Title: *TRIAL DECLARATION OF GISELLE C. WOO*

Part 1 of 12

91184978

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE
BEFORE THE TRADEMARK TRIAL AND APPEAL BOARD

TTAB

McNEIL-PPC, INC.,

Opposer,

-against-

WALGREEN CO.,

Applicant.

Opp. No. 91184978

#76682070

TRIAL DECLARATION OF GISELLE C. WOO

Giselle C. Woo declares under penalty of perjury as follows:

1. I am an associate with the firm Fross, Zelnick, Lehrman & Zissu, P.C., 866 United Nations Plaza, New York 10017, attorneys for Opposer McNEIL-PPC, Inc. ("Opposer"). This declaration is based on my personal knowledge and my review of my firm's business records, and is submitted as my trial testimony as a witness for Opposer in connection with the above-referenced matter.

2. On June 30, 2009, a search for references to the mark ZYRTEC in U.S. media was performed by an employee of my firm using the United States News (database identifier = USNEWS) database of the online legal search service Westlaw. Other than the term "ZYRTEC," no additional search terms or parameters were employed. Attached hereto as **Opposer's Exhibit 102** is a true and correct copy of the search result list from the aforementioned search. Note that Westlaw limits search results to only the first 10,000 documents. Thus, the search result list only shows documents ranging from July 1999 to June 2009 despite no time parameters having been used in connection with the search.

Certificate of Mailing

I hereby certify that this correspondence is being deposited with the United States Postal Service via Express Mail No. 815845062 and 815845076 in an envelope addressed to the Trademark Trial and Appeal Board, U.S. Patent and Trademark Office, P.O. Box 1451, Alexandria, VA 22313-1451 on:

(Date of Signature)

01-20-2011

3. On September 1, 2010, I conducted a search of Westlaw's United States News database for U.S. media references to the mark ZYRTEC between January 1, 2000 and December 31, 2004. The specific search instruction I used was "ZYRTEC and da(aft 1/1/2000 & bef 12/31/2004)." Attached hereto as **Opposer's Exhibit 103** is a true and correct copy of the search result list from the aforementioned search.

4. Also on September 1, 2010, I conducted a search of Westlaw's United States News database for U.S. media references to the mark ZYRTEC between January 1, 2005 and December 31, 2009. The specific search instruction I used was "ZYRTEC and da(aft 1/1/2005 & bef 12/31/2009)." Attached hereto as **Opposer's Exhibit 104** is a true and correct copy of the search result list from the aforementioned search.

5. Finally on September 1, 2010, I conducted a search of Westlaw's United States News database for U.S. media references to the mark ZYRTEC after January 1, 2009 that did not also reference the word "recall."¹ The specific search instruction I used was "ZYRTEC and da(aft 1/1/2010) %recall." Attached hereto as **Opposer's Exhibit 105** is a true and correct copy of the search result list from the aforementioned search.

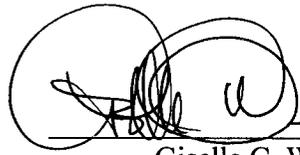

6. Attached hereto as **Opposer's Exhibit 106** is a true and correct copy of the summary of the contents of Westlaw's United States News database, printed on January 14, 2010 from http://web2.westlaw.com/scope/default.aspx?db=USNEWS&RP=/scope/default.wl&RS=WLW11.01&VR=2.0&SV=Split&FN=_top&MT=Westlaw&MST=. Upon information and belief, the contents of Westlaw's United States News database with respect to the

¹ I excluded the word "recall" because the initial search, which included only the terms "ZYRTEC and da(aft 1/1/2010)," yielded a results document that was too voluminous to download due to the inclusion of results referencing the recall of a number of Johnson & Johnson (parent company of Opposer) products unrelated to the underlying proceeding.

type of publications included in the database was the same or similar at the time the searches referenced herein were conducted.

The undersigned being warned that willful false statements and the like are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001, declares that all statements made of her own knowledge are true, and all statements made on information and belief are believed to be true.

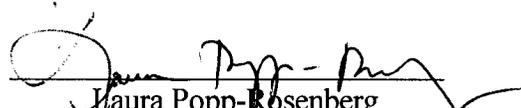

Declared under penalty of perjury this 18th day of January, 2011, at New York, New York.

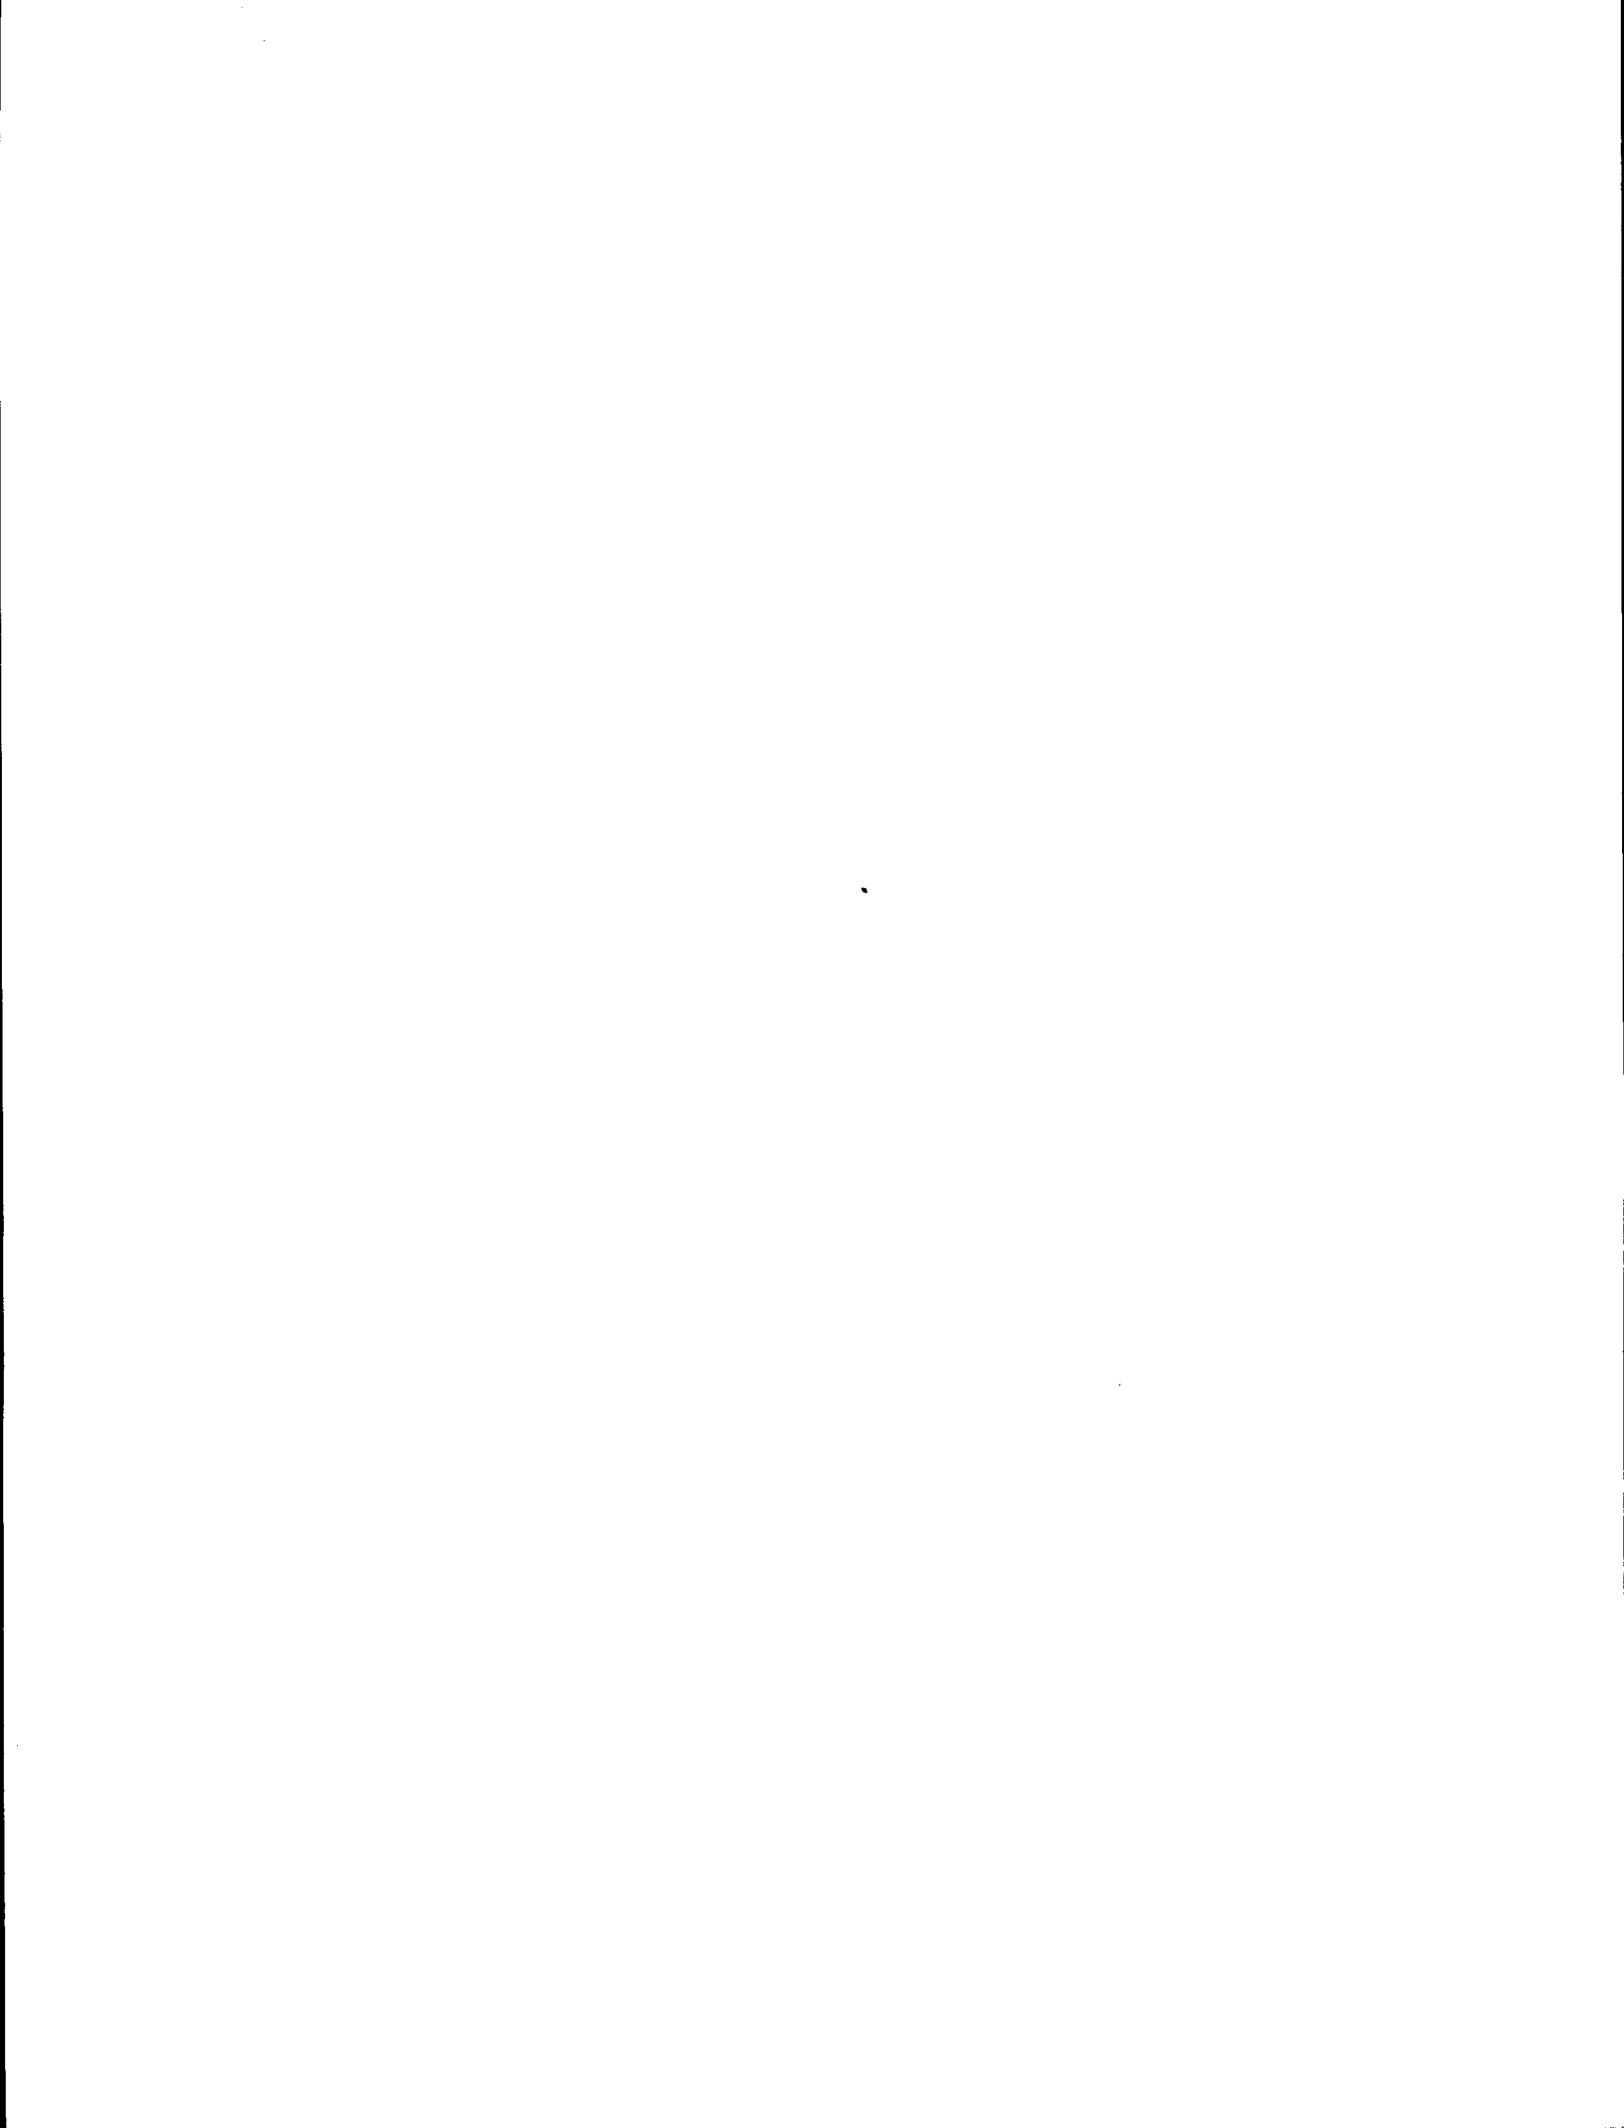

Giselle C. Woo

CERTIFICATE OF SERVICE

This is to certify that I caused a true and correct copy of the foregoing **Trial Declaration of Giselle C. Woo** to be deposited with the United States Postal Service as First Class mail, postage prepaid, in an envelope addressed to counsel for Walgreen Co., Caroline L. Stevens, Esq., Leydig, Voit & Mayer, Ltd., 1420 Fifth Avenue, Suite 3670, Seattle, Washington 98101-4011, this 18th day of January, 2011.

...I, sneezing, itching eyes, looked for safer havens in the air conditioning. But now, with the strength of 24 hour zyrtec To relieve my worst allergy symptoms, indoors and outdoors I'll wipe off the dust that gathered These long months Use zyrtec which starts working Two hours faster than claritin And promise not to wait as long to go for our ride. Because with zyrtec I can love the air - Why is it raining? - (Phones chirping) - lose the rain. - Roger that. No rain. No rainbows ...

981. Drixoral: Why the Allergy Medicine Isn't Available, and What to Use Instead

U.S. News & World Report Author: January W. Payne; Word Count: 908
3/9/09 USNWR (No Page) 2009 WLNR 8536785 ...

...Kentucky and president of the American Academy of Otolaryngic Allergy. Newer over-the-counter antihistamines, such as Claritin (loratadine) and Zyrtec (cetirizine), can be purchased in formulations that also contain a decongestant. These combo drugs, like Claritin-D and Zyrtec-D, may help those who once relied on Drixoral. If allergies are your problem, an antihistamine alone (such as Claritin or Zyrtec, without the "D" that stands for decongestant) might help with your symptoms. If you're stuffy, a decongestant alone may work ...

...diphenhydramine (sold as Benadryl and other brand names), may work better than newer-generation allergy meds like Claritin-D and Zyrtec-D. Benadryl Allergy & Sinus, for instance, combines diphenhydramine with pseudoephedrine, and Chlor-Trimeton 12-Hour Allergy Decongestant contains chlorpheniramine and ...

...make its way from prescription vials to over-the-counter aisles. Factoring out the sales impact of McNeil Consumer Healthcare's Zyrtec, which generated in excess of \$331 million across its Zyrtec syrup, Zyrtec tablet and Zyrtec-D tablet, the overall cough-cold category still grew by 1.4%. Considering that's on a base of \$3.6 billion, that represents incremental growth of almost \$50 million. Zyrtec tablets have quickly climbed to the No. 1 position in sales of cough-cold-allergy-sinus tablets, generating \$248.9 million. Zyrtec-D, formulated with pseudoephedrine and sold behind the pharmacy counter, generated an additional \$57.4 million, and the liquid formulation of Zyrtec accounted for an added \$24.9 million. "Our launch of Zyrtec was a powerful example of how we used experience and knowledge in both our pharmaceuticals and consumer businesses to help ...

1045. Children's Sugar-Free, Dye-Free ZYRTEC(R) Allergy Syrup Now Available Allergies

Drug Week Author: N/A; Word Count: 392
2/13/09 DRUGWEEK 1509 2009 WLNR 2297424 ...

...Children's Sugar-Free, Dye-Free ZYRTEC(R) Allergy Syrup Now Available Allergies McNeil Consumer Healthcare, Division of McNEIL-PPC, Inc., announced the availability of Children's ZYRTEC(R) Allergy Bubble Gum Syrup, a new sugar-free, dye-free bubble gum flavor product used to treat perennial and seasonal allergic rhinitis, also known as upper respiratory allergies, in children ages two years and older. Children's ZYRTEC(R) Allergy Bubble Gum Syrup relieves kids' indoor and outdoor allergy symptoms. The new children's product is available in original ...

...stores starting today (see also Allergies "The new sugar-free, dye-free children's allergy product offers the allergy relief of ZYRTEC(R) that parents have relied on for years, but without the addition of corn syrup or food dyes," said Rohinish Hooda, Vice President of Marketing, Upper Respiratory, McNeil Consumer Healthcare. " Children's ZYRTEC(R) Allergy Bubble Gum Syrup is an important addition to our pediatric portfolio to help parents manage their child's indoor and outdoor allergy symptoms." Children's ZYRTEC(R) Allergy Bubble Gum Syrup, which is available in a convenient plastic bottle, received approval from the Food and Drug Administration in August 2008 to treat indoor and outdoor allergy symptoms for 24 hours. ZYRTEC(R) has a variety of products in different flavors and forms to help relieve children's allergy symptoms. These products are available in the original prescription strength without a prescription and include Children's ZYRTEC(R) Allergy Grape Syrup and sugar-free, dye-free Children's ZYRTEC(R) Allergy Bubble Gum Syrup for ages two years and older,

as well as Children's ZYRTEC(R) Allergy Chewables for ages six years and older. ZYRTEC(R) also offers Children's ZYRTEC(R) Hives Relief Syrup for ages six years and older.
