v.

WWRD Ireland IPCO LLC

By the Trademark Trial and Appeal Board:

On March 27, 2009, prior to the commencement of this proceeding, a document reflecting the assignment of involved application Serial No. 77179925 from Waterford Wedgwood PLC to WWRD Ireland IPCO LLC ("applicant") was recorded with the USPTO's Assignment Branch at Reel 3960/Frame 0414. In view of such recordation, this proceeding was properly instituted with applicant as the party defendant herein. See Trademark Rule 2.116(b); TBMP Section 512.01 (2d ed. rev. 2004). On May 20, 2009, applicant filed an answer, with proof of service upon opposer.

Based on the foregoing, opposer's motions (both filed June 9, 2009) to "strike & dismiss" and for entry of default judgment are not well-taken and are therefore denied.

Dates remain as set in the Board notice instituting this proceeding.
