v.

SYGNIS Pharma AG

**ELIZABETH J. WINTER, INTERLOCUTORY ATTORNEY:**

Opposer's consented motion (filed August 24, 2011) to further suspend this consolidated proceeding for sixty days and to reset remaining trial dates, including the close of discovery, is granted for the reasons set forth herein. See Trademark Rule 2.127(a); TBMP § 605.02 (3d ed. 2011).

Because the opposer has shown good cause for continued suspension by explaining that a verbal agreement has been reached between the parties and that a draft written agreement is being prepared, proceedings herein are **SUSPENDED** through **October 28, 2011**, subject to the right of either party to request resumption at any time. See Trademark Rule 2.117(c).

**The parties are reminded that there is a continuing obligation to provide good cause in the form of detailed**

**progress reports for any further extension or suspension request.**

To clarify, a showing of good cause must comprise a detailed status report regarding the progress of the parties' settlement negotiations, including when the last settlement proposal was sent, by whom, and when a response is expected, a recitation of the issues that have been resolved since the commencement of this proceeding, a list of issues that remain to be resolved, and a timetable for resolution. *Confidential information may be so designated and will be barred from public viewing.*

In the event that there is no word from either party concerning the progress of their negotiations, upon conclusion of the suspension period, proceedings shall resume on October 29, 2011 without further notice or order from the Board, upon the schedule set out in opposer's motion, which is set out below, for the parties' convenience.
