MOTION TO EXTEND TIME TO ANSWER

Regarding: Proceeding No. 91190493
Serial No. 77565214

Request:

Via this motion, I, David B. Katzin, MD PhD, am requesting an extension of the currently established deadline to answer the published opposition, as per the above references, to a date 30 days beyond the established date of July 13, 2009. This would effectively extend the answer deadline to August 12, 2009.

Reason for Request:

I will be traveling out of the country on business during this time period and neither I nor my legal advisors will be able to give adequate attention to this matter in order to provide an appropriate response.

Thank you for your attention to this matter.
