Experient, LLC

v.

Experient Inc.

By the Trademark Trial and Appeal Board:

It has come to the Board's attention that application Serial No. 78923769 was abandoned prior to the Board receiving notification that applicant, Experient, LLC having filed an appeal by way of civil action of the Board's March 31, 2014 decision. The application should have been held pending a final determination of the civil action instead of being abandoned.

In view thereof, Serial No. 78923769 is returned to a pending status to await a final determination in the civil action.¹

Within twenty days after the final determination of the civil action, the parties shall so notify the office so that appropriate action may be taken with respect to the disposition of this proceeding.²

¹ Civil Action Case No. 1:14-cv-03987 filed May 29, 2014, in the United States District Court for the Northern District of Illinois Eastern Division

² A proceeding is considered to have been finally determined when a decision on the merits of the case (*i.e.*, a dispositive ruling that ends litigation on the merits) has been rendered, and no appeal has been filed therefrom, or all appeals filed have been decided. *See* TBMP § 510.02(b).
