Opposition No. 91186611

Bear Naked, Inc.

v.

Sean Sangsoo Lee

On January 18, 2012, pursuant to the parties' settlement agreement, opposer filed the parties' stipulation comprising applicant's proposed amendment to its application Serial No. 76677088, and opposer's withdrawal of the opposition without prejudice, contingent upon entry of the amendment.

By the proposed amendment, applicant seeks to change the identification of goods in the application as follows,¹

From:

"Health supplements, namely, dietary, nutritional, herbal, vitamin, mineral, and food supplements, meal replacement and dietary and nutritional supplement drink mixes, meal replacement bars, drinks, powders, and shakes; nutraceutical dietary supplements"

To:

"Health supplements, namely, dietary, nutritional, herbal, vitamin, mineral, and food supplements, meal replacement and dietary and nutritional supplement

¹ The underlined wording "snack cakes" replaces the word "bars."

Opposition No. 91186611

drink mixes, meal replacement **snack cakes**, drinks, powders and shakes; nutraceutical dietary supplements"

Inasmuch as the amendment is clearly limiting in nature as required by Trademark Rule 2.71(a), and because opposer consents thereto, it is approved and entered. See Trademark Rule 2.133(a).

The contingency in opposer's withdrawal having now been met, the opposition is dismissed without prejudice.
