Subject: RE: Speedvision Opposition No 91189418

Daniel,

Sorry again for your recent medical woes, I certainly hope that you are on the road to a quick recovery.

We have no problem with consenting to a 45-day extension for all deadlines in this proceeding, including Speed's deadline to respond to Phoenix's discovery requests. I would only like to request that the 45-day extension include a corresponding stay on any activities by Speed that would be prejudicial to Phoenix, for example, a second set of discovery or something to that effect.

We can, of course, discuss any issues as they arise.

Best regards,
Brian
