Opposition No. 91185884

Dating DNA, LLC

v.

Imagini Holdings Ltd

Cheryl Goodman, Interlocutory Attorney:

Opposer's August 25, 2009 motion to compel and motion to reopen discovery are noted. Opposer's filings fail to indicate proof of service on applicant, as required by Trademark Rule 2.119.

Opposer is allowed until **TWENTY DAYS** from the mailing date of this order to serve applicant with the motions and to file proof of service with the Board, failing which the motions will be given no consideration. Applicant's response to the motions shall be in accordance with Trademark Rules 2.127(a) and 2.119.

Proceedings herein are **SUSPENDED** pending disposition of the motion to compel, except as discussed below. The parties should not file any paper which is not germane to the motion to compel. See Trademark Rule 2.120(e)(2).

This suspension order does **not** toll the time for either party to make any required disclosure, to respond to discovery

requests which had been duly served prior to the filing and service of the motion to compel, or to appear for a discovery deposition which had been duly noticed prior to the filing and service of the motion to compel. See Id.
