Re: **Borghese Trademarks, Inc. v. Multi Media Exposure, Inc.,
USPTO Opposition No. 91189629**

Dear Board:

In connection with the above-referenced proceeding, on July 29, 2010, Applicant Multi Media Exposure ("MME") served Opposer Borghese Trademarks, Inc. ("BTI") with Amended Responses to those of BTI's discovery requests that were outstanding as of this Board's summary judgment rulings ("Amended Responses"). Enclosed is a copy of the cover letter to BTI's counsel and the Amended Responses, which correct the clerical misnumbering errors in MME's discovery responses served on BTI on July 16, 2010.¹ MME believes that the Amended Responses thus resolve the misnumbering issue raised in Opposer's Reply in Support of its Motion to Compel, filed on July 22, 2010.

Sincerely,

Jolie Apicella

08-06-2010

S. Patent & Trademark Office Report 08-06-2010

¹ The misnumbering resulted from an automatic-numbering feature embedded in the documents and from the fact that certain discovery requests were "skipped," as MME had already responded to them in January, 2010.
