Opposer's consented motion (filed October 25, 2011) to further suspend this consolidated proceeding for ninety days and to reset remaining trial dates, including the close of discovery, is granted.

Because the parties are negotiating for possible settlement of this case, proceedings herein are suspended until through January 26, 2012, subject to the right of either party to request resumption at any time. See Trademark Rule 2.117(c).

Inasmuch as opposer has provided the Board with an updated report of the parties settlement discussions as previously required, the parties are reminded that there is a continuing obligation to provide good cause in the form of detailed progress reports for any further extension or suspension request.

In the event that there is no word from either party concerning the progress of their negotiations, upon conclusion of the suspension period, proceedings shall resume on January 27, 2012 without further notice or order from the Board, upon the schedule set out in opposer's motion and copied below.
