STIPULATED MOTION TO SUSPEND OPPOSITION PROCEEDING

Further to the filing of a Motion for an Extension of Time in which to File an Answer on June 26, 2009, the undersigned received an email from the attorney for the Opposer, namely, Mr. Winston Folmar, indicating that he was on vacation and did not receive our telephone message to obtain consent to file an extension of time. He has agreed that we should file a Stipulated Motion for a six-month extension of the opposition proceeding in order to complete the drafting of an Agreement and execution of the same by the parties. Therefore, the Applicant's request for an extension of time that was filed on June 26, 2009 should be granted by the Board. In addition, since the consent of Mr. Folmar has been obtained, we want to further suspend the opposition proceeding for six months, the present Stipulated Motion to Suspend should be granted by

the Trademark Trial and Appeal Board. At this moment, Applicant is in the process of drafting a proposed Agreement.

If the Stipulated Motion to Suspend is granted, the due date for the Applicant to file an Answer to the Notice of Opposition would expire on **January 26, 2010**. All the opposition proceeding dates should also be suspended for six months.

The present Motion for Suspension is not filed for the purpose of delay, but just for the purpose set forth hereinabove.

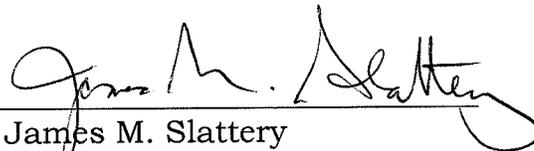

Please charge any fees or credit any overpayment pursuant to 37 C.F.R. § 2.6 to Deposit Account No. 02-2448.

Respectfully submitted,

BIRCH, STEWART, KOLASCH & BIRCH, LLP
