Opposition No. 91189348

Westin Hotel Management,  
L.P.

v.

Portillo, Armando

On April 30, 2009, opposer submitted applicant's proposed amendment to its application Serial No. 77453451, with opposer's written consent, and opposer's withdrawal without prejudice of the opposition, contingent upon entry of the amendment.

By the proposed amendment applicant seeks to change the identification of services **from** "On-line retail store services featuring cotton baby clothing, cotton cloth diapers, baby bedding, blankets, towels, bibs, diaper covers, diaper liners and doublers, wipes and washcloths, all made of cotton from an organically grown plant and free of chemical processing or treatment" **to** "On-line retail store services featuring cotton baby clothing, cotton cloth diapers, towels, bibs, diaper covers, diaper liners and doublers, wipes and washcloths, all made of cotton from an organically grown plant and free of chemical processing or treatment."

Inasmuch as the amendment is clearly limiting in nature as required by Trademark Rule 2.71(a), and because opposer consents thereto, it is approved and entered. See Trademark Rule 2.133(a).

The contingency in opposer's withdrawal having now been met, the opposition is dismissed without prejudice.
