Opposition No. 91191031

Directlaw, Inc.

v.

Cyberlaw Associates, LLC

On June 9, 2010, the Board approved the amendment to applicant's application Serial No. 77474991 and deferred consideration of the withdrawal of the opposition with prejudice in view of the second contingency in opposer's withdrawal, namely, the acceptance of the parties' stipulated amendment to opposer's application Serial No. 77621346 by the assigned Examining Attorney.

In its submission of July 2, 2010,¹ opposer informs the Board that on June 23, 2010, the Examining Attorney approved opposer's proposed amendment to application Serial No. 77621346² and accepted the parties' consent agreement. Thus, the second contingency to opposer's withdrawal of this proceeding has now been met.

¹ The delay in acting upon this matter is regretted.

² The Board notes that opposer's application was published for opposition on August 10, 2010 and that said application has not been opposed.

Opposition No. 91191031

Accordingly, inasmuch as the contingencies to opposer's withdrawal of the opposition have now been met, the opposition is dismissed with prejudice in accordance with the agreement between the parties.
