Rochelle Adams, Paralegal Specialist:

Opposer's consented motion (filed August 30, 2010) to suspend proceedings to accommodate the parties' settlement negotiations is granted.

Proceedings herein are suspended for thirty days as requested in the July 29, 2010 motion, subject to the right of either party to request resumption at any time. See Trademark Rule 2.117(c).

The parties are advised, however that to continue suspension after this period expires, the parties will be

expected to report on the progress of their settlement talks to establish good cause for any continued suspension.

This report should include: a recitation of issues that have been resolved, issues that remain to be solved, and a firm timetable for resolution. Absent such a report, any future motion to extend or suspend may not be approved, even though agreed to by the parties.

In the event that there is no word from either party concerning the progress of their negotiations, upon conclusion of the suspension period, proceedings shall resume without further notice or order from the Board, upon the schedule set out in the July 29, 2010 motion.

In each instance, a copy of the transcript of testimony together with copies of documentary exhibits, must be served on the adverse party within thirty days after completion of the taking of testimony. Trademark Rule 2.125.

Briefs shall be filed in accordance with Trademark Rule 2.128(a) and (b). An oral hearing will be set only upon request filed as provided by Trademark Rule 2.129.

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.
