, the applicant must also respond to the following informalities.

Identification of Goods

The wording in the identification of goods needs clarification because it is too broad and could include goods classified in other international classes. Applicant may substitute the following wording, if accurate: TMEP §§1402.01 and 1402.03.

Nutritional drink mixes for use as a meal replacement. *International Class 5.*

Ice, crushed ice. *International Class 30.*

Beer, water, still water, mineral water, spring water, aerated water, carbonated water, sparkling water, ice water, iceberg water; juices, fruit flavored drinks, soft drinks; preparations for making fruit drinks; syrups for use in making soft drinks. *International Class 32.*

Classification

Applicant must correct the classification of the goods in the application and amend the application to classify them in International Classes 5, 30 and 32. 37 C.F.R. §§2.32(a)(7) and 2.85; TMEP §§1401.02(a) and 1401.03(b).

Combined Application

If applicant prosecutes this application as a combined, or multiple-class application, then applicant must comply with each of the following for those goods and/or services based on an intent to use the mark in commerce under Trademark Act Section 1(b):

- (1) Applicant must list the goods and/or services by international class with the classes listed in ascending numerical order. TMEP § 1403.01; and
- (2) Applicant must submit a filing fee for each international class of goods and/or services not covered by the fee already paid. 37 C.F.R. §2.86(a)(2); TMEP §§810.01 and 1403.01.

Current fees are sufficient for one class only.

Dual Filing Bases §§1(b) and 44(d)

If applicant wishes to proceed relying on the applicant's intent to use the mark in commerce under Trademark Act Section 1(b) as the sole basis for registration, with the claim of priority under Section

44(d), then applicant should so advise the trademark examining attorney. TMEP §§806.02(f) and 806.04(b). If applicant chooses to do so, this Office will approve the mark for publication without waiting for applicant to submit a copy of the foreign registration, once all other outstanding issues are resolved. Moreover, while the application may be approved for publication, the mark will not register until after an acceptable allegation of use has been filed.

If applicant does not indicate otherwise, this Office will presume that applicant wishes to rely on the foreign registration as an additional basis for registration and will require applicant to submit the copy of the foreign registration and, if appropriate, an English translation signed by the translator. TMEP §§1004.01 and 1004.01(b).

Designation of Domestic Representative

Applicant may designate a domestic representative upon whom notices or process may be served. Trademark Act Section 1(e), 15 U.S.C. §1051(e); 37 C.F.R. §2.24; TMEP §§604, 811 and 1013. If applicant does not designate a domestic representative, notices or process in proceedings affecting the mark may be served on the Director of the USPTO. Trademark Act Section 1(e), 15 U.S.C. §1051(e).

Description of Mark

The mark consists of a threedimensional configuration of a bottle with fluting around the shoulder. An embossed signature design comprised of the words M.W. HERON appears diagonally on the front lower side of the bottle. The mark contains a concave depression on the left side of the bottle with the word SOUTHERN embossed in vertically letters. The mark also has a concave depression and the word COMFORT embossed in vertical letters on the right side of the bottle. The dotted or broken lines in the drawing are intended to show the position of the labels that are placed on the bottle.

MARK: ABSOLUT

The applicant, ROBERT, VICTORMARCON, a citizen of CANADA, residing at 3471 SINNICKS

AVENUE, NIAGARA FALLS, ONTARIO Canada L2J2G6, requests registration of the trademark/service mark shown on the drawing page in the United States Patent and Trademark Office on the Principal Register established by the Act of July 5, 1946 (15 U.S.C. Section 1051 et seq.), as amended.

Intent to Use: The applicant has a bona fide intention to use or use through the applicant's related company or licensee the mark in commerce on or in connection with the identified goods and/or services. (15 U.S.C. Section 1051(b)).

International Class 032: BEER, WATER, STILL WATER, MINERAL WATER, SPRING WATER, AERATED WATER, CARBONATED WATER, SPARKLING WATER, ICE WATER, ICEBERG WATER, ICE, CRUSHED ICE, JUICES, FLAVORED DRINKS (EXCEPT BEVERAGES BASED ON COFFEE, TEA, OR COCOA AND MILK BEVERAGES), NUTRIENT DRINKS, NON-ALCOHOLIC BEVERAGES, PREPARATIONS FOR MAKING BEVERAGES, SYRUPS

Priority based on foreign filing: Applicant has a bona fide intention to use the mark in commerce on or in connection with the identified goods and/or services and asserts a claim of priority based upon a foreign application. 15 U.S.C. Section 1126(d), as amended.

Based on Canada application number 1168026, filed 02/18/2003:

International Class 032: BEER, WATER, STILL WATER, MINERAL WATER, SPRING WATER, AERATED WATER, CARBONATED WATER, SPARKLING WATER, ICE WATER, ICEBERG WATER, ICE, CRUSHED ICE, JUICES, FLAVORED DRINKS (EXCEPT BEVERAGES BASED ON COFFEE, TEA, OR COCOA AND MILK BEVERAGES), NUTRIENT DRINKS, NON-ALCOHOLIC BEVERAGES, PREPARATIONS FOR MAKING BEVERAGES, SYRUPS

A fee payment in the amount of \$335 will be submitted with the application, representing payment for 1 class(es).

Declaration

The undersigned, being hereby warned that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. Section 1001, and that such willful false statements, and the like, may jeopardize the validity of the application or any resulting registration, declares that he/she is properly authorized to execute this application on behalf of the applicant; he/she believes the applicant to be the owner of the trademark/service mark sought to be registered, or, if the application is being filed under 15 U.S.C. Section 1051(b), he/she believes applicant to be entitled to use such mark in commerce; to the best of his/her knowledge and belief no other person, firm, corporation, or association has the right to use the mark in commerce, either in the identical form thereof or in such near resemblance thereto as to be likely, when used on or in connection with the goods/services of such other person, to cause confusion, or to cause mistake, or to deceive; and that all statements made of his/her own knowledge are true; and that all statements made on information and belief are believed to be true.

3. Examining Attorney's name and Law Office number.
4. Your telephone number and e-mail address.

OFFICE ACTION

TO AVOID ABANDONMENT, WE MUST RECEIVE A PROPER RESPONSE TO THIS OFFICE ACTION WITHIN 6 MONTHS OF OUR MAILING OR E-MAILING DATE.

Serial Number 78/288367

The assigned examining attorney has reviewed the referenced application and determined the following.

Prior Pending Application

Information regarding pending Application Serial Nos. 76443040, 76561774, 76-527141, 76-492793, 76-444497, 76-444157 and 76-257570 are enclosed. The filing dates of the referenced applications precede applicant's filing date. There may be a likelihood of confusion under Trademark Act Section 2(d) between applicant's mark and the referenced marks. If the referenced applications register, registration may be refused in this case under Section 2(d). 37 C.F.R. §2.83; TMEP §1208.01.

Likelihood of Confusion

Registration of the proposed mark is refused because of a likelihood of confusion with the mark in U.S. Registration Nos. 1244734, 1302003, 1570118, 1590115, 1642971, 1868516, 1893279, 2023285,

2002725, 2399045, 2472717, 2673509, 2651084, 2529817, 2540331, 2688447, 2785564, 2785565. Trademark Act Section 2(d), 15 U.S.C. §1052(d); TMEP §§1207.01 *et seq.* See the enclosed registrations.

When determining whether there is a likelihood of confusion, all circumstances surrounding the sale of the goods and/or services are considered. *Industrial Nucleonics Corp. v. Hinde*, 475 F.2d 1197, 177 USPQ 386 (C.C.P.A. 1973). These circumstances include the marketing channels, the identity of the prospective purchasers and the degree of similarity between the marks and between the goods and/or services. In comparing the marks, similarity in any one of the elements of sound, appearance or meaning is sufficient to find a likelihood of confusion. In comparing the goods and/or services, it is necessary to show that they are related in some manner. *In re Mack*, 197 USPQ 755, 757 (TTAB 1977); TMEP §§1207.01 *et seq.*

Applicant proposes the mark ABSOLUT for use in connection with “beer, water, still water, mineral water, spring water, aerated water, carbonated water, sparkling water, ice water, iceberg water, ice, crushed ice, juices, flavored drinks (except beverages based on coffee, tea, or cocoa and milk beverages), nutrient drinks, non-alcoholic beverages, preparations for making beverages, syrups.

Registrant in 2785565 provides “alcoholic beverages, namely, vodka” in connection with the mark ABOLUT CITRON.

Registrant in 2785564 provides “alcoholic beverages, namely, vodka” in connection with the mark ABOLUT PEPPAR.

Registrant in 2688447 provides “alcoholic beverages, namely, vodka” in connection with the mark ABOLUT KURANT.

Registrant in 2540331 provides “vodka” in connection with the mark ABSOLUT.

Registrant in 2529817 provides “vodka” in connection with the mark ABSOLUT.

Registrant in 2651084 provides “alcoholic beverages, namely, vodka” in connection with the mark ABSOLUT and configuration of a bottle.

Registrant in 2673509 provides “alcoholic beverages, namely, vodka” in connection with the mark ABSOLUT MANDRIN COUNTRY OF SWEDEN.

Registrant in 2472717 provides “alcoholic beverages, namely, vodka” in connection with the mark ABSOLUT MANDRIN COUNTRY OF SWEDEN.

Registrant in 2399045 provides “alcoholic beverages, namely, vodka” in connection with the mark ABSOLUT MANDRIN.

Registrant in 2002725 provides “vodka” in connection with the mark ABSOLUT VODKA COUNTRY OF SWEDEN THIS SUPERB VODKA WAS DISTILLED FROM GRAIN GROWN IN THE RICH FIELDS OF SOUTHERN SWEDEN. IT HAS BEEN PRODUCED AT THE FAMOUS OLD DISTILLERIES NEAR AHUS IN ACCORDANCE WITH MORE THAN 400 YEARS OF SWEDISH TRADITION. VODKA HAS BEEN SOLD UNDER THE NAME ABSOLUT SINCE 1879.

Registrant in 2023285 provides “vodka” in connection with the mark ABSOLUT COUNTRY OF SWEDEN PEPPAR.

Registrant in 1893279 provides “vodka” in connection with the mark ABOLUT VODKA COUNTRY OF SWEDEN.

Registrant in 1868516 provides “vodka” in connection with the mark ABSOLUT KURANT COUNTRY OF SWEDEN and design.

Registrant in 1642971 provides “vodka” in connection with the mark COUNTRY OF SWEDEN ABSOLUT and configuration of a bottle.

Registrant in 1590115 provides “vodka” in connection with the mark ABSOLUT CITRON COUNTRY OF SWEDEN.

Registrant in 1570118 provides “vodka” in connection with the mark ABSOLUT COUNTRY OF SWEDEN PEPPAR.

Registrant in 1302003 provides “vodka” in connection with the mark ABSOLUT.

Registrant in 1244734 provides “vodka” in connection with the mark COUNTRY OF SWEDEN ABSOLUT and design.

The same registrant owns 1244734, 1302003, 1570118, 1590115, 1642971, 1868516, 1893279, 2023285, 2002725, 2399045, 2472717, 2673509, 2651084, 2529817, 2540331, 2688447, 2785564, 2785565.

When applicant’s mark is compared to a registered mark, “the points of similarity are of greater importance than the points of difference.” *Esso Standard Oil Co. v. Sun Oil Co.*, 229 F.2d 37, 108 USPQ 161 (D.C. Cir.), *cert. denied*, 351 U.S. 973, 109 USPQ 517 (1956); TMEP §1207.01(b).

With respect to the mark in Registration No. 1302003, the examining attorney finds that the applicant’s mark is identical to the registrant’s mark. In the second step of the analysis, the examining attorney finds that the registrant’s goods and the applicant’s goods are commercially related. Both the applicant and the registrant provide alcoholic beverages. Nevertheless, if the marks of the respective parties are identical, the relationship between the goods or services of the respective parties need not be as close to support a finding of likelihood of confusion as might apply where differences exist between the marks. *Amcors, Inc. v. Amcor Industries, Inc.*, 210 USPQ 70 (TTAB 1981); TMEP §1207.01(a).

With respect to the marks in Registration Nos. 1244734, 1570118, 1590115, 1642971, 1868516, 1893279, 2023285, 2002725, 2399045, 2472717, 2673509, 2651084, 2529817, 2540331, 2688447, 2785564, 2785565, the examining attorney finds that the applicant’s mark shares the identical leading term ABSOLUT with each of the cited registrations.

While the examining attorney cannot ignore a disclaimed portion of a mark and must view marks in their entireties, one feature of a mark may be more significant in creating a commercial impression. *Tektronix, Inc. v. Daktronics, Inc.*, 534 F.2d 915, 189 USPQ 693 (CCPA 1976); *In re El Torito Restaurants Inc.*, 9 USPQ2d 2002 (TTAB 1988); *In re Equitable Bancorporation*, 229 USPQ 709 (TTAB 1986). Disclaimed

matter is typically less significant or less dominant. Thus not only is ABSOLUT more significant than the disclaimed portions of the respective registrations but also, consumers will call for the goods by their name rather than by the design portions. *In re Appetito Provisions Co.*, 3 USPQ2d 1553 (TTAB 1987); *In re Drug Research Reports, Inc.*, 200 USPQ 554 (TTAB 1978).

Finally, the mere addition of a term to a registered mark is not sufficient to overcome a likelihood of confusion under Section 2(d). *Coca-Cola Bottling Co. v. Joseph E. Seagram & Sons, Inc.*, 526 F.2d 556, 188 USPQ 105 (CCPA 1975) ("BENGAL" and "BENGAL LANCER"); *Lilly Pulitzer, Inc. v. Lilli Ann Corp.*, 376 F.2d 324, 153 USPQ 406 (CCPA 1967) ("THE LILLY" and "LILLI ANN"); *In re El Torito Restaurants Inc.*, 9 USPQ2d 2002 (TTAB 1988) ("MACHO" and "MACHO COMBOS"); *In re United States Shoe Corp.*, 229 USPQ 707 (TTAB 1985) ("CAREER IMAGE" and "CREST CAREER IMAGES"); *In re Corning Glass Works*, 229 USPQ 65 (TTAB 1985) ("CONFIRM" and "CONFIRMCELLS"); *In re Riddle*, 225 USPQ 630 (TTAB 1985) ("ACCUTUNE" and "RICHARD PETTY'S ACCU TUNE"); *In re Cosvetic Laboratories, Inc.*, 202 USPQ 842 (TTAB 1979) ("HEAD START" and "HEAD START COSVETIC"). Thus the addition of other terms or a design to the dominant term ABSOLUT in the registrant's marks does not obviate the likelihood of confusion.

For these reasons, the marks are overall confusingly similar and impart a similar commercial impression.

In the second step of the analysis, the examining attorney finds that the applicant's goods are similar to the Registrants' goods because both provide alcoholic beverages. If the goods or services of the respective parties are closely related, the degree of similarity between marks required to support a finding of likelihood of confusion is not as great as would apply with diverse goods or services. *Century 21 Real Estate Corp. v. Century Life of America*, 23 USPQ2d 1698 (Fed. Cir. 1992); *In re J.M. Originals Inc.*, 6 USPQ2d 1393 (TTAB 1987); *ECI Division of E-Systems, Inc. v. Environmental Communications Inc.*, 207 USPQ 443 (TTAB 1980); TMEP §1207.01(b).

For these reasons, it is likely that the purchasing public would confuse the goods as originating from the same source. Therefore, the examining attorney refuses registration of the applicant's mark under Trademark Act Section 2(d), 15 U.S.C. Section 1052(d).

The applicant should also note the following additional ground for refusal.

-
False Association

Registration is refused because the proposed mark consists of or comprises matter which may falsely suggest a connection with ABSOLUT for vodka. ABSOLUT is so famous that consumers would presume a connection with applicant. Trademark Act Section 2(a), 15 U.S.C. §1052(a); TMEP §§1203.03, 1203.03(e) and 1203.03(f); *See generally University of Notre Dame du Lac v. J.C. Gourmet Food Imports Co.*, 703 F.2d 1372, 217 USPQ 505 (Fed. Cir. 1983); *University of Alabama v. BAMA-Werke Curt Baumann*, 231 USPQ 408 (TTAB 1986); *In re Cotter & Co.*, 228 USPQ 202 (TTAB 1985); *Buffett v. Chi-Chi's, Inc.*, 226 USPQ 428 (TTAB 1985).

The following is required for a showing of false connection under Section 2(a):

. the mark sought to be registered is the same as or a close approximation of

the name or identity of a person or institution;

· · · · · the mark would be recognized as such;

· · · · · the person or institution identified in the mark is not connected with the goods sold or services performed by applicant under the mark; and

· · · · · the fame or reputation of the named person or institution is of such a nature that a connection with such person or institution would be presumed when applicant's mark is used on its goods or services.

In re Cotter & Co., 228 USPQ 202, 204 (TTAB 1985); *See Buffett v. Chi?Chi's, Inc.*, 226 USPQ 428, 429 (TTAB 1985).

If applicant's goods or services are of a type that the named person or institution sells or uses, and the named party is sufficiently famous, then it may be inferred that purchasers of the goods or services would be misled into making a false connection of sponsorship, approval, support or the like with the named party. *In re Cotter & Co.*, 228 USPQ 202 (TTAB 1985); *In re National Intelligence Academy*, 190 USPQ 570 (TTAB 1976).

The fact that purchasers would realize, at some point after purchase, that no connection exists between the listed goods or services and the person or institution falsely connected, is not relevant. The focus is on "the initial reaction or impact of the mark when viewed in conjunction with the applicable goods or services." *In re Bicentennial Society*, 197 USPQ 905, 906 (TTAB 1978).

For these reasons the examining attorney refuses registration of the mark under Section 2(a) of the Trademark Act for false association with a famous mark.

Applicant May Respond

Although the examining attorney has refused registration, the applicant may respond to the refusal to register by submitting evidence and arguments in support of registration.

If the applicant chooses to respond to the refusal to register, the applicant must also respond to the following informalities.

Identification of Goods

The wording in the identification of goods needs clarification because it is too broad and could include goods classified in other international classes. Applicant may substitute the following wording, if accurate: TMEP §§1402.01 and 1402.03.

Nutritional drink mixes for use as a meal replacement. *International Class 5.*

Ice, crushed ice. *International Class 30.*

Beer, water, still water, mineral water, spring water, aerated water, carbonated water, sparkling water, ice water, iceberg water; juices, fruit flavored drinks, soft drinks; preparations for making fruit drinks; syrups for use in making soft drinks. *International Class 32.*

Classification

Applicant must correct the classification of the goods in the application and amend the application to classify them in International Classes 5, 30 and 32. 37 C.F.R. §§2.32(a)(7) and 2.85; TMEP §§1401.02(a) and 1401.03(b).

Combined Application

If applicant prosecutes this application as a combined, or multiple-class application, then applicant must comply with each of the following for those goods and/or services based on an intent to use the mark in commerce under Trademark Act Section 1(b):

(1) (1) (1) (1) (1) Applicant must list the goods and/or services by international class with the classes listed in ascending numerical order. TMEP § 1403.01; and

(2) (2) (2) (2) (2) Applicant must submit a filing fee for each international class of goods and/or services not covered by the fee already paid. 37 C.F.R. §2.86(a)(2); TMEP §§810.01 and 1403.01.

Current fees are sufficient for one class only.

Dual Filing Bases §§1(b) and 44(d)

If applicant wishes to proceed relying on the applicant's intent to use the mark in commerce under Trademark Act Section 1(b) as the sole basis for registration, with the claim of priority under Section 44(d), then applicant should so advise the trademark examining attorney. TMEP §§806.02(f) and 806.04(b). If applicant chooses to do so, this Office will approve the mark for publication without waiting for applicant to submit a copy of the foreign registration, once all other outstanding issues are resolved. Moreover, while the application may be approved for publication, the mark will not register until after an acceptable allegation of use has been filed.

If applicant does not indicate otherwise, this Office will presume that applicant wishes to rely on the foreign registration as an additional basis for registration and will require applicant to submit the copy of the foreign registration and, if appropriate, an English translation signed by the translator. TMEP §§1004.01 and 1004.01(b).

Designation of Domestic Representative

Applicant may designate a domestic representative upon whom notices or process may be served. Trademark Act Section 1(e), 15 U.S.C. §1051(e); 37 C.F.R. §2.24; TMEP §§604, 811 and 1013. If applicant does not designate a domestic representative, notices or process in proceedings affecting the mark may be served on the Director of the USPTO. Trademark Act Section 1(e), 15 U.S.C. §1051(e).

Lining/Stippling Statement

The mark is lined for the color orange, which is claimed as a feature
of the mark.

Description of Mark

The mark consists of the mark "ABSOLUT" and a three-dimensional
configuration of a "punt" protrusion that is hemispheric in shape,
emanating from the bottom of a bottle and invading the lower portion
of the bottle itself, and which "punt" is visible within and under the
bottle. The broken lining in the drawing represents the distinctive
shape of the bottle and is intended to show the general position of
the mark and is not a part of the mark as shown.

Trademark/Service Mark Application, Principal Register, with Declaration

Serial Number: 78288365

Filing Date: 08/17/2003

To the Commissioner for Trademarks:

MARK: FINLANDIA

The applicant, ROBERT, VICTORMARCON, a citizen of CANADA, residing at 3471 SINNICKS

AVENUE, NIAGARA FALLS, ONTARIO Canada L2J2G6, requests registration of the trademark/service mark shown on the drawing page in the United States Patent and Trademark Office on the Principal Register established by the Act of July 5, 1946 (15 U.S.C. Section 1051 et seq.), as amended.

Intent to Use: The applicant has a bona fide intention to use or use through the applicant's related company or licensee the mark in commerce on or in connection with the identified goods and/or services. (15 U.S.C. Section 1051(b)).

International Class 032: WATER, STILL WATER, MINERAL WATER SPRING WATER, AERATED WATER CARBONATED WATER SPARKLING WATER, ICE WATER, ICEBERG WATER, ICE, CRUSHED ICE, JUICES, FLAVORED DRINKS (EXCEPT BEVERAGES BASED ON COFFEE, TEA, OR COCOA AND MILK BEVERAGES), NUTRIENT DRINKS, NON-ALCOHOLIC BEVERAGES, PREPARATIONS FOR MAKING BEVERAGES, SYRUPS

Priority based on foreign filing: Applicant has a bona fide intention to use the mark in commerce on or in connection with the identified goods and/or services and asserts a claim of priority based upon a foreign application. 15 U.S.C. Section 1126(d), as amended.

Based on Canada application number 1168024, filed 02/18/2003:

International Class 032: WATER, STILL WATER, MINERAL WATER SPRING WATER, AERATED WATER CARBONATED WATER SPARKLING WATER, ICE WATER, ICEBERG WATER, ICE, CRUSHED ICE, JUICES, FLAVORED DRINKS (EXCEPT BEVERAGES BASED ON COFFEE, TEA, OR COCOA AND MILK BEVERAGES), NUTRIENT DRINKS, NON-ALCOHOLIC BEVERAGES, PREPARATIONS FOR MAKING BEVERAGES, SYRUPS

A fee payment in the amount of \$335 will be submitted with the application, representing payment for 1 class(es).

Declaration

The undersigned, being hereby warned that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. Section 1001, and that such willful false statements, and the like, may jeopardize the validity of the application or any resulting registration, declares that he/she is properly authorized to execute this application on behalf of the applicant; he/she believes the applicant to be the owner of the trademark/service mark sought to be registered, or, if the application is being filed under 15 U.S.C. Section 1051(b), he/she believes applicant to be entitled to use such mark in commerce; to the best of his/her knowledge and belief no other person, firm, corporation, or association has the right to use the mark in commerce, either in the identical form thereof or in such near resemblance thereto as to be likely, when used on or in connection with the goods/services of such other person, to cause confusion, or to cause mistake, or to deceive; and that all statements made of his/her own knowledge are true; and that all statements made on information and belief are believed to be true.

OFFICE ACTION

TO AVOID ABANDONMENT, WE MUST RECEIVE A PROPER RESPONSE TO THIS OFFICE ACTION WITHIN 6 MONTHS OF OUR MAILING OR E-MAILING DATE.

Serial Number 78/288365

The assigned examining attorney has reviewed the referenced application and determined the following.

Prior Pending Application

Information regarding pending Application Serial Nos. 78-203027, 78-198317, 78-198312 and 78-253241 are enclosed. The filing dates of the referenced applications precede applicant's filing date. There may be a likelihood of confusion under Trademark Act Section 2(d) between applicant's mark and the referenced marks. If the referenced applications register, registration may be refused in this case under

Section 2(d). 37 C.F.R. §2.83; TMEP §1208.01.

Likelihood of Confusion

Registration of the proposed mark is refused because of a likelihood of confusion with the mark in U.S. Registration Nos. 2710426, 2497423, 2385961, 2066625, 2073307, 2169820, 2075932, 1747344, 1143620, 1115781 and 1115778. Trademark Act Section 2(d), 15 U.S.C. §1052(d); TMEP §§1207.01 *et seq.* See the enclosed registrations.

When determining whether there is a likelihood of confusion, all circumstances surrounding the sale of the goods and/or services are considered. *Industrial Nucleonics Corp. v. Hinde*, 475 F.2d 1197, 177 USPQ 386 (C.C.P.A. 1973). These circumstances include the marketing channels, the identity of the prospective purchasers and the degree of similarity between the marks and between the goods and/or services. In comparing the marks, similarity in any one of the elements of sound, appearance or meaning is sufficient to find a likelihood of confusion. In comparing the goods and/or services, it is necessary to show that they are related in some manner. *In re Mack*, 197 USPQ 755, 757 (TTAB 1977); TMEP §§1207.01 *et seq.*

Applicant proposes the mark FINLANDIA for use in connection with “beer, water, still water, mineral water, spring water, aerated water, carbonated water, sparkling water, ice water, iceberg water, ice, crushed ice, juices, flavored drinks (except beverages based on coffee, tea, or cocoa and milk beverages), nutrient drinks, non-alcoholic beverages, preparations for making beverages, syrups.

Registrant in 2710426 provides “ethanol for use in the manufacture of alcoholic beverages and food,” “almanacs, bags of paper or plastics for packaging, books and booklets pertaining to the alcoholic beverage industry, bottle envelopes of cardboard or paper, bottle wrappers of cardboard or paper, calendars, paper flags, paper knives for office purposes, letter trays, magazines pertaining to the alcoholic beverage industry, paper mats for glasses, note books, paper-clips, pen cases, pencil holders, pens, photograph stands, photographs, postcards, posters, printed matter namely, photographs, and stationery, stationery, stickers, table cloths of paper,” “coffee, tea, cocoa, artificial coffee; confectionery, namely chocolate, filled chocolate, candies, caramels, chewing gum; sauces; spices; vinegar; ice; flavored ices, spices, seasonings, candy, pastries and pies,” “beers; mineral and aerated waters, soft drinks; fruit drinks and fruit juices; syrups and other preparations for making beverages,” “wines, schnapps, liqueurs, vodka, gin, whisky, prepared alcoholic cocktails, cocktail mixes containing alcohol” and “restaurant services; providing temporary housing accommodations; scientific and industrial research; computer software design for others” in connection with the mark FINLANDIA VODKA WORLDWIDE.

Registrant in 2497423 provides “vodka, vodka mixtures, vodka based drinks/cordials” in connection with the mark FINLANDIA “21”THE ULTIMATE VODKA OF THE 21ST CENTURY.

Registrant in 2385961 provides “alcoholic beverages, namely, vodka” in connection with the mark FINLANDIA 21.

Registrant in 2066625 provides “alcoholic beverages, namely, vodka” in connection with the mark FINLANDIA PINEAPPLE.

Registrant in 2073307 provides “pineapple flavored vodka” in connection with the mark FINLANDIA PINEAPPLE and design.

Registrant in 2169820 provides “prepared alcoholic beverages” in connection with the mark FINLANDIA FASHION MARTINIS.

Registrant in 2075932 provides “alcoholic beverages; namely, vodka” in connection with the mark FINLANDIA ARCTIC CRANBERRY.

Registrant in 1747344 provides “vodka” in connection with the mark FINLANDIA and design.

Registrant in 1143620 provides “vodka” in connection with the mark FINLANDIA and configuration of a bottle.

Registrant in 1115781 provides “vodka” in connection with the mark FINLANDIA.

Registrant in 1115778 provides “vodka” in connection with the mark FINLANDIA VODKA OF FINLAND.

The same registrant owns 2710426, 2497423, 2385961, 2066625, 2073307, 2169820, 2075932, 1747344, 1143620, 1115781 and 1115778.

When applicant’s mark is compared to a registered mark, “the points of similarity are of greater importance than the points of difference.” *Esso Standard Oil Co. v. Sun Oil Co.*, 229 F.2d 37, 108 USPQ 161 (D.C. Cir.), *cert. denied*, 351 U.S. 973, 109 USPQ 517 (1956); TMEP §1207.01(b).

With respect to the mark in Registration No. 1115781, the examining attorney finds that the applicant’s mark is identical to the registrant’s mark. In the second step of the analysis, the examining attorney finds that the registrant’s goods and the applicant’s goods are commercially related. Both the applicant and the registrant provide alcoholic beverages. Nevertheless, if the marks of the respective parties are identical, the relationship between the goods or services of the respective parties need not be as close to support a finding of likelihood of confusion as might apply where differences exist between the marks. *Amcors, Inc. v. Amcor Industries, Inc.*, 210 USPQ 70 (TTAB 1981); TMEP §1207.01(a).

With respect to the marks in Registration Nos. 2710426, 2497423, 2385961, 2066625, 2073307, 2169820, 2075932, 1747344, 1143620 and 1115778, the examining attorney finds that the applicant’s mark shares the identical leading term FINLANDIA with each of the cited registrations.

While the examining attorney cannot ignore a disclaimed portion of a mark and must view marks in their entireties, one feature of a mark may be more significant in creating a commercial impression. *Tektronix, Inc. v. Daktronics, Inc.*, 534 F.2d 915, 189 USPQ 693 (CCPA 1976); *In re El Torito Restaurants Inc.*, 9 USPQ2d 2002 (TTAB 1988); *In re Equitable Bancorporation*, 229 USPQ 709 (TTAB 1986). Disclaimed matter is typically less significant or less dominant. Thus not only is FINLANDIA more significant than the disclaimed portions of the respective registrations but also, consumers will call for the goods by their name rather than by the design portions. *In re Appetito Provisions Co.*, 3 USPQ2d 1553 (TTAB 1987); *In re Drug Research Reports, Inc.*, 200 USPQ 554 (TTAB 1978).

Finally, the mere addition of a term to a registered mark is not sufficient to overcome a likelihood of confusion under Section 2(d). *Coca-Cola Bottling Co. v. Joseph E. Seagram & Sons, Inc.*, 526 F.2d 556,

188 USPQ 105 (CCPA 1975) ("BENGAL" and "BENGAL LANCER"); *Lilly Pulitzer, Inc. v. Lilli Ann Corp.*, 376 F.2d 324, 153 USPQ 406 (CCPA 1967) ("THE LILLY" and "LILLI ANN"); *In re El Torito Restaurants Inc.*, 9 USPQ2d 2002 (TTAB 1988) ("MACHO" and "MACHO COMBOS"); *In re United States Shoe Corp.*, 229 USPQ 707 (TTAB 1985) ("CAREER IMAGE" and "CREST CAREER IMAGES"); *In re Corning Glass Works*, 229 USPQ 65 (TTAB 1985) ("CONFIRM" and "CONFIRMCELLS"); *In re Riddle*, 225 USPQ 630 (TTAB 1985) ("ACCUTUNE" and "RICHARD PETTY'S ACCU TUNE"); *In re Cosvetic Laboratories, Inc.*, 202 USPQ 842 (TTAB 1979) ("HEAD START" and "HEAD START COSVETIC"). Thus the addition other terms or a design to the dominant term FINLANDIA in the registrant's marks does not obviate the likelihood of confusion.

For these reasons, the marks are overall confusingly similar and impart a similar commercial impression.

In the second step of the analysis, the examining attorney finds that the applicant's goods are similar to the Registrants' goods because both provide alcoholic beverages. If the goods or services of the respective parties are closely related, the degree of similarity between marks required to support a finding of likelihood of confusion is not as great as would apply with diverse goods or services. *Century 21 Real Estate Corp. v. Century Life of America*, 23 USPQ2d 1698 (Fed. Cir. 1992); *In re J.M. Originals Inc.*, 6 USPQ2d 1393 (TTAB 1987); *ECI Division of E-Systems, Inc. v. Environmental Communications Inc.*, 207 USPQ 443 (TTAB 1980); TMEP §1207.01(b).

For these reasons, it is likely that the purchasing public would confuse the goods as originating from the same source. Therefore, the examining attorney refuses registration of the applicant's mark under Trademark Act Section 2(d), 15 U.S.C. Section 1052(d).

The applicant should also note the following additional ground for refusal.

-

False Association

Registration is refused because the proposed mark consists of or comprises matter which may falsely suggest a connection with FINLANDIA for vodka. FINLANDIA is so famous that consumers would presume a connection with applicant. Trademark Act Section 2(a), 15 U.S.C. §1052(a); TMEP §§1203.03, 1203.03(e) and 1203.03(f); *See generally University of Notre Dame du Lac v. J.C. Gourmet Food Imports Co.*, 703 F.2d 1372, 217 USPQ 505 (Fed. Cir. 1983); *University of Alabama v. BAMA-Werke Curt Baumann*, 231 USPQ 408 (TTAB 1986); *In re Cotter & Co.*, 228 USPQ 202 (TTAB 1985); *Buffett v. Chi?Chi's, Inc.*, 226 USPQ 428 (TTAB 1985).

The following is required for a showing of false connection under Section 2(a):

- · · · the mark sought to be registered is the same as or a close approximation of the name or identity of a person or institution;
- · · · the mark would be recognized as such;
- · · · the person or institution identified in the mark is not connected with the goods sold or services performed by applicant under the mark; and
- · · · the fame or reputation of the named person or institution is of such a nature that a connection with such person or institution would be presumed when applicant's mark is used on its goods or services.

In re Cotter & Co., 228 USPQ 202, 204 (TTAB 1985); *See Buffett v. Chi?Chi's, Inc.*, 226 USPQ 428, 429 (TTAB 1985).

If applicant's goods or services are of a type that the named person or institution sells or uses, and the named party is sufficiently famous, then it may be inferred that purchasers of the goods or services would be misled into making a false connection of sponsorship, approval, support or the like with the named party. *In re Cotter & Co.*, 228 USPQ 202 (TTAB 1985); *In re National Intelligence Academy*, 190 USPQ 570 (TTAB 1976).

The fact that purchasers would realize, at some point after purchase, that no connection exists between the listed goods or services and the person or institution falsely connected, is not relevant. The focus is on "the initial reaction or impact of the mark when viewed in conjunction with the applicable goods or services." *In re Bicentennial Society*, 197 USPQ 905, 906 (TTAB 1978).

For these reasons the examining attorney refuses registration of the mark under Section 2(a) of the Trademark Act for false association with a famous mark.

Applicant May Respond

Although the examining attorney has refused registration, the applicant may respond to the refusal to register by submitting evidence and arguments in support of registration.

If the applicant chooses to respond to the refusal to register, the applicant must also respond to the following informalities.

Identification of Goods

The wording in the identification of goods needs clarification because it is too broad and could include goods classified in other international classes. Applicant may substitute the following wording, if accurate: TMEP §§1402.01 and 1402.03.

Nutritional drink mixes for use as a meal replacement. *International Class 5.*

Ice, crushed ice. *International Class 30.*

Beer, water, still water, mineral water, spring water, aerated water, carbonated water, sparkling water, ice water, iceberg water; juices, fruit flavored drinks, soft drinks; preparations for making fruit drinks; syrups for use in making soft drinks. *International Class 32.*

Classification

Applicant must correct the classification of the goods in the application and amend the application to classify them in International Classes 5, 30 and 32. 37 C.F.R. §§2.32(a)(7) and 2.85; TMEP §§1401.02(a) and 1401.03(b).

Combined Application

If applicant prosecutes this application as a combined, or multiple-class application, then applicant must comply with each of the following for those goods and/or services based on an intent to use the mark in commerce under Trademark Act Section 1(b):

(1) (1) (1) (1) Applicant must list the goods and/or services by international class with the classes listed in ascending numerical order. TMEP § 1403.01; and

(2) (2) (2) (2) Applicant must submit a filing fee for each international class of goods and/or services not covered by the fee already paid. 37 C.F.R. §2.86(a)(2); TMEP §§810.01 and 1403.01.

Current fees are sufficient for one class only.

Dual Filing Bases §§1(b) and 44(d)

If applicant wishes to proceed relying on the applicant's intent to use the mark in commerce under Trademark Act Section 1(b) as the sole basis for registration, with the claim of priority under Section 44(d), then applicant should so advise the trademark examining attorney. TMEP §§806.02(f) and 806.04(b). If applicant chooses to do so, this Office will approve the mark for publication without waiting for applicant to submit a copy of the foreign registration, once all other outstanding issues are resolved. Moreover, while the application may be approved for publication, the mark will not register until after an acceptable allegation of use has been filed.

If applicant does not indicate otherwise, this Office will presume that applicant wishes to rely on the foreign registration as an additional basis for registration and will require applicant to submit the copy of the foreign registration and, if appropriate, an English translation signed by the translator. TMEP §§1004.01 and 1004.01(b).

Designation of Domestic Representative

Applicant may designate a domestic representative upon whom notices or process may be served. Trademark Act Section 1(e), 15 U.S.C. §1051(e); 37 C.F.R. §2.24; TMEP §§604, 811 and 1013. If applicant does not designate a domestic representative, notices or process in proceedings affecting the mark may be served on the Director of the USPTO. Trademark Act Section 1(e), 15 U.S.C. §1051(e).

DESIGNATION OF DOMESTIC REPRESENTATIVE

Identify the mark

Serial No.

Name of applicant

Date of signature

(Name of domestic representative)

whose postal address is

is hereby designated applicant's representative upon whom notice or process in proceedings affecting the mark may be served.

Trademark/Service Mark Application, Principal Register, with Declaration

Serial Number: 78288364

Filing Date: 08/17/2003

To the Commissioner for Trademarks:

MARK: COORS

The applicant, ROBERT, VICTORMARCON, a citizen of CANADA, residing at 3471 SINNICKS

AVENUE, NIAGARA FALLS, ONTARIO Canada L2J2G6, requests registration of the trademark/service mark shown on the drawing page in the United States Patent and Trademark Office on the Principal Register established by the Act of July 5, 1946 (15 U.S.C. Section 1051 et seq.), as amended.

Intent to Use: The applicant has a bona fide intention to use or use through the applicant's related company or licensee the mark in commerce on or in connection with the identified goods and/or services. (15 U.S.C. Section 1051(b)).

International Class 032: WATER, STILL WATER, MINERAL WATER SPRING WATER, AERATED WATER CARBONATED WATER SPARKLING WATER, ICE WATER, ICEBERG WATER, ICE, CRUSHED ICE, JUICES, FLAVORED DRINKS (EXCEPT BEVERAGES BASED ON COFFEE, TEA, OR COCOA AND MILK BEVERAGES), NUTRIENT DRINKS, NON-ALCOHOLIC BEVERAGES, PREPARATIONS FOR MAKING BEVERAGES, SYRUPS

Priority based on foreign filing: Applicant has a bona fide intention to use the mark in commerce on or in connection with the identified goods and/or services and asserts a claim of priority based upon a foreign application. 15 U.S.C. Section 1126(d), as amended.

Based on Canada application number 1168021, filed 02/18/2003:

International Class 032: WATER, STILL WATER, MINERAL WATER SPRING WATER, AERATED WATER CARBONATED WATER SPARKLING WATER, ICE WATER, ICEBERG WATER, ICE, CRUSHED ICE, JUICES, FLAVORED DRINKS (EXCEPT BEVERAGES BASED ON COFFEE, TEA, OR COCOA AND MILK BEVERAGES), NUTRIENT DRINKS, NON-ALCOHOLIC BEVERAGES, PREPARATIONS FOR MAKING BEVERAGES, SYRUPS

A fee payment in the amount of \$335 will be submitted with the application, representing payment for 1 class(es).

Declaration

The undersigned, being hereby warned that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. Section 1001, and that such willful false statements, and the like, may jeopardize the validity of the application or any resulting registration, declares that he/she is properly authorized to execute this application on behalf of the applicant; he/she believes the applicant to be the owner of the trademark/service mark sought to be registered, or, if the application is being filed under 15 U.S.C. Section 1051(b), he/she believes applicant to be entitled to use such mark in commerce; to the best of his/her knowledge and belief no other person, firm, corporation, or association has the right to use the mark in commerce, either in the identical form thereof or in such near resemblance thereto as to be likely, when used on or in connection with the goods/services of such other person, to cause confusion, or to cause mistake, or to deceive; and that all statements made of his/her own knowledge are true; and that all statements made on information and belief are believed to be true.

OFFICE ACTION

TO AVOID ABANDONMENT, WE MUST RECEIVE A PROPER RESPONSE TO THIS OFFICE ACTION WITHIN 6 MONTHS OF OUR MAILING OR E-MAILING DATE.

Serial Number 78/288364

The assigned examining attorney has reviewed the referenced application and determined the following.

Prior Pending Application

Information regarding pending Application Serial No. 78-186453 is enclosed. The filing date of the referenced application precedes applicant's filing date. There may be a likelihood of confusion under Trademark Act Section 2(d) between applicant's mark and the referenced mark. If the referenced application registers, registration may be refused in this case under Section 2(d). 37 C.F.R. §2.83; TMEP §1208.01.

Likelihood of Confusion

Registration of the proposed mark is refused because of a likelihood of confusion with the mark in U.S. Registration Nos. 2346770, 2389252, 2335054, 2351112, 2339554, 2317567, 2448018, 2451156, 2145822, 2444615, 1748768, 1726076, 1684609, 1389342, 1313763, 1262609, 1134783, 1071095, 0619191, 0519643 and 0519209. Trademark Act Section 2(d), 15 U.S.C. §1052(d); TMEP §§1207.01 *et seq.* See the enclosed registrations.

When determining whether there is a likelihood of confusion, all circumstances surrounding the sale of the goods and/or services are considered. *Industrial Nucleonics Corp. v. Hinde*, 475 F.2d 1197, 177 USPQ 386 (C.C.P.A. 1973). These circumstances include the marketing channels, the identity of the prospective purchasers and the degree of similarity between the marks and between the goods and/or services. In comparing the marks, similarity in any one of the elements of sound, appearance or meaning is sufficient to find a likelihood of confusion. In comparing the goods and/or services, it is necessary to show that they are related in some manner. *In re Mack*, 197 USPQ 755, 757 (TTAB 1977); TMEP §§1207.01 *et seq.*

Applicant proposes the mark COORS for use in connection with "beer, water, still water, mineral water, spring water, aerated water, carbonated water, sparkling water, ice water, iceberg water, ice, crushed ice, juices, flavored drinks (except beverages based on coffee, tea, or cocoa and milk beverages), nutrient drinks, non-alcoholic beverages, preparations for making beverages, syrups. Registrant in 2346770 provides "beer" in connection with the mark COORS LIGHT SAME TASTE/NEW LOOK! COORS LIGHT PREMIUM BEER A TASTE BORN HIGH IN THE ROCKY MOUNTAINS and design. Registrant in 2389252 provides "non-alcoholic beer" in connection with the mark COORS stylized. Registrant in 2335054 provides "non-alcoholic beer" in connection with the mark COORS. Registrant in 2351112 provides "clothing, namely, caps, T-shirts, western shirts, vests, jackets, pants, shirts, baseball jerseys, sweatshirts, golf shirts, boxers, and shorts" and "beer" in connection with the mark ORIGINAL COORS stylized. Registrant in 2339554 provides "clothing, namely, caps, T-shirts, western shirts, vests, jackets, pants, shirts, baseball jerseys, sweatshirts, golf shirts, boxers, and shorts" and "beer" in connection with the mark ORIGINAL COORS. Registrant in 2317567 provides "beer" and "clothing, namely, caps, T-shirts, shirts, vests, jackets, coats, and scarves" in connection with the mark ORIGINAL COORS RODEO and design. Registrant in 2448018 provides "computer services, namely, providing a wide range of information relating to beer, malt beverages, the environment by means of a computer network" in connection with the mark ORIGINAL COORS. Registrant in 2451156 provides "computer services, namely, providing a wide range of information relating to beer, malt beverages, the environment by means of a computer network" in connection with the mark COORS LIGHT. Registrant in 2145822 provides "beer and non-alcoholic beer" in connection with the mark COORS BREWING COMPANY GOLDEN, COLORADO and design. Registrant in 2444615 provides "computer services, namely, providing a wide range of information relating to beer, malt beverages, the environment by means of a computer network" in connection with the mark COORS. Registrant in 1748768 provides "beer" in connection with the mark COORS LIGHT THE SILVER BULLET. Registrant in 1726076 provides "beer" in connection with the mark COORS and design. Registrant in 1684609 provides "beer" in connection with the mark COORS

LIGHT. Registrant in 1389342 provides "beer" in connection with the mark COORS EXTRA GOLD and design. Registrant in 1313763 provides "beer" in connection with the mark COORS BANQUET BEER SINCE 1873. Registrant in 1262609 provides "beer" in connection with the mark TASTE THE HIGH COUNTRY. TASTE COORS. Registrant in 1134783 provides "beer" in connection with the mark COORS LIGHT BEER and design. Registrant in 1071095 provides "malt cereal beverages, namely, beer" in connection with the mark COORS. Registrant in 0619191 provides "beer" in connection with the mark A COORS. Registrant in 0519643 provides "beer" in connection with the mark C ADOLPH COORS GOLDEN, COLORADO and design. Registrant in 0519209 provides "malt cereal beverages-namely, beer" in connection with the mark COORS stylized.

The same registrant owns 2346770, 2389252, 2335054, 2351112, 2339554, 2317567, 2448018, 2451156, 2145822, 2444615, 1748768, 1726076, 1684609, 1389342, 1313763, 1262609, 1134783, 1071095, 0619191, 0519643 and 0519209.

With respect to the marks in Registration Nos. 1071095, 2444615, 2335054 and 2389252, the examining attorney finds that the applicant's mark is identical to the registrant's marks. In the second step of the analysis, the examining attorney finds that the registrant's goods and the applicant's goods are commercially related. Both the applicant and the registrant provide beer and non-alcoholic beverages. Nevertheless, if the marks of the respective parties are identical, the relationship between the goods or services of the respective parties need not be as close to support a finding of likelihood of confusion as might apply where differences exist between the marks. *Amcors, Inc. v. Amcor Industries, Inc.*, 210 USPQ 70 (TTAB 1981); TMEP §1207.01(a).

With respect to the marks in Registration Nos. 2346770, 2351112, 2339554, 2317567, 2448018, 2451156, 2145822, 1748768, 1726076, 1684609, 1389342, 1313763, 1262609, 1134783, 0619191, 0519643 and 0519209, the examining attorney finds that the applicant's mark shares the identical term COORS with each of the cited registrations. The mere addition of a term to a registered mark is not sufficient to overcome a likelihood of confusion under Section 2(d). *Coca-Cola Bottling Co. v. Joseph E. Seagram & Sons, Inc.*, 526 F.2d 556, 188 USPQ 105 (CCPA 1975) ("BENGAL" and "BENGAL LANCER"); *Lilly Pulitzer, Inc. v. Lilli Ann Corp.*, 376 F.2d 324, 153 USPQ 406 (CCPA 1967) ("THE LILLY" and "LILLI ANN"); *In re El Torito Restaurants Inc.*, 9 USPQ2d 2002 (TTAB 1988) ("MACHO" and "MACHO COMBOS"); *In re United States Shoe Corp.*, 229 USPQ 707 (TTAB 1985) ("CAREER IMAGE" and "CREST CAREER IMAGES"); *In re Corning Glass Works*, 229 USPQ 65 (TTAB 1985) ("CONFIRM" and "CONFIRMCELLS"); *In re Riddle*, 225 USPQ 630 (TTAB 1985) ("ACCUTUNE" and "RICHARD PETTY'S ACCU TUNE"); *In re Cosvetic Laboratories, Inc.*, 202 USPQ 842 (TTAB 1979) ("HEAD START" and "HEAD START COSVETIC"). Thus the addition of a design or other terms to the dominant term COORS in the registrant's marks do not obviate the likelihood of confusion. The marks are overall confusingly similar and impart a similar commercial impression. Because consumers will call for the goods by their name, the examining attorney places more significance on the literal portions of the mark than the design portions. *In re Appetito Provisions Co.*, 3 USPQ2d 1553 (TTAB 1987); *In re Drug Research Reports, Inc.*, 200 USPQ 554 (TTAB 1978). Finally, while the examining attorney cannot ignore a disclaimed portion of a mark and must view marks in their entireties, one feature of a mark may be more significant in creating a commercial impression. *Tektronix, Inc. v. Daktronics, Inc.*, 534 F.2d 915, 189 USPQ 693 (CCPA 1976); *In re El Torito Restaurants Inc.*, 9 USPQ2d 2002 (TTAB 1988); *In re Equitable Bancorporation*, 229 USPQ 709 (TTAB 1986). Disclaimed matter is typically less significant or less dominant.

In the second step of the analysis, the examining attorney finds that the applicant's goods are similar to the Registrants' goods because both provide beer and non-alcoholic beverages. If the marks of the respective parties are identical, the relationship between the goods or services of the respective parties need not be as close to support a finding of likelihood of confusion as might apply where differences exist between the marks. *Amcors, Inc. v. Amcor Industries, Inc.*, 210 USPQ 70 (TTAB 1981); TMEP §1207.01(a).

For these reasons, it is likely that the purchasing public would confuse the goods as originating from the same source. Therefore, the examining attorney refuses registration of the applicant's mark under Trademark Act Section 2(d), 15 U.S.C. Section 1052(d).

The applicant should also note the following additional ground for refusal.

False Association

Registration is refused because the proposed mark consists of or comprises matter which may falsely suggest a connection with COORS for beer. COORS is so famous that consumers would presume a connection with applicant. Trademark Act Section 2(a), 15 U.S.C. §1052(a); TMEP §§1203.03, 1203.03(e) and 1203.03(f); *See generally University of Notre Dame du Lac v. J.C. Gourmet Food Imports Co.*, 703 F.2d 1372, 217 USPQ 505 (Fed. Cir. 1983); *University of Alabama v. BAMA-Werke Curt Baumann*, 231 USPQ 408 (TTAB 1986); *In re Cotter & Co.*, 228 USPQ 202 (TTAB 1985); *Buffett v. Chi?Chi's, Inc.*, 226 USPQ 428 (TTAB 1985).

The following is required for a showing of false connection under Section 2(a):

- · · the mark sought to be registered is the same as or a close approximation of the name or identity of a person or institution;
- · · the mark would be recognized as such;
- · · the person or institution identified in the mark is not connected with the goods sold or services performed by applicant under the mark; and
- · · the fame or reputation of the named person or institution is of such a nature that a connection with such person or institution would be presumed when applicant's mark is used on its goods or services.

In re Cotter & Co., 228 USPQ 202, 204 (TTAB 1985); *See Buffett v. Chi?Chi's, Inc.*, 226 USPQ 428, 429 (TTAB 1985).

If applicant's goods or services are of a type that the named person or institution sells or uses, and the named party is sufficiently famous, then it may be inferred that purchasers of the goods or services would be misled into making a false connection of sponsorship, approval, support or the like with the named party. *In re Cotter & Co.*, 228 USPQ 202 (TTAB 1985); *In re National Intelligence Academy*, 190 USPQ 570 (TTAB 1976).

The fact that purchasers would realize, at some point after purchase, that no connection exists between the listed goods or services and the person or institution falsely connected, is not relevant. The focus is on "the initial reaction or impact of the mark when viewed in conjunction with the applicable goods or services." *In re Bicentennial Society*, 197 USPQ 905, 906 (TTAB 1978).

For these reasons the examining attorney refuses registration of the mark under Section 2(a) of the Trademark Act for false association with a famous mark.

Applicant May Respond

Although the examining attorney has refused registration, the applicant may respond to the refusal to register by submitting evidence and arguments in support of registration.

If the applicant chooses to respond to the refusal to register, the applicant must also respond to the following informalities.

Identification of Goods

The wording in the identification of goods needs clarification because it is too broad and could include goods classified in other international classes. Applicant may substitute the following wording, if accurate: TMEP §§1402.01 and 1402.03.

Nutritional drink mixes for use as a meal replacement. *International Class 5.*

Ice, crushed ice. *International Class 30.*

Beer, water, still water, mineral water, spring water, aerated water, carbonated water, sparkling water, ice water, iceberg water; juices, fruit flavored drinks, soft drinks; preparations for making fruit drinks; syrups for use in making soft drinks. *International Class 32.*

Classification

Applicant must correct the classification of the goods in the application and amend the application to classify them in International Classes 5, 30 and 32. 37 C.F.R. §§2.32(a)(7) and 2.85; TMEP §§1401.02(a) and 1401.03(b).

Combined Application

If applicant prosecutes this application as a combined, or multiple-class application, then applicant must comply with each of the following for those goods and/or services based on an intent to use the mark in commerce under Trademark Act Section 1(b):

- (1) (1) (1) Applicant must list the goods and/or services by international class with the classes listed in ascending numerical order. TMEP § 1403.01; and
- (2) (2) (2) Applicant must submit a filing fee for each international class of goods and/or services not covered by the fee already paid. 37 C.F.R. §2.86(a)(2); TMEP §§810.01 and 1403.01.

Current fees are sufficient for one class only.

Dual Filing Bases §§1(b) and 44(d)

If applicant wishes to proceed relying on the applicant's intent to use the mark in commerce under Trademark Act Section 1(b) as the sole basis for registration, with the claim of priority under Section 44(d), then applicant should so advise the trademark examining attorney. TMEP §§806.02(f) and 806.04(b). If applicant chooses to do so, this Office will approve the mark for publication without waiting for applicant to submit a copy of the foreign registration, once all other outstanding issues are resolved. Moreover, while the application may be approved for publication, the mark will not register until after an acceptable allegation of use has been filed.

If applicant does not indicate otherwise, this Office will presume that applicant wishes to rely on the foreign registration as an additional basis for registration and will require applicant to submit the copy of the foreign registration and, if appropriate, an English translation signed by the translator. TMEP §§1004.01 and 1004.01(b).

Designation of Domestic Representative

Applicant may designate a domestic representative upon whom notices or process may be served. Trademark Act Section 1(e), 15 U.S.C. §1051(e); 37 C.F.R. §2.24; TMEP §§604, 811 and 1013. If applicant does not designate a domestic representative, notices or process in proceedings affecting the mark may be served on the Director of the USPTO. Trademark Act Section 1(e), 15 U.S.C. §1051(e).

DESIGNATION OF DOMESTIC REPRESENTATIVE

Identify the mark

Serial No.

Name of applicant

Date of signature

(Name of domestic representative)

whose postal address is

is hereby designated applicant's representative upon whom notice or process in proceedings affecting the mark may be served.

(Signature of applicant)

If the applicant has any questions or needs assistance in responding to this Office action, please call or e-mail the assigned examining attorney.

Trademark/Service Mark Application, Principal Register, with Declaration

Serial Number: 78288361

Filing Date: 08/17/2003

To the Commissioner for Trademarks:

MARK: BUDWEISER

The applicant, ROBERT, VICTORMARCON, a citizen of CANADA, residing at 3471 SINNICKS

AVENUE, NIAGARA FALLS, ONTARIO Canada L2J2G6, requests registration of the trademark/service mark shown on the drawing page in the United States Patent and Trademark Office on the Principal Register established by the Act of July 5, 1946 (15 U.S.C. Section 1051 et seq.), as amended.

Intent to Use: The applicant has a bona fide intention to use or use through the applicant's related company or licensee the mark in commerce on or in connection with the identified goods and/or services. (15 U.S.C. Section 1051(b)).

International Class 032: WATER, STILL WATER, MINERAL WATER, SPRING WATER, AERATED WATER, CARBONATED WATER, SPARKLING WATER, ICE WATER, ICEBERG WATER, ICE, CRUSHED ICE, JUICES, FLAVORED DRINKS(EXCEPT BEVERAGES BASED ON COFFEE, TEA, OR COCOA AND MILK BEVERAGES), NUTRIENT DRINKS, NON-ALCOHOLIC BEVERAGES, PREPARATIONS FOR MAKING BEVERAGES, SYRUPS.

Priority based on foreign filing: Applicant has a bona fide intention to use the mark in commerce on or in connection with the identified goods and/or services and asserts a claim of priority based upon a foreign application. 15 U.S.C. Section 1126(d), as amended.

Based on Canada application number 1168014, filed 02/18/2003:

International Class 032: WATER, STILL WATER, MINERAL WATER SPRING WATER, AERATED WATER CARBONATED WATER SPARKLING WATER, ICE WATER, ICEBERG WATER, ICE, CRUSHED ICE, JUICES, FLAVORED DRINKS(EXCEPT BEVERAGES BASED ON COFFEE, TEA, OR COCOA AND MILK BEVERAGES), NUTRIENT DRINKS, NON-ALCOHOLIC BEVERAGES, PREPARATIONS FOR MAKING BEVERAGES, SYRUPS

A fee payment in the amount of \$335 will be submitted with the application, representing payment for 1 class(es).

Declaration

The undersigned, being hereby warned that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. Section 1001, and that such willful false statements, and the like, may jeopardize the validity of the application or any resulting registration, declares that he/she is properly authorized to execute this application on behalf of the applicant; he/she believes the applicant to be the owner of the trademark/service mark sought to be registered, or, if the application is being filed under 15 U.S.C. Section 1051(b), he/she believes applicant to be entitled to use such mark in commerce; to the best of his/her knowledge and belief no other person, firm, corporation, or association has the right to use the mark in commerce, either in the identical form thereof or in such near resemblance thereto as to be likely, when used on or in connection with the goods/services of such other person, to cause confusion, or to cause mistake, or to deceive; and that all statements made of his/her own knowledge are true; and that all statements made on information and belief are believed to be true.

OFFICE ACTION

TO AVOID ABANDONMENT, WE MUST RECEIVE A PROPER RESPONSE TO THIS OFFICE ACTION WITHIN 6 MONTHS OF OUR MAILING OR E-MAILING DATE.

Serial Number 78/288361

The assigned examining attorney has reviewed the referenced application and determined the following.

Prior Pending Applications

Information regarding pending Application Serial Nos. 76-328889 and 76-260815 are enclosed. The filing dates of the referenced applications precede applicant's filing date. There may be a likelihood of confusion under Trademark Act Section 2(d) between applicant's mark and the referenced marks. If one or more of the referenced applications registers, registration may be refused in this case under Section 2(d). 37 C.F.R. §2.83; TMEP §1208.01.

Likelihood of Confusion

Registration of the proposed mark is refused because of a likelihood of confusion with the mark in U.S. Registration Nos. 2643103, 2130635, 2095009, 2087363, 2333424, 1278241, 0952277, 0922481, 0895176, 0064125 and 0013064. Trademark Act Section 2(d), 15 U.S.C. §1052(d); TMEP §§1207.01 *et seq.* See the enclosed registrations.

When determining whether there is a likelihood of confusion, all circumstances surrounding the sale of the goods and/or services are considered. *Industrial Nucleonics Corp. v. Hinde*, 475 F.2d 1197, 177 USPQ 386 (C.C.P.A. 1973). These circumstances include the marketing channels, the identity of the prospective purchasers and the degree of similarity between the marks and between the goods and/or services. In comparing the marks, similarity in any one of the elements of sound, appearance or meaning is sufficient to find a likelihood of confusion. In comparing the goods and/or services, it is necessary to show that they are related in some manner. *In re Mack*, 197 USPQ 755, 757 (TTAB 1977); TMEP §§1207.01 *et seq.*

Applicant proposes the mark BUDWEISER for use in connection with "beer, water, still water, mineral water, spring water, aerated water, carbonated water, sparkling water, ice water, iceberg water, ice, crushed ice, juices, flavored drinks (except beverages based on coffee, tea, or cocoa and milk beverages), nutrient drinks, non-alcoholic beverages, preparations for making beverages, syrups. Registrant in 2643103 provides "beer" in connection with the mark BUDWEISER.COM. Registrant in 2130635

provides "beer" in connection with the mark BUDWEISER HOOPS HEADQUARTERS. Registrant in 2095009 provides "beer" in connection with the mark BUDWEISER AMERICAN ALE. Registrant in 2087363 provides "beer" in connection with the mark BUDWEISER and design. Registrant in 2333424 provides "beer" in connection with the mark BUDWEISER KING OF THE ROCKIES and design. Registrant in 1278241 provides "beer" in connection with the mark BUDWEISER LIGHT. Registrant in 0952277 provides "beer" in connection with the mark BUDWEISER. Registrant in 0922481 provides "beer" in connection with the mark BUDWEISER. Registrant in 0895176 provides "beer" in connection with the mark BUDWEISER AB GENUINE LAGER BEER THE WORLD RENOWNED BREWED BY OUR ORIGINAL PROCESS FROM THE CHOICEST HOPS, RICE AND BEST BARLEY MALT BREWED AND BOTTLED BY ANHEUSER-BUSCH, INC. Registrant in 0064125 provides "beer" in connection with the mark BUDWEISER. Registrant in 0013064 provides "lager beer" in connection with the mark ORIGINAL BUDWEISER BUDWEISER LAGER BIER ONLY GENUINE AS DECREED BY THE COURTS ORIGINAL AS DECREED BY THE COURTS. The same registrant owns 2643103, 2130635, 2095009, 2087363, 2333424, 1278241, 0952277, 0922481, 0895176, 0064125 and 0013064 .

With respect to the marks in Registration Nos.0064125, 0922481 and 0952277, the examining attorney finds that the applicant's mark is identical to the registrant's marks. In the second step of the analysis, the examining attorney finds that the registrant's goods and the applicant's goods are commercially related. Both the applicant and the registrant provide beer, which is an alcoholic beverage. Nevertheless, if the marks of the respective parties are identical, the relationship between the goods or services of the respective parties need not be as close to support a finding of likelihood of confusion as might apply where differences exist between the marks. *Amcor, Inc. v. Amcor Industries, Inc.*, 210 USPQ 70 (TTAB 1981); TMEP §1207.01(a).

With respect to the marks in Registration Nos.2643103, 2130635, 2095009, 2087363, 2333424, 1278241, 0895176 and 0013064 the examining attorney finds that the applicant's mark shares the identical leading term BUDWEISER with each of the cited registrations. The mere addition of a term to a registered mark is not sufficient to overcome a likelihood of confusion under Section 2(d). *Coca-Cola Bottling Co. v. Joseph E. Seagram & Sons, Inc.*, 526 F.2d 556, 188 USPQ 105 (CCPA 1975) ("BENGAL" and "BENGAL LANCER"); *Lilly Pulitzer, Inc. v. Lilli Ann Corp.*, 376 F.2d 324, 153 USPQ 406 (CCPA 1967) ("THE LILLY" and "LILLI ANN"); *In re El Torito Restaurants Inc.*, 9 USPQ2d 2002 (TTAB 1988) ("MACHO" and "MACHO COMBOS"); *In re United States Shoe Corp.*, 229 USPQ 707 (TTAB 1985) ("CAREER IMAGE" and "CREST CAREER IMAGES"); *In re Corning Glass Works*, 229 USPQ 65 (TTAB 1985) ("CONFIRM" and "CONFIRMCELLS"); *In re Riddle*, 225 USPQ 630 (TTAB 1985) ("ACCUTUNE" and "RICHARD PETTY'S ACCU TUNE"); *In re Cosvetic Laboratories, Inc.*, 202 USPQ 842 (TTAB 1979) ("HEAD START" and "HEAD START COSVETIC"). Thus the addition of a top-level domain name such as .COM, or the addition of other terms to the dominant term BUDWEISER in the registrant's marks does not obviate the likelihood of confusion. The marks are overall confusingly similar and impart a similar commercial impression. Because consumers will call for the goods by their name, the examining attorney places more significance on the literal portions of the mark than the design portions. *In re Appetito Provisions Co.*, 3 USPQ2d 1553 (TTAB 1987); *In re Drug Research Reports, Inc.*, 200 USPQ 554 (TTAB 1978). Finally, while the examining attorney cannot ignore a disclaimed portion of a mark and must view marks in their entirety, one feature of a mark may be more significant in creating a commercial impression. *Tektronix, Inc. v. Daktronics, Inc.*, 534 F.2d 915, 189 USPQ 693 (CCPA 1976); *In re El Torito Restaurants Inc.*, 9 USPQ2d 2002 (TTAB 1988); *In re Equitable Bancorporation*, 229 USPQ 709 (TTAB 1986). Disclaimed matter is typically less significant or less dominant.

In the second step of the analysis, the examining attorney finds that the applicant's goods are similar to the Registrants' goods because both provide alcoholic beverages, namely, beer. If the marks of the respective parties are identical, the relationship between the goods or services of the respective parties need not be as close to support a finding of likelihood of confusion as might apply where differences exist between the marks. *Ancor, Inc. v. Ancor Industries, Inc.*, 210 USPQ 70 (TTAB 1981); TMEP §1207.01(a).

For these reasons, it is likely that the purchasing public would confuse the goods as originating from the same source. Therefore, the examining attorney refuses registration of the applicant's mark under Trademark Act Section 2(d), 15 U.S.C. Section 1052(d).

The applicant should also note the following additional ground for refusal.

False Association

Registration is refused because the proposed mark consists of or comprises matter which may falsely suggest a connection with BUDWEISER for beer. BUDWEISER is so famous that consumers would presume a connection with applicant. Trademark Act Section 2(a), 15 U.S.C. §1052(a); TMEP §§1203.03, 1203.03(e) and 1203.03(f); *See generally University of Notre Dame du Lac v. J.C. Gourmet Food Imports Co.*, 703 F.2d 1372, 217 USPQ 505 (Fed. Cir. 1983); *University of Alabama v. BAMA-Werke Curt Baumann*, 231 USPQ 408 (TTAB 1986); *In re Cotter & Co.*, 228 USPQ 202 (TTAB 1985); *Buffett v. Chi?Chi's, Inc.*, 226 USPQ 428 (TTAB 1985).

The following is required for a showing of false connection under Section 2(a):

- · the mark sought to be registered is the same as or a close approximation of the name or identity of a person or institution;
- · the mark would be recognized as such;
- · the person or institution identified in the mark is not connected with the goods sold or services performed by applicant under the mark; and
- · the fame or reputation of the named person or institution is of such a nature that a connection with such person or institution would be presumed when applicant's mark is used on its goods or services.

In re Cotter & Co., 228 USPQ 202, 204 (TTAB 1985); *See Buffett v. Chi?Chi's, Inc.*, 226 USPQ 428, 429 (TTAB 1985).

If applicant's goods or services are of a type that the named person or institution sells or uses, and the named party is sufficiently famous, then it may be inferred that purchasers of the goods or services would be misled into making a false connection of sponsorship, approval, support or the like with the named party. *In re Cotter & Co.*, 228 USPQ 202 (TTAB 1985); *In re National Intelligence Academy*, 190 USPQ 570 (TTAB 1976).

The fact that purchasers would realize, at some point after purchase, that no connection exists between the listed goods or services and the person or institution falsely connected, is not relevant. The focus is on "the initial reaction or impact of the mark when viewed in conjunction with the applicable goods or services." *In re Bicentennial Society*, 197 USPQ 905, 906 (TTAB 1978).

For these reasons the examining attorney refuses registration of the mark under Section 2(a) of the Trademark Act for false association with a famous mark.

Applicant May Respond

Although the examining attorney has refused registration, the applicant may respond to the refusal to register by submitting evidence and arguments in support of registration.

If the applicant chooses to respond to the refusal to register, the applicant must also respond to the following informalities.

Identification of Goods

The wording in the identification of goods needs clarification because it is too broad and could include goods classified in other international classes. Applicant may substitute the following wording, if accurate: TMEP §§1402.01 and 1402.03.

Nutritional drink mixes for use as a meal replacement. *International Class 5.*

Ice, crushed ice. *International Class 30.*

Beer, water, still water, mineral water, spring water, aerated water, carbonated water, sparkling water, ice water, iceberg water; juices, fruit flavored drinks, soft drinks; preparations for making fruit drinks; syrups for use in making soft drinks. *International Class 32.*

Classification

Applicant must correct the classification of the goods in the application and amend the application to classify them in International Classes 5, 30 and 32. 37 C.F.R. §§2.32(a)(7) and 2.85; TMEP §§1401.02(a) and 1401.03(b).

Combined Application

If applicant prosecutes this application as a combined, or multiple-class application, then applicant must comply with each of the following for those goods and/or services based on an intent to use the mark in commerce under Trademark Act Section 1(b):

- (1) (1) Applicant must list the goods and/or services by international class with the classes listed in ascending numerical order. TMEP § 1403.01; and
- (2) (2) Applicant must submit a filing fee for each international class of goods and/or services not covered by the fee already paid. 37 C.F.R. §2.86(a)(2); TMEP §§810.01 and 1403.01.

Current fees are sufficient for one class only.

Dual Filing Bases §§1(b) and 44(d)

If applicant wishes to proceed relying on the applicant's intent to use the mark in commerce under Trademark Act Section 1(b) as the sole basis for registration, with the claim of priority under Section 44(d), then applicant should so advise the trademark examining attorney. TMEP §§806.02(f) and 806.04(b). If applicant chooses to do so, this Office will approve the mark for publication without waiting for applicant to submit a copy of the foreign registration, once all other outstanding issues are resolved. Moreover, while the application may be approved for publication, the mark will not register until after an acceptable allegation of use has been filed.

If applicant does not indicate otherwise, this Office will presume that applicant wishes to rely on the foreign registration as an additional basis for registration and will require applicant to submit the copy of the foreign registration and, if appropriate, an English translation signed by the translator. TMEP §§1004.01 and 1004.01(b).

Designation of Domestic Representative

Applicant may designate a domestic representative upon whom notices or process may be served. Trademark Act Section 1(e), 15 U.S.C. §1051(e); 37 C.F.R. §2.24; TMEP §§604, 811 and 1013. If applicant does not designate a domestic representative, notices or process in proceedings affecting the mark may be served on the Director of the USPTO. Trademark Act Section 1(e), 15 U.S.C. §1051(e).

DESIGNATION OF DOMESTIC REPRESENTATIVE

Identify the mark

Serial No.

Name of applicant

Date of signature

(Name of domestic representative)

whose postal address is

is hereby designated applicant's representative upon whom notice or process in proceedings affecting the mark may be served.

(Signature of applicant)

If the applicant has any questions or needs assistance in responding to this Office action, please call or e-mail the assigned examining attorney.
