Opposition No. 91185164

Stream Gas and Electric, Ltd.

v.

Repsol-Gas Natural LNG, S.L.

**George C. Pologeorgis,
Interlocutory Attorney:**

Opposer's consented motion (filed March 16, 2011) to re-suspend this proceeding for an additional 180 days so that the parties may continue with their settlement negotiations is noted.

By order dated September 15, 2011, the Board, *inter alia* advised the parties that, if they sought another request to extend or suspend for settlement (whether consented to or not), they would be required to submit a status report of their settlement efforts.

The Board notes that opposer's latest consented motion to suspend does include the required status report.

In view thereof, opposer's March 16, 2011 consented motion to suspend is denied without prejudice.

Trial dates remain as reset by Board order dated December 9, 2010.
