 The Green Way Philosophy Green Way, the choice for us who believe in life without layers. Truly natural and clean in our total approach, which translates to what we eat, how we think, and the connection we have with mother earth.

ORGANIC RAISIN BRAN

Organic Raisins

Our certified organic raisins are vine ripened in the most fertile soils, and then gently dried to intensify the flavor

With our Green Way Organic Raisin Bran we truly believe that simpler is better. Our wheat bran flakes are particularly rich in dietary fiber and minerals, and then blended with a multitude of sun-dried, sweet organic raisins. A simple and healthy way to start your morning.

Organic Wheat Bran

"Bran" is considered to be the most integral part of the whole grain because of its high nutritional value.

Why choose organic?

Eating organic foods supports a healthy lifestyle for you and your family. Organic food production prohibits the use of toxic chemicals, avoiding potentially harmful pesticides, fungicides, insecticides, and fertilizers. The Organic certification process and the USDA seal ensure that you enjoy a real organic product produced under the strictest National Organic Standards.

The Green Way Story

Have you heard that beauty is on the inside? Do you believe it? Well, at Green Way, we not only believe it, we live it.

Our apples may have a pimple, our peas may have a wrinkle. The skin on our carrots may not be perfectly smooth.

And if being a little imperfect means no chemicals, no pesticides and no artificial fertilizers, then we are OK with that.

At Green Way we have a very simple mission: to be truly natural and clean in our total approach, which translates to what we eat, how we think, and how we grow foods from seedling to shelf.

There's their way, and then there's Green Way.

ECO-FRIENDLY
ALL PURPOSE CLEANER
LEMONGRASS
all natural

Green Way All Purpose Cleaner is a non-toxic, biodegradable cleaner that is safe for septic systems, is not tested on animals, contains no animal ingredients, no petroleum based cleaners, and no dye.

Directions: Turn sprayer to ON position. Spray onto soiled area. Wipe dirt away with a paper towel or clean lint free cloth. Rotate cloth during cleaning to expose clean surfaces. Always return sprayer to OFF position for storage. Always test product on a small inconspicuous area before using. Not recommended for use on wood finishes, automobiles or aluminum. If applied to aluminum, wipe dry immediately. Unplug electrical appliances before cleaning.

KEEP OUT OF REACH OF CHILDREN AND PETS.

Warning: Eye Irritant. Avoid contact with eyes.

In the event of eye contact, flush eye, with water for at least 15 minutes.

If irritation persists, seek medical attention.

Ingredients: Water, Sodium Xylene Sulfonate, Caprylyl/Decyl Glucoside, Deceth-5, PPG-6-Laureth-3, Ethoxylated Alcohols, Fragrance, Methylchloroisothiazolinone, Methylisothiazolinone.

CONTAINS NO PHOSPHATES.

Note: Due to varying wattage on microwave ovens, you may need to cook longer than indicated. Please consult your microwave owner's manual for additional information.

Storage Directions:
To assure the optimum quality and freshness, keep the unused package in your freezer at 0°F (-18°C) or lower until ready to use. When thawed, use promptly.

- Microwave**
- Place 1/2 package (8 oz.) in covered microwave proof casserole; Add 2 tablespoons water.
 - Cook on high setting 3 minutes. Stir and cook in high setting another 4 to 5 minutes. To prepare entire package double suggested cooking times and subtract 1 minute. Stand(ing) time is important for safety and quality; check for cold spots and continue cooking, if needed.
 - Season to taste and serve.
