v.

SYGNIS Pharma AG

Cheryl S. Goodman, Interlocutory Attorney:

Opposer's May 25, 2011 consented motion to suspend proceedings is granted based upon good cause shown.

Because the parties are negotiating for possible settlement of this case, proceedings herein are suspended until August 29, 2011, subject to the right of either party to request resumption at any time. See Trademark Rule 2.117(c).

In the event that there is no word from either party concerning the progress of their negotiations, upon conclusion of the suspension period, proceedings shall resume August 30, 2011 without further notice or order from the Board, upon the schedule set out in opposer's May 25, 2011 motion.

Opposer has provided the Board with an updated report of the parties' settlement discussions as previously required. The parties are reminded that there is a

continuing obligation to provide good cause in the form of progress reports for any further suspension request. Such report should now include an accounting of all dates that the parties discussed settlement during the previous suspension period.<sup>1</sup> If information regarding settlement is confidential, confidential information may be so designated and will be barred from public viewing. In such a case, the parties should provide a redacted copy for public viewing.

In each instance, a copy of the transcript of testimony together with copies of documentary exhibits, must be served on the adverse party within thirty days after completion of the taking of testimony. Trademark Rule 2.125.

Briefs shall be filed in accordance with Trademark Rule 2.128(a) and (b). An oral hearing will be set only upon request filed as provided by Trademark Rule 2.129.

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.

<sup>1</sup>Such dates should include all contact by telephone, by mail, by e-mail or in person. The report should also include a firm timetable for resolution as set forth in the December 2, 2010 order.
