Motion for leave to file a late answer and to suspend proceedings with consent.

Defendant's time to answer was set for 12/30/08. However due to mistake in scheduling for end of the month, the answer was not filed. Also settlement negotiations had been on-going up to and including this date.

Defendant hereby moves to extend the time to file a late answer. Also, express consent has been obtained from all other parties to Suspend proceedings for up to 90 days, to continue settlement negotiations.

The settlement negotiations are continuing.

Accordingly, the defendant requests that the time to file an answer to be extended by a week and proceedings to be suspended for a period of 90 days, upon expiration of which the defendant would have an option to file an answer.

The reason this motion was not filed online is because the system did not provide a date for filing an answer.
