v.

LaToya R. Cunningham

Michael B. Adlin, Interlocutory Attorney:

Opposer's consented motion (filed November 9, 2009) to suspend proceedings to accommodate the parties' ongoing settlement negotiations is noted. Since commencement of this proceeding in 2008, the parties have effected numerous extensions and suspensions for settlement negotiations, however no settlement has been reached, and the pleadings have yet to close. Accordingly, opposer's consent motion to suspend is hereby **DENIED**.

Applicant is allowed until **December 10, 2009** to answer the notice of opposition, and **no further extensions of time to answer will be granted, even if consented**. Conferencing, disclosure, discovery and trial dates are reset as follows:

Discovery Opens	1/9/2010
Initial Disclosures Due	2/8/2010

The Board will not entertain any additional motions to suspend or extend until after the parties have completed the required discovery conference. Furthermore, **no extensions or suspensions will be granted in the absence of a detailed progress report.** Such a report must include a recitation of issues that have been resolved, issues that remain to be resolved, and a firm timetable for resolution, failing which any future motion to extend or suspend, even though agreed upon by the parties, may not be approved.

In each instance, a copy of the transcript of testimony together with copies of documentary exhibits, must be served on the adverse party within thirty days after completion of the taking of testimony. Trademark Rule 2.125.

Briefs shall be filed in accordance with Trademark Rule 2.128(a) and (b). An oral hearing will be set only upon request filed as provided by Trademark Rule 2.129.

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.
