Opposition No. 91187268

**MOTION ON CONSENT TO SUSPEND THE PROCEEDINGS
AND TO EXTEND DISCOVERY PERIOD IF OPPOSITION IS RESUMED**

Opposer, by and through counsel, hereby moves for an order suspending the proceedings in this matter for a period of two (2) months, until **January 8, 2011**. Applicant’s counsel consented to this motion, which is requested to allow the parties to continue to engage in settlement discussions.

The parties have made substantial progress and believe that there are very few issues remaining to reach a resolution, including the definitions of the parties’ respective marks and possible carve out uses. The parties have not conducted discovery as they are hopeful of resolving the matter amicably. Since the last suspension, Applicant’s counsel and Opposer’s counsel have discussed a revised agreement, and Opposer’s counsel is further revising the agreement to address these discussions. The additional time is requested to allow the revised

agreement to be sent to Opposer and for Opposer to provide its comments and for the parties to continue their negotiations to try to resolve the remaining issues in connection with a settlement of this Opposition. If accepted, the settlement agreement would resolve this matter without the need to proceed with the Opposition.

In the event that the Board denies this motion, Opposer consents to an extension of time for Applicant to file an answer or otherwise respond to the Notice of Opposition until sixty (60) days after such denial.

If the Board grants this motion, the Board should also reset Applicant's time to answer or otherwise respond to the Notice of Opposition. Additionally, the parties request that six months of discovery be allowed and that the discovery cutoff be reset to six (6) months after the proceedings resume so that the parties will have the full period of discovery in the event that the matter is not able to be resolved. The trial periods and other periods should be reset accordingly.
