**STIPULATED MOTION TO EXTEND THE CLOSE OF EXPERT DISCOVERY**

Opposer Georgia-Pacific Consumer Products LP and Applicant Global Tissue Group, Inc. respectfully move the Trademark Trial and Appeal Board to extend the deadline for expert discovery in this proceeding from August 9, 2011 to September 9, 2011.

Presently, expert discovery in this proceeding is set to close on August 9, 2011 pursuant to the Board's Order issued on June 10, 2011, stating that "[t]he parties are allowed until sixty (60) days from the mailing date of this order in which to conduct discovery of the expert witness(es)." Dkt. 62 at 11. The parties seek an extension of this deadline because pre-existing scheduling conflicts of experts and counsel have precluded the parties from being able to schedule the necessary deposition(s) and from otherwise completing expert discovery within the time period set by the Board.

**The parties have conferred and jointly request that the Board permit an extension of that deadline from August 9, 2011 to September 9, 2011.** Pursuant to the Board's June 10, 2011 Order, the parties will notify the Board upon completion of expert discovery. *Id.* at 12.

DATED: July 18, 2011

Respectfully submitted,

/Charlene R. Marino/
