v.

Project 7, Inc.

**Clara Vela, Paralegal Specialist**

The Board notes that applicant, in its answer filed on September 8, 2009, has proposed a limitation to the identification of goods in its application. See *Answer*, page 3, paragraph 23. Applicant is advised that if it intends to have the Board consider an amendment to its application Serial No. 77602830, it must be submitted by motion. In addition, where an unconsented motion to amend an application that is involved in an inter partes proceedings is filed before trial, the Board generally will defer determination until final decision. See TBMP § 514.03.

Accordingly, no further consideration will be given to applicant's proposal. Conferencing, disclosure, discovery and testimony periods remain as previously set.
