United Business Media LLC

v.

**National Rural Electric
Cooperative Association**

On September 10, 2009, the parties filed applicant's proposed amendment to its application Serial Nos. 77519471, 77519393, 77519461, 77519375, 77519454, 77519358, 77519449, and 77519331, with opposer's consent, and opposer's withdrawal without prejudice of the opposition, contingent upon entry of the amendment.

By the proposed amendment applicant seeks to change the identification of goods in International Classes 9, 16, 41, and 42 as follows:

**Serial Nos. 77519471 and 77519393
International Class 009**

from

"Downloadable electronic publications in the nature of newsletters, articles, brochures, booklets, and pamphlets in the field of electrical cooperatives; downloadable computer software with a database of contact management and customer information for electrical cooperatives; digital materials, namely, CDs featuring information in the field of electrical cooperatives"

to

"Downloadable electronic publications in the nature of newsletters, articles, brochures, booklets, and pamphlets in the field of electrical cooperatives; downloadable computer software with a database **for** contact management and customer information for electrical cooperatives; digital materials, namely, CDs featuring information in the field of electrical cooperatives; *all of the foregoing pertaining to the interests of member-owned electric utilities.*"¹

Serial Nos. 77519461 and 77519375
International Class 016

from

"Research reports, newsletters, pamphlets and a series of written articles in the field of electrical cooperatives; printed manuals for computer software in the field of electrical cooperatives; printed educational and training materials in the field of electrical cooperatives"

to

"Research reports, newsletters, pamphlets and a series of written articles in the field of electrical cooperatives; printed manuals for computer software in the field of electrical cooperatives; printed educational and training materials in the field of electrical cooperatives; *all of the foregoing pertaining to the interests of member-owned electric utilities.*"²

¹The word "for" (in bold-italics) replaces the word "to." The phrase in italics is added.

²The phrase in italics is added.

Opposition No. 91187885; 91187886; 91187887; 91187888; 91187889; 91187890; 91187891; and 91187892

Serial Nos. 77519454 and 77519358
International Class 041

from

"Providing on-line, non-downloadable articles, booklets, brochures, newsletters and pamphlets concerning or of interest to electrical cooperatives; publishing of electronic publications in the field of electrical cooperatives; educational services, namely, web-based conferences and on-line courses in the field of electrical cooperatives, and distributing course materials in conjunction therewith; arranging and conducting educational conferences, meetings and seminars in the field of electrical cooperatives"

to

"Providing on-line, non-downloadable articles, booklets, brochures, newsletters and pamphlets concerning or of interest to electrical cooperatives; publishing of electronic publications in the field of electrical cooperatives; educational services, namely, web-based conferences and on-line courses in the field of electrical cooperatives, and distributing course materials in conjunction therewith; arranging and conducting educational conferences, meetings and seminars in the field of electrical cooperatives; *all of the foregoing pertaining to the interests of member-owned electric utilities.*"³

Serial Nos. 77519449 and 77519331
International Class 042

from

"Providing scientific research and related technical information in the field of electrical cooperatives"

to

"Providing scientific research and related technical information in the field of electrical cooperatives; *all of the foregoing pertaining to the interests of member-owned electric utilities.*"⁴

³ The phrase in italics is added.

⁴ The phrase in italics is added.

Opposition No. 91187885; 91187886; 91187887; 91187888; 91187889; 91187890; 91187891; and 91187892

Inasmuch as the amendments are clearly limiting in nature as required by Trademark Rule 2.71(a), and because opposer consents thereto, they are approved and entered. See Trademark Rule 2.133(a).

The contingency in opposer's withdrawals having now been met, the oppositions are dismissed without prejudice.
