Opposition No. 91192118

LFP IP, LLC

v.

Legal Hustlers

**Michael B. Adlin, Interlocutory Attorney:**

On March 8, 2010, the Board issued an order finding that applicant's default was not willful or in bad faith, but deferring further consideration of the issue of default until applicant filed its answer to the notice of opposition. On April 5, 2010, applicant filed its answer, which is construed as a general denial and establishes that applicant has a meritorious defense. Accordingly, default is hereby set aside. Dates remain as set in the Board's order of March 8, 2010.
